A2-Level Biology AQA Complete Revision & Practice

GCSE Geography Edexcel BOxford University Press - Children
Edexcel's own resources for the GCE 2008 specifications.

This highly respected and valued textbook has been the book of choice for Cambridge IGCSE students since its publication. This new edition, complete with CD-ROM, continues to provide comprehensive, up-to-date coverage of the core and extended curriculum topics specified in the IGCSE Chemistry syllabus. The book is supported by a CD-ROM containing extensive revision and exam practice questions, background information and reference material.

Providing complete coverage of the 2009 Edexcel IGCSE human biology specification, this book helps students perform to their best in the exam.

Written by a senior examiner, Mary Jones, this Edexcel A2 Biology Student Unit Guide is the essential study companion for Unit 4: The Natural Environment and Species Survival. This full-colour book includes all you need to know to prepare for your unit exam: clear guidance on the content of the unit, with topic summaries, knowledge check questions and a quick-reference index examiner's advice throughout, so you will know what to expect in the exam and will be able to demonstrate the skills required exam-style questions, with graded student responses, so you can see clearly what is required to get a better grade

A student-friendly and engaging resource for the 2016 Edexcel GCSE Geography B specification, this brand new course is written to match the demands of the

specification. As well as providing thorough and rigorous coverage of the spec, this book is designed to engage students in their learning and to motivate them to progress. "Written specifically for Edexcel's new IGCSE Physics (from 2009) qualification in a clear and engaging style that students will find easy to understand. This book includes a wide range of activities and exercises for self-study, as well as examination style questions and summaries to aid revision."--Publisher's description.

This revised set of resources for Cambridge International AS and A Level Business syllabus (9609) is thoroughly updated for the latest version of the curriculum. Written by experienced authors, the Coursebook provides comprehensive coverage of the syllabus. Accessible language combined with the clear, visually-stimulating layout makes this an ideal resource for the course. Questions and explanation of key terms reinforce knowledge; different kinds of activities build application, analytical and evaluation skills; and case studies contextualise the content making it relevant to international learners. It provides thorough examination support for all papers with exam-style questions with each chapter and an extensive Paper 3 style case study with each unit. The student CD-ROM contains revision aids, further questions and activities. A Teacher's CD-ROM is also available.

Exam Board: Pearson Edexcel Level: GCSE Subject: History First teaching: September 2016
First exams: June 2018 Endorsed for Edexcel Enable students to achieve their full potential while ensuring pace, enjoyment and motivation with this popular series from the leading History publisher for secondary schools. The USA, 1954-75: conflict at home and abroad covers all four key topics in the specification: 'The development of the civil rights movement'; 'Protest, progress and radicalism, 1960-75'; 'US involvement in the Vietnam War, 1954-75';

'Reactions to, and the end of, US involvement in Vietnam, 1964-75.'

'Official SQA Past Papers' provide perfect exam preparation. As well as delivering at least three years of actual past papers - including the 2008 exam - all papers are accompanied by examiner-approved answers to show students how to write the best responses for the most marks.

Fully updated and matched to the Cambridge syllabus, this stretching Student Book is trusted by teachers around the world to support advanced understanding and achievement at IGCSE. The popular, stretching approach will help students to reach their full potential. Written by an experienced author, Ron Pickering, this updated edition is full of engaging content with up-to-date examples to cover all aspects of the Cambridge syllabus. The step-by-step approach will lead students through the course in a logical learning order building knowledge and practical skills with regular questions and practical activities. Extension material will stretch the highest ability students and prepare them to take the next step in their learning. Practice exam questions will consolidate student understanding and prepare them for exam success. Each book is accompanied by online access to a wealth of extra support for students including practice exam questions, revision checklists and advice on how to prepare for an exam.
