The Jewel means wealth, the Jewel means beauty—but for Violet, the Jewel means servitude. Born and raised in the Marsh, Violet is destined for the Jewel. She is trained as a surrogate for the royalty and is bought by the Duchess of the Lake at auction. And she quickly learns the brutal truths that lie beneath the Jewel's glittering facade: the cruelty, backstabbing, and hidden violence that have become the royal way of life. Violet must accept the ugly realities of her life . . . all while trying to stay alive. But before she can accept her fate, Violet meets a handsome boy who is also under the Duchess's control, and a forbidden love erupts. But their illicit affair has consequences, which will cost them both more than they bargained for. And toeing the line between being calculating and rebellious, Violet must decide what, and who, she is willing to risk for her own freedom.
