Kleist viewed anew as a major contributor to the tradition of post-Kantian thought. Allows readers to lift flaps and explore facts about the Earth, including its gases, oceans, mountains, and changing climates. On board pages.

The Equivocation of Reason: Kleist Reading Kant asks how the literary works of the German writer Heinrich von Kleist might be considered a critique and elaboration of Kantian philosophy. In 1801, the twenty-three-year-old Kleist, attributing his loss of confidence in our knowledge of the world to his reading of Kant, turned from science to literature. Kleist ignored Kant's apology of the sciences to focus on the philosopher's doctrine of the unknowability of things in themselves. From that point on, Kleist's writings relate confrontations with points of hermeneutic resistance. Truth is no longer that which the sciences establish; only the disappointment of every interpretation attests to the continued sway of truth. Though he adheres to Kant's definition of Reason as the faculty that addresses things in themselves, Kleist sees no need for its critique and discipline in the name of the reasonableness (prudence and common sense) of the experience of the natural sciences. Setting transcendental Reason at odds with empirical reasonableness, Kleist releases Kant's ethics and doctrine of the sublime from the moderating pull of their examples.

Three teenage boys, the sole survivors of a shipwreck, find themselves marooned on a deserted island in the South Pacific. With little more than a telescope and a broken knife, the youths must find food and shelter and learn to survive. But though the coral island is a tropical paradise, full of natural beauty and exotic fruits and wildlife, dangers and adventures abound: sharks, pirates, and even bloodthirsty cannibals! Scottish-born R.M. Ballantyne (1825-1894) wrote more than ninety books for young people during the Victorian era, the most famous of which is *The Coral Island* (1857), a tale whose popularity has proved so enduring that it has never been out of print. A thrilling story in the tradition of *Robinson Crusoe* and a key influence on later classics such as Robert Louis Stevenson's *Treasure Island* and William Golding's *Lord of the Flies*, *The Coral Island* is presented here in a new scholarly edition that includes the unabridged text of the first British edition, a new introduction and notes by Ralph Crane and Lisa Fletcher, and the original illustrations by the author.

By reconsidering Kleist's reception of Rousseau and placing it in historical context, this book

sheds new light on a range of political and ethical issues at play in Kleist's work.

Vollständige Taschenbuchausgabe.

In *Together We Equip*, you will discover the biblical foundation for equipping others. Equipping others in ministry is a process you bring with you as the leader! Its both personal and public. Its you as an individual and your church. This book will challenge you to take responsibility to grow spiritually, engage the culture, and share the gospel. Further, you will discover the impact of discipleship in the local church by examining mentoring small groups and preaching as relevant means to equip others. In the later chapters of the book, seasoned church ministry leaders with years of experience in making disciples through equipping ministry of the local church share many practical ways to equip others and lead church ministries: childrens ministry youth ministry collegiate ministry mens and womens ministry adult and senior adult ministries. Many ministry leaders do not know how to make disciples. They know, accept, and believe the Great Commission (Matt. 28: 19-20). Yet they struggle with practical approaches and methods to carry out a viable equipping ministry. The book will help you elevate the importance of personal growth, making disciples, and assist you to align your age-graded and gender-based ministry leadership development.

In an age of skepticism and disenchantment, people long for something that satisfies our mind's search for truth and our heart's desire for beauty and meaning. *Stand Firm: Apologetics and the Brilliance of the Gospel* argues that the gospel satisfies both of these needs. It is true and rational, but it is also inherently attractive and provides meaning and purpose. In short, the gospel is brilliant. It is brilliant, in one sense, because of the broad variety of evidences for its truth. But it is also brilliant given its beauty, goodness and the meaningful life it offers. The book provides up to date responses to questions about the existence of God, the reliability of the Bible, Jesus and the resurrection, and the problem of evil. It also treats unique topics such as understanding truth, knowledge and faith, the claims of alternate faiths, religious disagreement, etc. Each chapter attempts to connect these considerations with the gospel so that we may stand firm in our faith.

Twelve Years a Slave Prabhat Prakashan

A comprehensive investigation of Hoffmann's "Serapiontic Principle" and what it implies for his oeuvre.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Hotel Gwales is the eagerly anticipated new collection from award winning poet Nigel Jenkins. It is as diverse as it is rousing, featuring some eighty poems varying in length from a three-line Haiku to an extended meditation of nearly 400 lines. Welsh themes and references, ancient and modern, are interspersed with works of an undeniably international flavour to bring together this exceptional collection. From a poem commemorating the execution of a man known as the Welsh 'Braveheart' to an elegy for a Welsh bus driver, *Hotel Gwales* truly has something for everyone. *Hotel Gwales* offers Nigel Jenkins's distinctive voice at its best in his first collection of poetry in almost four years. Nigel is well known both in Wales and internationally and is a frequent performer of his work. He has previously undertaken reading tours of countries including the USA and Switzerland. His trademark experimentation with form and ability to engage with his subject is at its finest.

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
