Student Resource CD: Bundled with the book, this CD includes video clips and discussion questions that correlate with important chapter concepts. Web-based student study site This interactive study site provides practice tests, flashcards, chapter summaries, links to NCTE/IRA and state-specific Language Arts standards, and much more. Instructor Resources on CD: Available by contacting SAGE Customer Care at 1-800-818-SAGE (7243), this CD for instructors offers resources such as lecture outlines, PowerPoint slides, a test bank, and sample syllabi for semester and quarter courses. Intended Audience This book is intended for undergraduate and graduate courses in elementary language arts methods, which teaches pre-service teachers and licensure/certification candidates specifically how to teach their students the basics of the six language arts – reading, writing, listening, speaking, viewing, and visually representing.

50 Essential Lessons is the result of the lessons Jim Burke learned while asking himself how to teach his students the skills they needed to succeed in school and in the larger world. Anchored in standards shared by a range of national literacy documents, these lessons focus on the core cognitive and personal skills - reading, writing, speaking and listening, taking notes, taking tests, and managing oneself - required on state tests and college entrance exams. Whether used to enhance your English Language Arts curriculum or as a stand-alone resource, 50 Essential Lessons will help you teach your students the academic essentials. Components: 50 Essential Lessons (book of lessons) presents 50 standards-based lessons organized around the cognitive and personal skills students need for success in school and beyond. Tools and Texts for 50 Essential Lessons provides a bank of teaching tools and lesson-related readings in a clear, reproducible format. Tools for 50 Essential Lessons CD - ROM organizes the charts, forms, and other teaching tools in an electronic format that is easy to scan and print. Key Features Lesson preview notes situate the lesson into your English Language Arts curriculum and provide the information needed to jump in and get started. The Teach section of each lesson offers Jim's teaching demonstration, chronicling his teaching moves and language in a model lesson. The Assess and Extend section of each lesson lists strategies for reinforcing or extending student learning and plans to help you tailor the lesson to the needs of your particular students. Learn more about 50 Essential Lessons by visiting <http://www.50essentiallessons.com>.

One of the glories of Elizabethan drama: Marlowe's powerful retelling of the story of the learned German doctor who sells his soul to the devil in exchange for knowledge and power. Footnotes.

Children learn reading, grammar, vocabulary, spelling, writing, research, study skills, and more.

A guide to help teachers reach struggling readers offers practical strategies, classroom skills, and activities.

Elements of Language 2009 provides practical teaching strategies, differentiated instruction, and engaging presentation tools that offer more ways to reach more students than ever before. In partnership with teachers like you, Holt created Elements of Language to provide practical teaching strategies for today's challenging classroom, innovative ways to differentiate instruction, and streamlined technology tools. Designed with your students in mind, this program offers you the flexibility and options to manage your diverse classroom. - Publisher.

David Crystal's classic English as a Global Language considers the history, present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures. Written in a detailed and fascinating manner, this is a book written by an expert both for specialists in the subject and for general readers interested in the English language.

From one of America's most popular short story writers and an Academy Award nominee: the O. Henry Award-winning tale that inspired the movie *The Hunt*. A subject of mysterious rumors and superstition, the deserted Caribbean Island was shrouded in an air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale “has inspired serial killers, films and stirred controversy in schools. A century on, the story continues to thrill” (*The Telegraph*). “[A] tense, relentless story of man-against-man adventure, in which the hunter Sanger Rainsford learns, at the hands of General Zaroff, what it means to be hunted.” —*Criterion*
