One hundred of the most evocative modern poems on joy, selected by an award-winning contemporary poet "Bursting with energy and surprising locutions. . . . Even the most familiar poets seem somehow new within the context of Joy."--David Skeel, Wall Street Journal "Wiman takes readers through the ostensible ordinariness of life and reveals the extraordinary."--Adrianna Smith, The Atlantic Christian Wiman, a poet known for his meditations on mortality, has long been fascinated by joy and by its relative absence in modern literature. Why is joy so resistant to language? How has it become so suspect in our times? Manipulated by advertisers, religious leaders, and politicians, joy can seem disquieting, even offensive. How does one speak of joy amid such ubiquitous injustice and suffering in the world? In this revelatory anthology, Wiman takes readers on a profound and surprising journey through some of the most underexplored terrain in contemporary life. Rather than define joy for readers, he wants them to experience it. Ranging from Emily Dickinson to Mahmoud Darwish and from Sylvia Plath to Wendell Berry, he brings together diverse and provocative works as a kind of counter to the old, modernist maxim "light writes white"--no agony, no art. His rich selections awaken us to the essential role joy plays in human life.

----- A lost starship... A dire warning from futures past... A desperate search for salvation... ----- Captain Mitchell "Ares" Williams is a Space Marine and the hero of the Battle for Liberty, whose Shot Heard 'Round the Universe saved the planet from a nearly unstoppable war machine. He's handsome, charismatic, and the perfect poster boy to help the military drive enlistment. Pulled from the war and thrown into the spotlight, he's as efficient at charming the media and bedding beautiful celebrities as he was at shooting down enemy starfighters. After an assassination attempt leaves Mitchell critically wounded, he begins to suffer from strange hallucinations that carry a chilling and oddly familiar warning: They are coming. Find the Goliath or humankind will be destroyed. Convinced that the visions are a side-effect of his injuries, he tries to ignore them, only to learn that he may not be as crazy as he thinks. The enemy is real and closer than he imagined, and they'll do whatever it takes to prevent him from rediscovering the centuries lost starship. Narrowly escaping capture, out of time and out of air, Mitchell lands at the mercy of the Riggers - a ragtag crew of former commandos who patrol the lawless outer reaches of the galaxy. Guided by a captain with a reputation for cold-blooded murder, they're dangerous, immoral, and possibly insane. They may also be humanity's last hope for survival in a war that has raged beyond eternity.

Like very good dark chocolate this is a delicious novel, with a bitter-sweet flavour. Vimbai is a hairdresser, the best in Mrs Khumalo's salon, and she knows she is the queen on whom they all depend. Her situation is reversed when the good-looking, smooth-talking Dumisani joins them. However, his charm and desire to please slowly erode Vimbai's rancour and when he needs somewhere to live, Vimbai becomes his landlady. So, when Dumisani needs someone to accompany him to his brother's wedding to help smooth over a family upset, Vimbai obliges. Startled to find that this smart hairdresser is the scion of one of the wealthiest families in Harare, she is equally surprised by the warmth of their welcome; and it is their subsequent generosity which appears to foster the relationship between the two young people. The ambiguity of this deepening friendship - used or embraced by Dumisani and Vimbai with different futures in mind - collapses in unexpected brutality when secrets and jealousies are exposed. Written with delightful humour and a penetrating eye, *The Hairdresser of Harare* is a novel that you will find hard to put down.

The Loyal Subject is a Jacobean era stage play, a tragicomedy by John Fletcher that was originally published in the first Beaumont and Fletcher folio of 1647. Scholars have devoted significant attention to the question of Fletcher's sources for his play. Fletcher modeled his play on an earlier work by Thomas Heywood titled *The Royal King and the Loyal Subject*, first published in 1637 but written two or three decades earlier. He also used a play by Lope de Vega called *El gran duque de Moscovia*, written c. 1613. An extensive study of the relationship between the plays of Fletcher and Lope de Vega and their background in Russian history has been published by Ervin Brody.

An autobiographical portrait of a gay Arab man, living between cultures, seeking an identity through love and writing. I had to rediscover who I was. And that's why I left the apartment.... And there I was, right in the heart of the Arab world, a world that never tired of making the same mistakes over and over.... I had no more leniency when it came to the Arab world... None for the Arabs and none for myself. I suddenly saw things with merciless lucidity.... —An Arab Melancholia Salé, near Rabat. The mid 1980s. A lower-class teenager is running until he's out of breath. He's running after his dream, his dream to become a movie director. He's running after the Egyptian movie star, Souad Hosni, who's out there somewhere, miles away from this neighborhood—which is a place the teenager both loves and hates, the home at which he is not at home, an environment that will only allow him his identity through the cultural lens of shame and silence. Running is the only way he can stand up to the violence that is his Morocco. Irresistibly charming, angry, and wry, this autobiographical novel traces the emergence of Abdellah Taïa's identity as an openly gay Arab man living between cultures. The book spans twenty years, moving from Salé, to Paris, to Cairo. Part incantation, part polemic, and part love letter, this extraordinary novel creates a new world where the self is effaced by desire and love, and writing is always an act of discovery.
