About the Novel: Hatchet is a Newbery Honor winning story about a boy surviving a plane crash in the Canadian wilderness. Miles off course, Brian must wait out the search for him while surviving in the harsh environment. With nothing but a hatchet his mother gave him, Brian soon discovers his greatest tool for survival is himself. A bear, porcupine, moose and even tornado threaten to hinder Brian's attempt at survival; however, he manages to make a shelter for himself, weapons, and finally a fire. With these tools, Brian must hunt and gather food and water in order to stay alive while he waits for a rescue plane to find him.

These leveled discussion questions about Hatchet require students to read closely, make connections, and share their analyses. Included are leveled comprehension questions and suggested answers. After being marooned on an island near New Zealand, Jack, an orphaned cabin boy from San Francisco, becomes allied with a group of dogs who protect the local sheep from wild dogs.

Guess what -- Gary Paulsen was being kind to Brian. In Guts, Gary tells the real stories behind the Brian books, the stories of the adventures that inspired him to write Brian Robeson's story: working as an emergency volunteer; the death that inspired the pilot's death in Hatchet; plane crashes he has seen and near-misses of his own. He describes how he made his own bows and arrows, and takes readers on his first hunting trips, showing the wonder and solace of nature along with his hilarious mishaps and mistakes. He shares special memories, such as the night he attracted every mosquito in the county, or how he met the moose with a sense of humor, and the moose who made it personal. There's a handy chapter on "Eating Eyeballs and Guts or Starving: The Fine Art of Wilderness Nutrition." Recipes included. Readers may wonder how Gary Paulsen survived to write all of his books -- well, it took guts.

The Literature for Learning Standards-Based Study Guide was developed to help bring back the joy of reading novels into the classroom. This study guide uses an entire novel rather than an abridged version to teach students the fundamentals of reading, writing, and grammar as a primary or secondary source for learning many of the content standards in language arts. This study guide provides practice activities to help students improve reading comprehension skills, increase vocabulary, develop essay organizational and writing skills, and improve spelling, grammar, and punctuation skills within the context of the novel. The format of the study guide is modeled after the types of questions commonly found on standardized tests. This format is stylized in a comparable layout and contains similar terminology used in state and national standardized tests so that students become familiar with the types of questions on which they will be tested, based on their grade-level standards.

The threatened species categories used in Red Data Books and Red Lists have been in place for almost 30 years. The IUCN Red List Categories and Criteria provide an easily and widely understood system for classifying species at high risk of global extinction, so as to focus attention on conservation measures designed to protect them. This latest version of the classification system was adopted by the IUCN Council in February 2001 and reflects comments from the IUCN and SSC memberships and the final meeting of the Criteria Review Working Group.

Are you thinking of having your class read Gary Paulsen's novel, HATCHET? Do you need worksheets to assess students' comprehension for each chapter? If yes, the mega 225-page novel study may be of help to you! As a teacher, I was reluctant to read Hatchet to my class, but changed my mind after reading the novel. Some students may love to read about characters having daring adventures in a wilderness setting. HATCHET is a real page-turner and will keep students wanting to read more when their other work is done! It is a Canadian story about a thirteen year-old boy who flies north to visit his father for the summer. He has a big secret and it affects him deeply. During the flight north, something happens inside the bush plane and the protagonist is challenged to make a life defying decision. HATCHET is truly a "Coming-of-age" and Bildungsroman novel. What happens to the main character will stir and stay with readers long after they finish the last page. This novel study carefully deconstructs each chapter and pulls from the text information that will cause students to think about their own lives in comparison. There are various types of questions that utilize Howard Gardner's Intelligences, prompt online internet research, stimulate classroom discussions and encourage higher-level learning. Students learn to analyze, synthesize and sift data by filling in the blanks, circling true or false questions, selecting from a multiple choice, or providing his/her personal opinion. It is an excellent novel study for your upcoming term!

activities, diagrams, visual organizers, note-taking exercises, and essential questions! With sections aimed at citing evidence from the text, this study guide for Hatchet is up to date with Next Generation, 21st Century, and Common Core skill requirements. This study guide for Hatchet can be used as BOTH a study guide for readers/students AND an instructional guide for teachers. It is the perfect companion to introducing literature in any classroom! Master the material and ace any assignment with this innovative study guide series. This book is perfect for both students and teachers, as it produces true mastery of content knowledge and book details. Other study guides for Hatchet simply give basic details of the novel, meaning that students read over material without digesting or learning it. Other study guides take complex themes, concepts, and information and just regurgitate it to readers. But, this Study Guide for Hatchet is different. Using the original text as a guide, you will learn to cite evidence from the text in order to complete and reflect on your reading. Readers will self-generate additional notes within the structure provided by this Study Guide. Designed by a veteran educator, this study guide for Hatchet GUIDES the learner to discovering the answers for themselves, creating a fully detailed study guide in the user's own words. Filled with guided reading activities, students are able to fill this guidebook with their own information. If you read it, write it, and reflect on it, you will learn it! Teachers: Besides being a great lesson plan or activity resource, you can also purchase a set of these books (or one book and make copies) for your entire class. It makes the perfect guided reading activity for Hatchet and will teach students how to internalize the reading, note taking, and learning process that advanced readers naturally perform. These make the perfect workbook to keep your class engaged and learning!

You ever open your locker and find that some joker has left something really weird inside? Seventh-grader Dorso Clayman opens his locker door to find a dead body. Thirty seconds later it disappears. It's not the first bizarre thing that has appeared in his locker and then vanished. Something's going on. Somebody has decided to make Dorso and his buddy Frank the target of some strange techno-practical jokes. The ultimate gamesters have hacked into the time line, and things from the past are appearing in the present. Soon, the jokes aren't funny anymore—they're dangerous. Dorso and Frank have got to beat the time hackers at their own game by breaking the code, before they get lost in the past themselves.

Nuclear disaster and human vulnerability interweave in the lives of four young people, an Ojibway Indian, an illegal Mexican migrant worker, a rock musician, and a sheep rancher's daughter with the lives of three veterans of past wars. They are four different people with four separate lives: Sue, a young woman distanced from her native roots; David, a traveler in search of a dream; Laura, a student seeking her parents' understanding; and Peter, a rock star struggling to create the perfect sound. One looming fate threatens them all. And everything they love may be taken away in one fleeting second....

"Author Gary Paulsen portrays a series of life-altering moments from his turbulent childhood as his own original survival story. If not for his summer escape from a shockingly neglectful Chicago upbringing to a North Woods homestead at age five, there never would have been a Hatchet. Without the encouragement of the librarian who handed him his first book at age thirteen, he may never have become a reader. And without his desperate teenage enlistment in the Army, he would not have discovered his true calling as a storyteller"--

With Halloween approaching, Junie B. needs to find a costume that will scare off the real witches and ghosts that she believes will be out on the holiday. Reprint.

Only 13, John must track a deer in the Minnesota woods for his family's winter meat, and in doing so finds himself drawn to the doe he's been tracking and hating his role as hunter.

Based on an Athabaskan Indian legend passed along for many generations from mothers to daughters of the upper Yukon River Valley in Alaska, this is the suspenseful, shocking, ultimately inspirational tale of two old women abandoned by their tribe during a brutal winter famine. Though these women have been known to complain more than contribute, they now must either survive on their own or die trying. In simple but vivid detail, Velma Wallis depicts a landscape and way of life that are at once merciless and starkly beautiful. In her old women, she has created two heroines of steely determination whose story of betrayal, friendship, community and forgiveness "speaks straight to the heart with clarity, sweetness and wisdom" (Ursula K. Le Guin).

After having survived alone in the wilderness, Brian finds that he can no longer live in the city but must return to the place where he really belongs.

Miss Angela Michaels, the new karate teacher in Bailey City, who is also the school crossing guard, is so kind and generous that Melody becomes convinced that she is a guardian angel.

Original.

Instead of being rescued from a plane crash, as in the author's book "Hatchet," this story portrays what would have happened to Brian had he been forced to survive a winter in the wilderness with only his survival pack and hatchet.

Because of his success surviving alone in the wilderness for fifty-four days, fifteen-year-old Brian, profoundly changed by his time in the wild, is asked to undergo a similar experience to help scientists learn more about the psychology of survival.
