I have all of them! I'm an oboe and double bass teacher (I know!) based in Dublin, and I am very much a Christmas enthusiast. I'm known among my students for wearing Christmas socks 365 days a year (they've checked!!) I've taken on some double bass students this year, and I'll be buying your double bass Xmas duets to play with them. Given the brilliance of the oboe books, I'm really looking forward to it. Many thanks and keep up the good work! Eimear Hi there! I have been wishing for a long time there was such a thing as instrument specific theory books, and now I've found them. I intend to get your whole selection of flute books- they are excellent. I just wanted to tell you how great I think your books are! xxx Janine The children are loving the books! Particularly my little violinist who needs a fair amount of encouragement to get practising but he's so excited about Christmas that I can't stop him sight reading his way through the carols...!! Clare May I say how pleased I was to find that you now produce a piano accompaniment to go with the flute/clarinet parts. Now that I have the piano part it will make our playing even better. Many thanks. Sylvia Your music books are great for beginners and improvers and the duet books are very well constructed. Ellen I am loving your books. Jessie

Includes pieces ranging in style from ethnic folk tunes to Renaissance dances and classical symphonic melodies.

Recorder From The Beginning: Pupil's Book 1 (2004 Edition) is the full-colour revised edition of John Pitts' best-selling recorder course. The eight extra pages in Book 1 have allowed for some new tunes and rounds, whilst retaining the well-known favourites that have helped to make the scheme such an enduring success. This is the book we all learned from as children and is still, successfully, teaching today's youth how to play the Recorder.

Bonanza aired on NBC from September 12, 1959, to January 16, 1973, playing to 480,000,000 viewers in over 97 countries. It was the second longest running western series, surpassed only by Gunsmoke, and continues to provide wholesome entertainment to old and new fans via syndication. This book provides an in-depth chronicle of the series and its stars. A history of the show from its inception to the current made-for-television movies is provided, and an episode guide includes a synopsis of each show and lists such details as the main characters of each episode and the actors who portrayed them, the dates they stayed with the show, date and time of original broadcast, writer, director, producer, executive producer, and supporting cast. Also provided are character sketches for each of the major recurring characters, career biographies of Lorne Green, Pernell Roberts, Dan Blocker, and Michael Landon, brief biographical sketches of the supporting cast, a discography of recordings of the Bonanza theme and recordings of the four major stars, and information on Bonanza television movies.

A total of 35 solos for soprano recorder (advanced) or flute (intermediate). Introduction includes hints for performance in school or church, use with a sound system, fingering chart for recorder high notes, and notes regarding special techniques, such as double tonguing, vibrato and recorder glissando. Final pages are a unique section of carol-specific historical notes, including Internet addresses. Includes all favorite Christmas carols as well as gems from the Oxford Book of Carols. Ideal for use in church services and Christmas-season concerts, or with carolers. These instrumental solos give new meanings to age-old expressions of the Christmas spirit.

A Musical Adventure With Song Patterns and Free Online Audio Tracks! To begin a new adventure, an explorer needs a map. Many individuals would like to start a musical journey, but the inability to read musical notation holds them back. This Music Pattern Song Book was created to give those brave souls a place to begin. It's Easy! All one needs to do is match the color blocks or letters in these musical song patterns to an instrument, and beautiful music can be made. This book works well with xylophones, glockenspiels, recorders, hand bells, piano and more! Any instrument that can play an eight-note C to C scale can be used with this book. Fingering Charts for the recorder and piano are included. All of this book's song patterns are color-coded AND letter-coded, so as long as you know the fingering for the notes of your instrument, you can play along. In these song patterns, it is illuminating to see a visual representation of the sounds that you hear. Each song has structure and repeating patterns, but each one is unique. If you are a student of music theory, these colored patterns may give you a new perspective on the way music is put together. A Place to Begin! Many parents and classroom teachers feel unequipped to teach the next generation about music because they had little opportunity to learn themselves. Sometimes, older adults who missed the chance to play an instrument when they were younger are determined to begin. Music therapists are often looking for tools to bring music to their patients. Children delight in banging the keys of a percussion instrument but need some help to know what to do next. Yet, where does one who has not yet learned to read musical notation begin? Most people can match colors or letters, which makes color and letter coded music song patterns a good place to start. In this book, the songs progress from easy children's tunes to more complicated pieces and duets. Duets are included so that groups can make music together! Benefits! It is well documented that learning to play a musical instrument stimulates multiple areas of the brain and increases the brain's cognitive ability, but it also enhances eye-hand coordination and balance. It can increase math ability and improve reading and comprehension skills as well as listening ability. Playing together in a group boosts leadership and team work skills and teaches discipline. Music fosters self-expression, creates a sense of achievement, relieves stress, and promotes happiness. For Musicians of All Ages! Starting a new activity, no matter what your age, takes courage, resources and support. These song patterns are provided to make it a little easier to take that first musical step! Contents: Greetings; Many Instruments to Play; Beat, Rhythm and Tone; Music Notes and Rhythms; Artistry; Taking it Step by Step The Songs: Jingle Bells, Jolly Old St. Nicholas, Good King Wencesles, Go Tell it on the Mountain, While Shepherds Watched Their Flocks, Up on the Housetop, Deck the Halls, Angels We Have Heard On High, Joy to the World Melody, Joy to the World Harmony, Boyce Hallelujah - A Round, Mozart Alleluia - A Round, Christ Was Born on Christmas Day, I Saw Three Ships, Over the River, It Came Upon a Midnight Clear, Here We Come A-Wassailing, Bring the Torch Jeanette Isabella, The Holly and the Ivy, The First Noel, The First Noel Harmony, We Wish You a Merry Christmas, We wish You a Merry Christmas Harmony Lyrics to All of the Songs are included as well as music instruction, a Recorder Fingering Chart and a Piano Fingering Chart!

(Piano Solo Sheets). This sheet music features an intermediate-level piano solo arrangement of the beloved Beethoven work.

Author Mary Ellen Stepanich, with tongue firmly in cheek, answers the question, "How do you turn a normal, happy-go-lucky, poor, small-town girl of the Midwest into a push-me-pull-me, multi-married, mass-of-inner-conflicts schizophrenic?" In her memoir, she shares the personal (and mostly true) story of her family's dysfunction. The eldest daughter of the family, she started out as an average, happy, and innocent little girl. Her voice was soon crushed, however, by disastrous value programming—the tacit and implicit lessons taught by parents, teachers, peers, relatives, and even the geographical and cultural environment. These learned values can become immutable unless the person receiving them can finally recognize that these behaviors do not benefit their lives—and then boldly choose to ignore them. All Mary Ellen has wanted out of life was someone to listen to her, and now her voice is finally heard. Her tale, one of systematic abuse and silence, is told with refreshing honesty and humor. She was one of a generation born on the cusp between the Great Depression and the New Deal, and as a result she was

programmed to become anything but the confident, assertive adult she has fought to create. In her story, there is hope.

The Complete Children's Recorder Method is the perfect book for young students. The imaginative online audio turns even the simplest one-note exercise into a fun experience, with lyrics accompanying each song. Large notes are used throughout and each melody is attractively illustrated. Clear and concise instructions introduce technique and notation concepts gradually. The book uses many Icelandic and folk songs, some of which may even date from the time of Leif Eriksson! This gives the method a unique flavor and allows the introduction of many unusual melodic and rhythmic elements. The book starts with the six easiest notes on the recorder and the accompaniment will help the student happily gain a solid rhythmic feeling. F-sharp and B-flat fingerings are introduced later, along with duets. Above all, every student will have fun while learning. Includes access to online audio

Written for general music classes, group and private instruction, and self-learners, *Playing the Soprano Recorder* provides teachers and students with a sequential and musical approach to learning Western music notation and soprano recorder playing. In addition, each lesson provides opportunities to apply, in creative ways, the notation and concepts they learn and also to support the development of creative thinking and the tools needed for composing music in Western notation. The teaching materials and pieces presented in the text are extremely musical and satisfying to learn from the first lesson to the last. Students enjoy the richness of ensemble playing. In addition to a practice/performance music website, written piano accompaniments for all 76 pieces are included, many with optional, additional instrumental parts. The words of songs are included for nurturing both singing and instrument playing. The text can be used successfully in multiple and varied settings of teaching and learning, making collaborations between teachers in school, private, after school enrichment, and outreach programs easy. Usage is flexible; as excellent as a college text in teacher preparation and adult general music classes as in third - eighth grade classes due to the "go to your own pace" comprehensive instructional format of the book. Performance of the beautiful ensemble pieces is a natural and desired outcome of "players" learning. Due to the selection of pieces, there are many possibilities for interdisciplinary education as well as expansions of and links to other areas within the discipline of music. All nine of the National Standards for Music Education are supported in this approach.

A Lambda Literary Award Finalist from the author of *Don't Let Me Go*. "[A] gripping tale of love, hate of differences and owning up to who you are."—VOYA Robert Westfall's life is falling apart—everywhere but in math class. That's the one place where problems always have a solution. But in the world beyond high school, his father is terminally ill, his mother is squabbling with his interfering aunts, his boyfriend is unsupportive, and the career path that's been planned for him feels less appealing by the day. Robert's math teacher, Andrew McNelin, watches his best student floundering, concerned but wary of crossing the line between professional and personal. Gradually, Andrew becomes Robert's friend, then his confidante. As the year progresses, their relationship—in school and out of it—deepens and changes. And as hard as he tries to resist, Andrew knows that he and Robert are edging into territory that holds incalculable risks for both of them. J.H. Trumble, author of the acclaimed *Don't Let Me Go*, explores a controversial subject with extraordinary sensitivity and grace, creating a deeply human and honest story of love, longing, and unexpected connection. "The heart of the novel lies in the complicated, nuanced love between student and teacher. Andrew and Robert find solace in each other, daring to risk the consequences of their relationship being discovered."—Publishers Weekly "Moving . . . poignant . . . characters you can't help but root for."—RT Book Reviews (4½ stars) "A page-turner."—Instinct Magazine "The story of Andrew and Robert is one not to be forgotten."—Chris Verleger, contributor, EDGE on th

This book is for kids or adults who are absolute beginners in music. We tried to write it as simply as possible. We use an "easy-to-play" visual aid so any beginner can play music quickly. No previous knowledge is necessary. Every song has a large and simple letter-coded visual, along with traditional sheet music. The instruction is designed so that children begin with simple circles and gradually advance to reading notes using sheet music. We try to make this transition as easy as a game, where children advance to higher levels themselves. There are 22 songs and 2 options to help children begin to play right away. **PLAYING BY LETTER CIRCLE PLAY WITH THE MUSICAL STAFF** The player can first follow the circles and then repeat with the classic note symbols and staff. The helpful letters are always above the notes. There are 3 parts in this book. They are equal to 3 levels. Level 1. Songs that are played in one octave. All songs here appear twice: once written with circles and the next time with classic music notes. This will help kids remember the staff notes. Level 2 In this part, you will find one version with

both circles and notes and a more advanced version of the song with notes and musical notation. For example: Hot Cross Buns - Version 1 - CIRCLES Hot Cross Buns - Version 1 - NOTES Hot Cross Buns - Version 2 - NOTES (Here, the player will play songs in a different key and learn how to transpose.) Generally, the version of the song written with sheet music is a little bit more complex than a letter-coded version. Such versions already have music notations such as rests or beams, etc. You can find an illustrated explanation of the notation at the beginning of this book. Level 3 Here, the first two songs are versions of the same melody (different combinations of notes) written with circles and notes. This is important so that the beginner can see how the same melody can be played in different keys. First of all, this book is addressed to newcomers to the recorder instrument. Also, it is a perfect self-training guide for children and beginner adults to mastering the challenges of flute or recorder.

These Proceedings represent the work of contributors to the 14th European Conference on e-Learning, ECEL 2015, hosted this year by the University of Hertfordshire, Hatfield, UK on 29-30 October 2015. The Conference and Programme Co-Chairs are Professor Amanda Jefferies and Dr Marija Cubric, both from the University of Hertfordshire. The conference will be opened with a keynote address by Professor Patrick McAndrew, Director, Institute of Educational Technology, Open University, UK with a talk on "Innovating for learning: designing for the future of education." On the second day the keynote will be delivered by Professor John Traxler, University of Wolverhampton, UK on the subject of "Mobile Learning - No Longer Just e-Learning with Mobiles." ECEL provides a valuable platform for individuals to present their research findings, display their work in progress and discuss conceptual advances in many different branches of e-

Learning. At the same time, it provides an important opportunity for members of the EL community to come together with peers, share knowledge and exchange ideas. With an initial submission of 169 abstracts, after the double blind, peer review process there are 86 academic papers, 16 Phd Papers, 5 Work in Progress papers and 1 non academic papers in these Conference Proceedings. These papers reflect the truly global nature of research in the area with contributions from Algeria, Australia, Austria, Belgium, Botswana, Canada, Chile, Cov-entry, Czech Republic, Denmark, Egypt, England, Estonia, France, Germany, Ireland, Japan, Kazakhstan, New Zealand, Nigeria, Norway, Oman, Portugal, Republic of Kazakhstan, Romania, Saudi Arabia, Scotland, Singapore, South Africa, Sweden, the Czech Republic, Turkey, Uganda, UK, United Arab Emirates, UK and USA, Zimbabwe. A selection of papers - those agreed by a panel of reviewers and the editor will be published in a special conference edition of the EJEL (Electronic Journal of e-Learning [www.ejel.org](http://www.ejel.org) ).

Smitten in a Small Town blurb The first book in each of MJ Fredrick's three small town series—travel from the Texas coast to a Minnesota lake town in this boxed set! **Bluestone Homecoming** (Welcome to Bluestone Book 1) War correspondent Leo Ericson returns to his hometown of Bluestone Lake, Minnesota, when his parents notify him his young son is having trouble fitting in at school. Leo doesn't know how to be a single parent since the death of his wife, and he certainly has no desire to return to Bluestone. But he needs a place for his son, a place where he'll be with family, while Leo does his job. He'll stay long enough to get Max settled, then go back to work. School counselor Trinity Madison watches Leo struggle with his son, trying to overcome the mental barricade she's erected against the man who sent his son away when he's perfectly capable of caring for the child. The situation brings about her own unsettled feelings about giving her child up for adoption when she was young. But as she observes Leo's difficulties, his sacrifices, she softens toward the man. While he's in town, he ends up working with some old friends and Trinity on a committee to revitalize Bluestone. The former resort town is struggling and looking for ways to bring tourists back. Leo finds himself charmed, then smitten with the feisty counselor, but will he still love her when he learns her secret? **Waltz Back to Texas** (Lost in a Boom Town Book 1) After growing up in a dying town, with only two restaurants, no movie theater, and no future, waitress Cassidy Simon wants out. For once, luck is on her side when the oil boom comes to South Texas. She's determined to use it for her advantage, starting up an RV park for the oilfield workers to add to her escape fund. She's never been out of Texas, and she's itching for adventure. Grady McKenna couldn't get away from his family's ranch fast enough when he was a teenager, but a tour in the Air Force in the Middle East is enough to convince him there's no place like home. He's seen the world, had his adventure. Now he's ready to contribute to his family's legacy in Evansville. Naturally, the woman who draws his attention is the one intent on slipping through his fingers. How can he convince her life with him will be all the adventure she needs? **The Love I Want to Be In** (The Off-Season Book 1) Single mother Brioney Mayburn has learned about responsibility the hard way, working as a maid in the motel in the small beach town of Avalon Island, Texas and looking after her younger brother. Local jack-of-all-trades Blue Maddox was her sister's high school boyfriend, but stayed behind when she went off to college. He's now drawn to Brioney, admiring her drive, her determination to give her daughter the best life she can. But will Brioney look past his beach-bum facade to see who he really is?

Take a Ride in a One Horse Open Sleigh The classic Christmas carol comes to life in this beautifully illustrated edition of Jingle Bells. Originally written in 1857 for the Thanksgiving season, Jingle Bells has become a beloved Christmas song sung by young and old alike. In this edition, delicate watercolor images are paired with the text to bring the delight of the holiday season to young readers.

A multimedia experience that lets you look at—and listen to—birds in a whole new way! **Birdsong by the Seasons** is a celebration of birdsong from January through December. The stories begin with a pileated woodpecker on New Year's Day; they unfold through the year, covering Florida's limpkins and scrub-jays in February, prairie birds in May, scarlet tanagers in July, and a chorus of singing birds in Massachusetts just before Christmas. With this book, the acclaimed author of *The Singing Life of Birds*—a winner of the John Burroughs Medal—provides a unique experience: with his gentle guidance, the pairing of sonograms with the audio makes birdsong accessible and fascinating. This Kindle ebook contains embedded audio files. This audio content will only play on Kindle Fire tablets (excluding the Kindle Fire 1st Generation) and iPad, iPhone, and iPod touch devices. It cannot be accessed on Kindle e-readers (including the Kindle, Kindle Paperwhite, Kindle Touch, and Kindle Voyage) or on Kindle reading apps on other tablets or computers.

A Musical Adventure! To begin a new adventure, an explorer needs a map. Many individuals would like to start a musical journey, but the inability to read musical notation holds them back. This **Music Pattern Song Book** was created to give those brave souls a place to begin. It's Easy! All one needs to do is match the color blocks or letters in these musical song patterns to an instrument, and beautiful music can be made. This book works well with xylophones, glockenspiels, recorders, hand bells, piano and more! Any instrument that can play an eight-note C to C scale can be used with this book. Fingering Charts for the recorder and piano are included. All of this book's song patterns are color-coded AND letter-coded, so as long as you know the fingering for the notes of your instrument, you can play along. In these song patterns, it is illuminating to see a visual representation of the sounds that you hear. Each song has structure and

repeating patterns, but each one is unique. If you are a student of music theory, these colored patterns may give you a new perspective on the way music is put together. A Place to Begin! Many parents and classroom teachers feel unequipped to teach the next generation about music because they had little opportunity to learn themselves. Sometimes, older adults who missed the chance to play an instrument when they were younger are determined to begin. Music therapists are often looking for tools to bring music to their patients. Children delight in banging the keys of a percussion instrument but need some help to know what to do next. Yet, where does one who has not yet learned to read musical notation begin? Most people can match colors or letters, which makes color and letter coded music song patterns a good place to start. In this book, the songs progress from easy children's tunes to more complicated pieces and duets. Duets are included so that groups can make music together! Benefits! It is well documented that learning to play a musical instrument stimulates multiple areas of the brain and increases the brain's cognitive ability, but it also enhances eye-hand coordination and balance. It can increase math ability and improve reading and comprehension skills as well as listening ability. Playing together in a group boosts leadership and team work skills and teaches discipline. Music fosters self-expression, creates a sense of achievement, relieves stress, and promotes happiness. For Musicians of All Ages! Starting a new activity, no matter what your age, takes courage, resources and support. These song patterns are provided to make it a little easier to take that first musical step! Contents: Greetings; Play Many Instruments; Beat, Rhythm and Tone; Rhythm Blocks; Taking it Step by Step The Songs: Jesus Loves Me, This Little Light of Mine, Rise and Shine, I've Got Peace Like a River, When the Saints Go Marching In, He's Got the Whole World in His Hands, How Firm a Foundation, When I Survey the Wondrous Cross, Holy Holy Holy, Tis' So Sweet to Trust in Jesus, It is Well With My Soul, This is My Father's World, A Mighty Fortress is Our God, Joyful Joyful We Adore Thee, Turn Your Eyes Upon Jesus Chorus, All Creatures of Our God and King, Jesus Paid It All, We Gather Together, Just As I Am, Blessed Assurance, Come Thou Fount of Every Blessing, Amazing Grace Lyrics to All of the Songs are included as well as music instruction, a Recorder Fingering Chart and a Piano Fingering Chart!
