There's something eerily unsettling about Ottessa Moshfegh's stories, something almost dangerous while also being

delightful – and often even weirdly hilarious. Her characters are all unsteady on their feet; all yearning for connection and betterment, in very different ways, but each of them seems destined to be tripped up by their own baser impulses. What makes these stories so moving is the emotional balance that Moshfeqh achieves – the way she exposes the limitless range of self-deception that human beings can employ while, at the same time, infusing the grotesque and outrageous with tenderness and compassion. The flesh is weak; the timber is crooked; people are cruel to each other, and stupid, and hurtful, but beauty comes from strange sources, and the dark energy surging through these stories is oddly and powerfully invigorating. One of the most gifted and exciting young writers in America, she shows us uncomfortable things, and makes us look at them forensically – until we find, suddenly, that we are really looking at ourselves.

As Touya's party grows, intense battles and all sorts of intrigue await, but at the end of the day, it's all about having a fun journey across a magical land! Don't miss the latest volume of In Another World With My Smartphone!

Mukouda Tsuyoshi – alias, 'Mukohda' – was an ordinary Japanese salaryman until he was summoned to a fantasy world of swords and magic. Mukohda's unique skill made him the only person in this world with access to modern Japanese products, but the real reason he caught the attention of the legendary magic beast, Fenrir, was his ability to cook delicious food! Now with a ludicrously overpowered Fenrir and a baby slime in tow, Mukohda and friends continue their laid-back journey in search of easy-living in a new kingdom. In spite of his best efforts, it seems Mukohda can't help but get wrapped up in the adventurer lifestyle. Will this reluctant "hero" win fame, fortune, and fair maidens while he tries to fly under the radar? With food this good, he's bound to make new friends whether he likes it or not — much to the dismay of his number 1 fan, Ninrir, the goddess with a sweet tooth. Unfortunately for her, she isn't the only denizen of the divine realm to take notice of Mukohda's access to otherworld goods and sweets, and the other goddesses might have demands of their own!

The manga adaptation of the hit light novel *A tough girl in a fantasy world* does what she can to stay alive in this biting isekai satire. The otaku boys get to have adventures when they're hit by the inevitable truck and find themselves in yet another fantasy world. The girls, on the other hand...well, Haru finds out the hard way when her classmate Chiba gets the two of them truck-murdered into a fantasy world that treats women even worse than our world does. But a girl's gotta do what she can to make the cash for survival, and Haru? She intends to thrive.

Thanks to her ability to freely travel between worlds, Mitsuha's business is booming. One day, she witnesses a group of men trying to abduct one of her female customers. Mitsuha stops them with her stun gun, taking the opportunity to deliver a cool line she has always wanted to say... "I am the Lightning Archpriestess! Those in my way deserve no mercy!" After dealing with the would-be kidnappers, she discovers that the girl she saved is actually a princess! Just as Mitsuha tries to flee the scene, she is invited to the royal palace. Just how will our general store manager fare when called to an audience with the king?

Mitsuha Yamano falls off a cliff, at which point she finds herself transported to some sort of medieval European fantasy world! While there, during a battle with some wolves that almost costs her her life, she realizes that she has the ability to come and go between Earth and this new world. Mitsuha decides to use this ability as much as she can. Why? To save up for retirement, of course! She sets her sights on saving eighty thousand gold coins--and this is the story of her schemes to get there!

16-year-old Mochizuki Touya has it all. Grand Duke of an upstart nation, inventor of goods ranging from hula hoop to caramelized popcorn, administrator of Babylon, and pilot of the Anti-Phrase Frame Gears. The western nations love him... but darker machinations unfurl in the far east. Yulong, the glorious Empire of Heaven, regards Touya with envious eyes, brazen enough to send assassins into Brunhild! To make matters worse, the mysterious young girl known as Sakura seems to have a connection with these dark assailants. In the background, dark forces gather. Something big approaches. Something far greater than anything Touya has ever faced before. Brace yourself... for a tale of swords, sorcery, and absolute calamity.

My Life in Another World Sucks is an Isekai deconstruction. It takes what is perhaps one of the most popularized genres from the orient and goes away with the most common of its tropes; no LITRPG statistics, no Cheat Skills, no hidden Game Mechanics for the protagonist, whose name 'Hum', is on one hand the abbreviation of Human and on the other also one that changes throughout the story. Hum remembers a past life in another, better world, but all he has on him are the clothes typical of the country he is in, and a back-breaking job in a clay mine. As a raiding party composed of both humans and beast folks raids the village and takes him as a slave, his main prerogative isn't to achieve the Harem of his dreams, or incredible cosmic powers. It's to endure the hardships ahead of him, and find a place where he can truly belong.

The Duchy of Brunhild is abuzz with confusion as a great airship appears in the sky, bringing with it a group of curious Golem engineers! But what do these mysterious Seekers want with Yumina's white crown? And just what secrets lurk within the ancient ruins of Gandhilis? More importantly, will Yakumo ever come home? Hold fast for a tale of swords, sorcery, and mechanical marvels!

It's time for the Duchy of Brunhild to host a national festival, and Mochizuki Touya is smack-bang in the middle. World leaders are in attendance, nobility, traveling adventurers... And even God himself has seen fit to grace the mortal realm with his presence. What will Touya do when the big man upstairs comes downstairs for a change? More importantly, will he have enough dessert?! Meanwhile, in the Reverse World, tragedy strikes... An unusual purple Golem surfaces alongside a strange, depraved woman... Their actions paint an otherwise calm marketplace deep crimson... Put on your party hats for a tale of swords, sorcery, and tasty snacks!

After Touya Mochizuki is struck down by a poorly aimed divine bolt of lightning, God wants to make it up to him by giving him a new life in an unfamiliar world! And to sweeten the deal... Touya even gets to take his phone with him! Not only does he receive a huge boost to his physical and magical abilities, he's now got a ton of info about his new home at his fingertips. With his trusty smartphone in hand, he sets off for the nearest town to begin his adventure!

Once the timequake starts, it doesn't stop! Right when poor Touya's adjusting to being a dad, he's bombarded with more children! What kind of mischief will these time-travelling tykes get into next...? And what dark machinations might unfurl while our hapless hero is distracted with paternal precautions? Keep on reading for a story of swords, sorcery, and parental peril!

After a freak accident involving some lightning winds up zapping him dead, 15-year-old Mochizuki Touya wakes up to find himself face-to-face with God. "I am afraid to say that I have made a bit of a blunder..." laments the old coot. But all is not lost! God says that he can reincarnate Touya into a world of fantasy, and as a bonus, he gets to bring his smartphone along with! So begins Touya's adventure in a new, anachronistic pseudo-medieval world. Friends! Laughs! Tears! Inexplicable Deus ex Machina! He sets off on a journey full of wonder as he absentmindedly travels from place to place, following whatever goal catches his fancy. The curtains lift on an epic tale of swords, sorcery, and smartphone apps!

A new dungeon, and a new meeting!? Mukohda, the salaryman who was brought from modern Japan to another world because he was caught in a "Hero Summoning," along with his familiars Fel, Sui, and Dora-chan, enjoyed their fill of seafood at the seaside town of Berléand. Finally, they set off for the dungeon city of Aveling, just as he promised Fel! But before that, Mukohda asks for information about the dungeon from the gods... and hearing that many undead wander the dungeon, Mukohda starts to get cold feet again. To get Mukohda into the dungeon, the gods come up with a spectacular gift. (All for a new Tenant in Mukohda's Online Supermarket...) Reaching Aveling, Mukohda's party attempts to enter the dungeon with a veritable mountain of prepared food. However, a certain off-putting elf awaits Dora-chan! And even further into the dungeon, another wonderful meeting awaits our hero.....! The super-popular, absurd, otherworld adventure continues in the 6th volume!

Mukohda's latest adventure has given him a major windfall. But with more money comes more...goddesses, each vying for a slice of his supermarket pie in exchange for their blessings. What's a man to do when he's suddenly drowning in wealth and power? Start a business? Go on more adventures (or have adventure come to him)? How about looking into the one luxury he might value almost as much as good food?

After a series of troubling events, Mochizuki Touya takes some much-needed downtime. The fate of two worlds still hangs in the balance, he needs to secure more allies in the Reverse World, and Yula and the wicked god continue their dark machinations in the background, but that doesn't mean that our hero can't take a little time for romance and relaxation. But unbeknownst to our crew, another god may have set his eyes on the mortal realm... Lovers waltz and blades clash, unveiling a story of swords, sorcery, and fun in the sun!
