A collection of the inspiring words and wisdom from America's favorite businessman that reveal his secrets of success from the bestselling authors of *Buffettology* and *The New Buffettology*. Like the sayings of the ancient Chinese philosopher Lao-tzu, Warren Buffett's worldly wisdom is deceptively simple and enormously powerful in application. In *The Tao of Warren Buffett*, Mary Buffett—author of three books on Warren Buffett's investment methods—joins noted Buffettologist and international lecturer David Clark to bring you Warren Buffett's smartest, funniest, and most memorable sayings with an eye toward revealing the life philosophy and the investment strategies that have made Warren Buffett, and the shareholders of Berkshire Hathaway, so enormously wealthy. Warren Buffett's investment achievements are unparalleled. He owes his success to hard work, integrity, and that most elusive commodity of all, common sense. The quotations in this book exemplify Warren's practical strategies and provide useful illustrations for every investor—large or small—and models everyone can follow. The quotes are culled from a variety of sources, including personal conversations, corporate reports, profiles, and interviews. The authors provide short explanations for each quote and use examples from Buffett's own business transactions whenever possible to illustrate his words at work. As Warren says: "You should invest in a business that even a fool can run, because someday a fool will." "No matter how great the talent or effort, some things just take time: You can't produce a baby in one month by getting nine women pregnant." "Our method is very simple. We just try to buy businesses with good-to-superb underlying economics run by honest and able people and buy them at sensible prices. That's all I'm trying to do." *The Tao of Warren Buffett* inspires, amuses, sharpens the mind, and offers priceless investment savvy that anyone can take to the bank. This irresistibly browsable and entertaining book is destined to become a classic.

In this urgent, authoritative book, Bill Gates sets out a wide-ranging, practical - and accessible - plan for how the world can get to zero greenhouse gas emissions in time to avoid a climate catastrophe. Bill Gates has spent a decade investigating the causes and effects of climate change. With the help of experts in the fields of physics, chemistry, biology, engineering, political science, and finance, he has focused on what must be done in order to stop the planet's slide toward certain environmental disaster. In this book, he not only explains why we need to work toward net-zero emissions of greenhouse gases, but also details what we need to do to achieve this profoundly important goal. He gives us a clear-eyed description of the challenges we face. Drawing on his understanding of innovation and what it takes to

get new ideas into the market, he describes the areas in which technology is already helping to reduce emissions, where and how the current technology can be made to function more effectively, where breakthrough technologies are needed, and who is working on these essential innovations. Finally, he lays out a concrete, practical plan for achieving the goal of zero emissions-suggesting not only policies that governments should adopt, but what we as individuals can do to keep our government, our employers, and ourselves accountable in this crucial enterprise. As Bill Gates makes clear, achieving zero emissions will not be simple or easy to do, but if we follow the plan he sets out here, it is a goal firmly within our reach.

We can become our own person and a strong one at that. We can acquire the simple skills that help us step up to greater challenges and reap rewards we may never have even dreamed of. Finding the Best Inside will help you discover the inner you and to release your natural energy in such a way that your life will be changed markedly, for good and forever. This is a book that shows you how to lose those things that stifle your journey through life and take on board positive attitudes and beliefs that make both the journey and the arrival so much sweeter and beneficial.

This book chronicles a journey of a patient and her advocate through a problematic health care system while dealing with a life-threatening illness. After reading It's Not Over 'Til God Says It's Over, you will be compelled to question medical decisions you believe to be incorrect, confusing, or detrimental to you or a loved one. It might even save a life. CF Anderson is a wife, mother, and daughter who gained extensive experience as a caregiver. She spent 25 years as a 9-1-1 dispatcher in a large metropolitan area; many of those years included training dispatchers and other public safety personnel. Anderson was a paid-on-call firefighter and first responder for six years, which included fighting fires and educating the public about fire safety. With her varied background, she gained the confidence needed to question decisions made by medical personnel. This knowledge, coupled with stubborn tenacity, served her well when her mother was diagnosed with an advanced stage of cancer in November of 2010.

'It's not over until it's over' are stories from Michael Weaver`s extraordinary adventure through life, so far. There are real mountains to climb, business peaks to conquer and the foothills of local government to challenge. With collapsing ladders, epic fires and more homes than you can count, Michael is in deep debt to his family and friends for their support in his rip-roaring journey through life. There's bound to be more to come, meanwhile as he says, 'never give up'.

Ambition will fuel him. Competition will drive him. But power has its price. It is the morning of the reaping that will kick off the tenth annual Hunger Games. In the Capitol, eighteen-year-old Coriolanus Snow is preparing for his one shot at glory as a mentor in the Games. The once-mighty house of Snow has fallen on hard times, its fate hanging on the slender chance that Coriolanus will be able to outcharm, outwit, and outmaneuver his fellow students to mentor the winning tribute. The odds are against him. He's been given the humiliating assignment of mentoring the female tribute from District 12, the lowest of the low. Their fates are now completely intertwined - every choice Coriolanus makes could lead to favor or failure, triumph or ruin. Inside the arena, it will be a fight to the death. Outside the arena, Coriolanus starts to feel for his doomed tribute . . . and must weigh his need to follow the rules against his desire to survive no matter what it takes.

A mysterious healer with ancient secrets. A deadly game of deception and betrayal. A frantic hunt for truth and love. From outer appearances, Lindy Lee has it all: a successful career as a pediatrician, a gorgeous husband that adores her, and the son that she always wanted. Just when she thinks all is safe and secure in her world, Nick Lewis, the man who betrayed her love reappears after ten years and her life spins out of control. Lindy's career, her son's health and marriage spiral downhill as she is pursued relentlessly by Nick and attacked by the same people who years earlier had ridiculed her for her spiritual beliefs. It is not until she comes in contact with a mysterious healer that she and the others tied together by their secret passions, greed and religious beliefs are forced to face long-buried hurts. But Lindy Lee is hiding

behind a past that . Betrayed by her family and the man she loved, she harbors feelings of anger and distrust. Former FBI-profiler Eva Rae Thomas is back in a heart-pounding novel of suspense. It's so shocking it'll have you sleeping with your lights on. Peter and Mary Marshall went on a vacation with their son and daughter but returned without their children. They went missing from their hotel room one night while the couple was downstairs in the restaurant for dinner. They never saw them again. Ten years later, the Marshalls have put the murder of their children behind them, moved to a different state, and had another child, a son. When he disappears during a vacation trip to Florida, the parents are suddenly in the limelight again. Public opinion seems to be that this can be no coincidence. These things don't happen twice to the same people, do they? Former FBI-profiler, Eva Rae Thomas is doing well in her life, and things are calm until an FBI agent suddenly shows up, asking for her help with the case of the missing child. The kidnapper seems to have a message for Eva Rae since she was the one who supposedly solved the case ten years ago. As she digs into the disappearance of the boy, racing to save the child's life, she realizes this psychopathic killer lurking in the shadows has unfinished business, and he's not stopping till his debt is paid in full. IT'S NOT OVER is the sixth book in the Eva Rae Thomas Mystery Series.

Here is Les Brown's personal formula for success and happiness -- positively charged thoughts, guidance, examples, plus an Action Planner to help you focus your thoughts on specific goals...and achieve them all. The answers are all here in this astonishing book -- with one simple, powerful message: We may not always be able to control what is put in our path, but we can always control what we are...and what we will become.

until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

The greatly anticipated final book in the New York Times bestselling Hunger Games trilogy by Suzanne Collins.

Lists the meaning and origin of more than 1,700 traditional and contemporary English proverbs.

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

A NEW YORK TIMES BESTSELLER A Good Morning America, FabFitFun, and Marie Claire Book Club Pick “In Five Years is as clever as it is moving, the rare read-in-one-sitting novel you won’t forget.” —Chloe Benjamin, New York Times bestselling author of *The Immortalists* ?Perfect for fans of *Me Before You* and *One Day*—a striking, powerful, and moving love story following an ambitious lawyer who experiences an astonishing vision that could change her life forever. Where do you see yourself in five years? Dannie Kohan lives her life by the numbers. She is nothing like her lifelong best friend—the wild, whimsical, believes-in-fate Bella. Her meticulous planning seems to have paid off after she nails the most important job interview of her career and accepts her boyfriend’s marriage proposal in one fell swoop, falling asleep completely content. But when she awakens, she’s suddenly in a different apartment, with a different ring on her finger, and beside a very different man. Dannie spends one hour exactly five years in the future before she wakes again in her own home on the brink of midnight—but it is one hour she cannot shake. *In Five Years* is an unforgettable love story, but it is not the one you’re expecting.

Maurice Rickman lived a life of crime and, as a consequence, spent 16 years in prison. In this book, Maurice shares the various mental and emotional coping strategies he used to overcome his challenges.

In this young readers edition of the international bestseller, Nike founder and board chairman Phil Knight 'offers a rare and revealing look at the notoriously media-shy man behind the swoosh' (Booklist), opening up about how he went from being a track star at an Oregon high school to the founder of a brand and company that changed everything. You must forget your limits. It was only when Phil Knight got cut from the baseball team as a high school freshman that his mother suggested he try out for track instead. Knight made the track team and he found he could run fast and even more he liked it. Ten years later, young and searching, Knight borrowed fifty dollars from his father and launched a company with one simple mission: import high-quality running shoes from Japan. Selling the shoes from the boot of his car to start, he and his gang of friends and runners built one of the most successful brands ever. Phil Knight encountered risks and setbacks along the way, but always followed his own advice. Just keep going. Don't stop. Whatever comes up, don't stop. Filled with wisdom, humanity, humour and

heart, the young readers edition of the bestselling Shoe Dog is a story of determination that inspires all who read it. This is an abridged edition of the internationally bestselling adult book, but in addition it includes new frontmatter and backmatter, an introduction to the younger reader and 'A Letter to the Young Reader' that provides advice from Phil Knight for the battles that lie ahead for young people.

In the act of writing this book I have found many consistencies in our lives that are relevant to God's word. I owe my life to God. What words we speak then that will become of ourselves. Of we expect mental breakdown, loss of our dreams; then that shall it be. We must wake up with an agenda. Have a course of action when arising from the bed. If you speak words that delay your success then that becomes a day of loss. How many of those can you handle? As long as your mind fulfills the capacity of not changing, staying in the same situation, not building a foundation, you will find yourself on the course of destruction. Let me tell you this right now you are more than what you think about yourself, you are more than what your relationships are, you are more than that house payment, you are more than what that car makes you think you are, in fact think of those times your life should have been over but you are still here. Keep getting up again and again till you get it right. You will have indications that will bring you to a greater purpose. Refuse to let the challenges of life bring you down. Never let the mastery of failure discourage your right to speak, to live and to bring existence to your honor so that others can learn. Be challenged for the right reasons.

Disappointed with your life? Worried you'll never achieve your dreams? Don't be discouraged; it's not over! As children, we dream of someday being a superhero or an astronaut, a parent or a business owner, an actress or a sports star. The more outrageous the dream, the more sure we are that it will happen! Yet as we mature, hardships, hurts, and failures chip away at our dreams. Our past longings can seem like the naive wishes of childhood instead of the foundation of the life we were meant to live. In *It's Not Over*, pastor Joshua Gagnon, founder of the Next Level Church network, reminds us that we were born to dream—and to dream big. In fact, our dreams have the power to shape our lives. Join Joshua in discovering the answers to these questions and many more: How does dreaming help you discover your purpose? How do you identify whether a dream is even worth chasing? How do you overcome resistance, criticism, and doubt? How do you pray bold prayers when you don't feel like praying at all? How do you finish strong on the journey toward your dream? If you find yourself minimizing your dreams or feeling defeated by inner or outer resistance, there is good news: it's not over! As long as you have breath in your lungs, God has a dream for you to chase. It's what you were created for. And you can start today.

New York Times Bestseller, Corinne Michaels, brings a sexy new standalone romance novel. I have two rules in life: 1. No relationships, falling in love or attachments. 2. No sleeping with clients of my interior design firm. Since the last guy turned out to be married, they've been easy to follow. Until him. Callum Huxley is a ridiculously sexy Brit, and the connection we have the moment our eyes lock scares the ever-loving hell out of me. Thank God I came to my senses before going back to his hotel where I would've ended up naked, panting, and unable to forget him. Thinking I walked away from that night unscathed was stupid. Sure enough, at the biggest meeting of my career waits the CEO of Dovetail Enterprises—him. It might be the most embarrassing moment of my professional life. And breaking my no-client rule might just be the hottest moment of my personal life. Learning to trust has never felt so good, but falling has never hurt so bad.

This work concentrates on the texts and narratives of more than 30 major operas, analyzing their cultural implications in demonstrating how they have contributed to the construction of a popularized feminine identity. It shows, for example, how 19th-century opera perpetuates a social order which requires either the death or the domestication of the female protagonist."

GwenLately, life definitely isn't how I envisioned it. I had it all. The house, the job, the husband. Until one day, I didn't. A REESE WITHERSPOON BOOKCLUB PICK 'The Paper Palace takes us deep into a vivid summer landscape, a family, and a private, longstanding love story, and holds us there from start to finish' Meg Wolitzer, bestselling author of *The Wife* and *The Female Persuasion* 'Earthy, intoxicating, shimmering' Sunday Times Before anyone else is awake, on a perfect August morning, Elle Bishop heads out for a swim in the glorious freshwater pond below 'The Paper Palace' -- the gently decaying summer camp in the back woods of Cape Cod where her family has spent every summer for generations. As she passes the house, Elle glances through the screen porch at the uncleared table from the dinner the previous evening; empty wine glasses, candle wax on the tablecloth, echoes of laughter of family and friends. Then she dives beneath the surface of the freezing water to the shocking memory of the sudden passionate encounter she had the night before, up against the wall behind the house, as her husband and mother chatted to the guests inside. So begins a story that unfolds over twenty-four hours and across fifty years, as decades of family legacies, love, lies, secrets, and one unspeakable incident in her childhood lead Elle to the precipice of a life-changing decision. Over the next twenty-four hours, Elle will have to decide between the world she has made with her much-loved husband, Peter, and the life she imagined would be hers with her childhood love, Jonas, if a tragic event hadn't forever changed the course of their lives.
