See how Harley's story unfolds in worlds beyond the DC Universe, in the alternate timelines of Batman: White Knight, Harleen, and the Harley Quinn animated series! Witness her darkest hours and her happiest moments! Behold a-wait a second, did she just...win an underground rap battle?! An incredible array of talent from across the comics industry have put their reputations in jeopardy to bring you these stories. So show a little gratitude, will ya? This volume collects Harley Quinn Black + White + Red Digital Chapters #1-17 in print for the first time-along with two all-new, never-before seen stories by writer David Mandel (Veep) and artist Adam Hughes; and Harley's co-creator, writer Paul Dini, with legendary Batman: The Animated Series artist Kevin Altieri!

This new title collects Detective Comics #831, Nightwing/Huntress #2, Gotham Central #6, Batman #567, Catwoman #16 (2002 series) and a story from Showcase '96 #3.

Since Gotham's fall, the Joker has been relatively quiet...but that's about to change as former Arkham Asylum doctor Harleen Quinzel joins the Clown Prince of Crime to put him back on top. But when their unusual partnership leaves Harley a little worse for wear, she enlists Poison Ivy's help. Now the Joker and Batman are going to learn that this souped-up Harley's not going to be pushed around anymore.

The creative team that transformed Harley Quinn forever returns to shake up her world once more-and this time, the gloves are off! Harley Quinn has avoided Gotham City ever since she broke up with The Joker and found a home, and a kind of family, in Coney Island. But when she gets an offer she can't refuse, she has no choice but to slip back into the city as quietly as she can, hoping to be gone before anyone-especially her ex-learns she's been there. But for Harley, "as quietly as she can" is plenty loud...and before she can say "Holee bounty hunters, Batman," The Joker's sicced every super-villain in the city on her pretty ombré head-and the only team tough enough (or crazy enough) to come to her defense is the Birds of Prey! The foul-mouthed, no-holds-barred sequel to one of DC's raciest runs is here! Get on board early, before we come to our senses! I may be in the sewer, but you better get your mind outta the gutter! That rhymin' zombie known as Solomon Grundy ain't happy that I'm in his domain (but to be fair...it's also Killer Croc's domain too, there's a lotta sewer dwellers in Gotham). Grundy's either going to welcome me with open arms or crush me! And I can't let that happen, 'cause Kevin's at the mercy of Hugo Strange. Hugo's going to do everything in his power to break Kevin and turn him against me, I hope in our brief time together, Kevin's learned a little perseverance!

Harley Quinn here, still narrating my solicit text! My war of wellness with Hugo Strange kicks into high gear this issue, and things are gonna get ugly. Hugo is about to send his right-hand man-child Lockwood, Arkham Asylum's most sadistic guard, after Kevin and me at our first support group meeting. Folks, some things in this world are sacred, and I am not gonna stand for this. Hugo Strange never picked a fight with someone like me before, and he's not going to like the results. Buy this issue-it's a real gem!

? Since her first appearance in 1992, Harley Quinn—eccentric sidekick to the Joker—has captured the attention of readers like few new characters have in eight decades of Batman comics. Her bubbly yet malicious persona has earned her a loyal and growing fan base as she has crossed over into television, theater, video games, and film. In this collection of new essays, contributors explore her various iterations, focusing on her origin and contexts, the implications of her abusive relationship with the Joker, her relationships with other characters, her representations across media, and the philosophic basis of her character.

The definitive story of Harley Quinn by her co-creator, Paul Dini, and Pat Cadigan, revealing the secrets of her history even as she seeks to kill Batman. When she was only seven years old, Harleen Quinzel witnessed her father being beaten up by thugs, and then arrested by the police. That night she ran away to the safest place she could think of: Coney Island amusement park. But there, pursued into the Funhouse by the men who brutalised her father, she beheld unimaginable horrors. Years later, Harleen has put her past behind her, and used her intelligence and ambition to escape her childhood of poverty with a career in psychiatry. Assigned to her first position at Arkham Hospital, she will discover, deep in the asylum, something dangerous and alluring, something quite unlike anything else she has ever known before: The Joker. Because why would you settle for love, when you could have MAD LOVE? From the moment that Harleen finds a rose on her desk, to the moment she dons her harlequin hat, this is the definitive story that chronicles the obsession, the burning desire, the manic laughter, and the birth of one of the most controversial and popular comic book supervillains ever created: Harley Quinn.
