Not many would dare to take challenging decisions in life when life itself is full of uncertainties and confusions. But I had to; may be because of my birth as the eldest daughter to a typical Indian middle class family which was surmounted by a variety of problems and the responsibilities attached therewith. But the Way I tread never deceived me, rather I was led to a glorious place called the Parliament of India about which I have never dreamt of. The Way is the inspiring account of my life which vividly portrays the struggles I had to face to reach this place from a humble beginning. Though circumstances were not in my favour, faith in God and willingness to move on with optimism helped me to achieve success in life. Jesus had been my counselor during the difficult period of life and set my Way because He Himself is the Way. My life is a wakeup call for the readers to move on in life in spite of various unfavorable situations and to assure that all the sorrows and uncertainties will be transformed into joy and peace soon.
