

## La Ventiquattrore Delitto In Albergo

Nik è un creativo di successo ma è un solitario, passa la giornata a ideare videogiochi, ha pochi amici, non ha una donna fissa e da quando è cambiata la proprietà della società di software per la quale lavora, ha rapporti difficili con il suo capo. Ma molte altre cose nella sua vita sono misteriose. Nik va in giro tutte le notti con il suo fuoristrada, molti dei suoi videogiochi sono ispirati ad una serie di delitti che da qualche tempo si stanno realmente verificando e che sembrano quindi condurre proprio a lui. Ma di tutto quanto succede in principio Nik pare non avere piena coscienza. Nik ha conosciuto Arianna, una giovane donna da poco assunta, che lo ha spinto a fare esperienze nuove, a cambiare vita. Intanto una bomba esplode in un bar nel centro di Roma. Nella confusione tra vita reale e virtuale, Nik stenta a capire di essere lo strumento di una macchinazione criminale e lentamente da assassino diventa una vittima predestinata. Questa è la storia di un boss della famiglia mafiosa di Altofonte, consigliere rispettato di Riina e Provenzano, tra i protagonisti della mutazione dell'organizzazione a ridosso degli anni Novanta, ha avuto rapporti con esponenti dei Servizi segreti prima della strage di Capaci, ha partecipato in prima persona all'incontro tra il capo della mafia palermitana Stefano Bontate e Silvio Berlusconi. Enrico Bellavia ha raccolto la sua testimonianza e queste pagine sono un'incredibile galleria dei personaggi che il boss ha incontrato nel corso di un'esistenza spesa all'ombra di Cosa Nostra. Sembra di assistere alla rappresentazione di un mondo alla rovescia, in cui la cosiddetta innocenza della società civile si rivela per quello che è: niente altro che il risultato di un patto sotterraneo, di pacifica convivenza e comoda connivenza con la grande tela intessuta da mafia e affari.

Taylor Jackson 1 Quando l'ennesima ragazza finisce nella trappola di un serial killer, l'agente di polizia Taylor Jackson e il suo amante, il profiler dell'FBI John Baldwin, si ritrovano a indagare su un caso complesso. Un killer sta insanguinando i dintorni di Nashville, lasciando una firma macabra e inconfondibile: le mani tagliate della vittima precedente. L'ambiziosa giornalista Whitney Connolly vuole usare il caso per andarsene da Nashville, città priva di prospettive. E, per farlo, è disposta a sfruttare una notizia che potrebbe rivelarsi esplosiva. Ma non si scherza col fuoco senza rimanerne scottati, e quando la spirale del terrore diventa incontrollabile, tutti devono fare i conti con una tremenda verità: il male più puro nasce dai segreti più intimi.

Giulia Rinaldi è la poliziotta che a tratti assume il ruolo di protagonista della narrazione e che, insieme agli altri membri della squadra T, dovrà risolvere l'ingarbugliato caso della scomparsa di una giovane ventenne appartenente alla cosiddetta Torino bene. L'evolversi degli eventi porterà gli agenti verso direzioni via via sempre più inaspettate e davanti alla drammaticità di alcuni misteri relativi alla famiglia della ragazza.

Discover Haruki Murakami's first two novels. 'If you're the sort of guy who raids the refrigerators of silent kitchens at three o'clock in the morning, you can only write accordingly. That's who I am.' Hear the Wind Sing and Pinball, 1973 are Haruki Murakami's earliest novels. They follow the fortunes of the narrator and his friend, known only by his nickname, the Rat. In Hear the Wind Sing the narrator is home from college on his summer break. He spends his time drinking beer and smoking in J's Bar with the Rat, listening to the radio, thinking about writing and the women he has slept with, and pursuing a relationship with a girl with nine fingers. Three years later, in Pinball, 1973, he has moved to Tokyo to work as a translator and live with indistinguishable twin girls, but the Rat has remained behind, despite his efforts to leave both the town and his girlfriend. The narrator finds himself haunted by memories of his own doomed relationship but also, more bizarrely, by his short-lived obsession with playing pinball in J's Bar. This sends him on a quest to find the exact model of pinball machine he had enjoyed playing years earlier: the three-flipper Spaceship.

One late-winter morning, a young man is cycling downhill to primary school when he encounters a peculiar man - as big as a mountain and as filthy as a garbage dump. After a brief conversation this earthy apparition endows him with a gift: an internal clock that allows him to see into the future and exist in the present at the same time. The young man becomes Timeskipper, seeing and foreseeing the epochal events of his era, from postwar reconstruction to the birth of television. These events are tenderly offset by his own personal experiences - love, jobs and adventures.

Per chi ancora non avesse letto "La Ventiquattrore - Delitto in albergo", mi presento: mi chiamo, anzi mi chiamano perch io non mi chiamo mai, Marco Vincenti e sono un normalissimo e tranquillo ex Geometra di provincia che, grazie alla zia Maria e pace all'anima sua, ha ereditato e gestisce un piccolo albergo nel Comune di Casciana Terme, localit adagiata sulle colline pisane e conosciuta per le cure termali da oltre 900 anni, ma anche per la figura di Armando Picchi, che qui ha mosso i primi passi nel mondo del calcio. Ed proprio in questo albergo che inizi, con l'aiuto di due amici e circondato, si fa per dire, da diverse donne, la mia attivit di investigatore. L'autore, forse stuzzicato dal fatto che la Toscana terra di grande letteratura ma anche di ispirazione per best-seller internazionali a tinte forti, un giorno si svegli con l'idea di mettersi a scrivere un racconto giallo, e fra i tanti aspiranti ha scelto proprio il sottoscritto per interpretare il suo personaggio principale. Ne "La ventiquattrore - Delitto in albergo", insieme a due amici inseparabili, a un Maresciallo dei Carabinieri e alla bellissima Grazia, riesco a fare luce sul primo di una serie di fatti criminali che avverranno nella localit; ammetto che nella risoluzione di quel caso la fortuna stata dalla mia parte, ma nulla comunque ho tralasciato, compresa l'analisi psicologia della persona a riguardo del Maresciallo Bevacqua, il quale, dietro la severit dettata dal ruolo che svolge, nasconde in realt una intelligenza e una umanit molto spiccate. Dal primo

delitto sono trascorsi alcuni mesi, periodo in cui l'albergo ha lavorato a pieno ritmo. Il paese, senza pi giornalisti, fotografi e curiosi "della peggio specie", stava tornando piano piano alla sua normalit e le giornate si susseguivano una all'altra nella tranquillit pi assoluta. Con la Grazia c'era stato un "contatto", ma poi non si era mosso pi niente e io mi ero sempre di pi dedicato all'albergo e alle cene del venerd sera con gli amici. Tutto fino a questa mattina, quando con la scusa: "Ciao Marco un po" che non ci si vede...", l'autore entra in albergo, e chiedendomi un caff si sistema in saletta, proprio nell'angolo riservato ai "tre detectives". Ed ecco che di nuovo entro in scena, si accendono i riflettori, il truccatore cerca di elaborare un make-up che tenga conto delle particolari esigenze espressive richieste dallo sceneggiatore, i costumisti e i cameramen si aggirano per l'albergo sotto l'occhio vigile del regista e... ecco il primo ciak! Questa volta il caso da risolvere pi arduo, pi complicato... l'autore vuole metterci alla prova, vuole capire fino a che punto possono spingersi le nostre menti, e alla fine si riterr soddisfatto. Era plausibile, inevitabile, che finisse cos, del resto nulla si pu contro "il club dei detective". Piero e Andrea dimostreranno doti investigative pi raffinate rispetto al passato, anche se prediligeranno l'azione al pensiero; il Maresciallo, fidandosi sempre pi del trio, stringer con noi un patto segreto, mentre io costretto a non muovermi dall'albergo per l'assenza di Grazia, arriver alla soluzione del caso solo per osservazione e rigorosa deduzione logica. Dimenticavo, questa la mia ultima presentazione rivolta ai lettori, d'ora in poi sar l'autore stesso a riassumere il libro nella sinossi. Non per maleducazione o svogliatezza che ho preso questa decisione, ma perch cos mi stato richiesto da lui stesso, ritenendo che tale mia attivit non sia pi necessaria."...oramai, con questo secondo racconto, il pubblico ti conoscer sempre di pi, Marco, e non avrai ulteriore bisogno di presentarti... caso mai nel prossimo ci sar una introduzione... comunque, vedremo al momento". Quindi, vi lascio nelle sue mani e mi troverete nel racconto, ricordandovi che a voi parler in prima persona.

Marco Vincenti is weary of his job as a surveyor, which he considers these days to be an exercise in bureaucratic box-ticking. When he inherits a hotel in the small town of Casciana Terme in Tuscany, he decides it's time for a new career. Among his first guests is a man named Corrado Fantozzi, whom Marco nicknames "Mr Lean" for his demeanour and his dashing figure. Fantozzi is always to be seen carrying a briefcase, and the nature of his work appears somewhat shady. Two days later, Marco finds Fantozzi dead in his bed in Room 106, and there's no sign of the briefcase. Maurizio Castellani was born in 1959 in the province of Pisa/Tuscany, where he is self-employed. His work is in Italy and overseas, and he spent three years in Dakar working on social housing. Family, food and the sea are the three loves of his life. The Briefcase is his first detective novel, in which the investigation combines with the landscapes of Tuscany, great food and attractive women.

Edition and Preface by Javier Lupiáñez The Trio Sonata in G major was independently identified as an early Vivaldian work in 2014 by the Italian scholar, recorder player, and ensemble director Mr. Federico Maria Sardelli and by the Spanish scholar, violin player and ensemble director Mr. Javier Lupiáñez. The piece was recently cataloged as RV 820 in the Vivaldi Catalog and is the earliest known work by Vivaldi. The Trio Sonata presents a different Vivaldi to the one we are used to. It shows the young Vivaldi: On the one hand, clearly influenced by the masters of the end of 17th century such Corelli, Bonporti or Torelli, and on the other

hand it is easy to perceive that some new and original Vivaldian ideas start to blossom in this early work. The discovery and attribution of this Sonata is very important to understand the roots of Vivaldi's style and the change of musical taste that happened at the beginning of the 18th century.

Cinema has played a key role in articulating the impact and legacies of the so-called *anni di piombo* in Italy, the years of intra-national political terrorism that lasted from 1969 until well into the 1980s. *Tragedia all'italiana* offers an analytical exploration of Italian cinema's representation and refraction of those years, showing how a substantial and still growing corpus of films has shaped the ways in which Italians have assimilated and remembered the events of this period. This is the first monograph in English on terrorism and film in Italy, a topic that is attracting the interest of a wide range of scholars of film, cultural studies and critical terrorism studies. It provides novel analytical categories for an intriguing corpus of films and offers careful accounts of works and genres as diverse as *La meglio gioventù*, *Buongiorno, notte*, the *poliziottesco* (cop film) and the *commedia all'italiana*. The author argues that fiction film can provide an effective frame for the elaboration of historical experience but that the cinema is symptomatic both of its time and of the codes of the medium itself - in terms of its elisions, omissions and evasions as well as its emphases. The book is a study of a body of films that has elaborated the experience of terrorism as a fascinating and even essential part of the heritage of modern Italy."

EXTRA DIRTY is book #2 in the Ruby Steele Mystery, which begins with ON THE ROCKS (Book #1). Ruby Steele, 30, beautiful, fit, seems just like any other ex-pat hiding out in the Bahamas and playing local bartender. But unruly patrons find out the hard way: Ruby is a mixed-martial-arts pro, and not one you'd want to cross. A 40-something female tourist seeks out Ruby, desperate for her help. She was out partying all night with her friend, both of them drinking way too much and doing things they don't want their husbands to know about. The problem is, as of 12 hours ago, her friend is missing. Their husbands can't know. The cops can't know. She needs Ruby's help. And she's running out of time.

Ruby, though, has enough problems of her own. Shadowy figures from her old life are getting close. Way too close. Can Ruby really pay detective and take on someone else's problems? Who is this woman, anyway? And what isn't she telling her? Ruby can't keep away from a bad decision. And this time, it looks like, there won't be any exception....

Welcome to the Bahamian world of Ruby Steele, replete with her local dive bar, her wily pet monkey, her major drinking problem, her (way) too many fights, her inability to get herself out of trouble, and her fists made of stone. Ruby's life is a complete wreck. But there's one thing she's good at: capturing your heart. EXTRA DIRTY (A RUBY STEELE MYSTERY) is book #2 in a page-turning mystery/thriller series, one that will linger with you long after the last page is read. FULL BODIED is book #3 in the Ruby Steele Mystery, which begins with ON THE ROCKS (Book #1). Ruby Steele, 30, beautiful, fit, seems just like any other ex-pat hiding out in the Bahamas and playing local bartender. But unruly patrons find out the hard way: Ruby is a mixed-martial-arts pro, and not one you'd want to cross. Ruby's known for making friend in bad places. And her newest friend, a bouncer at the brothel next door, is no exception. When he comes to her with a sob story, she can't turn away. When that story turns to a body he found this morning, Ruby sits up straighter. When it turns out that body belonged to a trafficked teenaged girl, Ruby's sense of justice is lit. Ruby's gotta solve this one, for her own need to set wrongs right. Problem is, the cops don't care, and this case will surely take her to some bad places, and up against some bad people. That may just include a billionaire with his own private yacht—and his own private army. It's not like Ruby doesn't have an army of her own coming after her. The last thing Ruby needs right now is a two-front war. But it looks like that's exactly what she's going to get. No one said Ruby's judgement was good.

Then again, if it was, she wouldn't be hiding out in the Bahamas, tending bar, with a monkey on her shoulder and an enemy list a mile long. Welcome to the Bahamian world of Ruby Steele, replete with her local dive bar, her wily pet monkey, her major drinking problem, her (way) too many fights, her inability to get herself out of trouble, and her fists

made of stone. Ruby's life is a complete wreck. But there's one thing she's good at: capturing your heart. A semiautobiographical coming-of-age story, framed by the harrowing 1975 Circeo massacre Edoardo Albinati's *The Catholic School*, the winner of Italy's most prestigious award, *The Strega Prize*, is a powerful investigation of the heart and soul of contemporary Italy. Three well-off young men—former students at Rome's prestigious all-boys Catholic high school San Leone Magno—brutally tortured, raped, and murdered two young women in 1975. The event, which came to be known as the Circeo massacre, shocked and captivated the country, exposing the violence and dark underbelly of the upper middle class at a moment when the traditional structures of family and religion were seen as under threat. It is this environment, the halls of San Leone Magno in the late 1960s and the 1970s, that Edoardo Albinati takes as his subject. His experience at the school, reflections on his adolescence, and thoughts on the forces that produced contemporary Italy are painstakingly and thoughtfully rendered, producing a remarkable blend of memoir, coming-of-age novel, and true-crime story. Along with indelible portraits of his teachers and fellow classmates—the charming Arbus, the literature teacher Cosmos, and his only Fascist friend, Max—Albinati also gives us his nuanced reflections on the legacy of abuse, the Italian bourgeoisie, and the relationship between sex, violence, and masculinity.

Here are the moments that our fairy tales forgot or deliberately concealed, reimagined by one of the most gifted storytellers of his generation, the Pulitzer Prize winning author of *The Hours*, and exquisitely illustrated by Yuko Shimizu. Rarely have our bedtime stories been this dark, this perverse, or this true.

Six severed arms are discovered buried in a forest clearing. They are arranged in a mysterious circle, and appear to belong to missing girls between the ages of eight and thirteen. But the rest of the bodies are nowhere to be found. Criminologist Goran Gavila is given the case. A dishevelled, instinctively rebellious man, he is forced to work with young female police officer Mila Vasquez. Lithe, boyish, answering to no one, Mila has a reputation as a specialist in missing children. She also has a tragic history of her own that has left her damaged, unable to feel or to relate to others. Theirs is a fiery but strangely affecting working relationship - and as they uncover more secrets about the dark secrets in the forest, their lives are increasingly in each other's hands... A gripping literary thriller that has taken Italy by storm, *The Whisperer* has been as sensational a bestseller in Europe as the Stieg Larsson novels. It is that rare creation: a thought-provoking, intelligent literary novel that is also utterly unputdownable.

Il casuale ritrovamento di un vecchio quaderno, appartenuto alla madre, costringe il giovane ma brillante Klaus a fare i conti con un segreto a lungo taciuto dalla sua famiglia: convinto di trovarsi di fronte ai racconti scritti dalla madre come passatempo, ben presto scopre che in realtà sono una sorta di suo diario personale, in cui narra le difficili vicende che hanno caratterizzato la sua vita, molto lontane dall'apparenza di perfetta moglie di un importante uomo politico. Sarà un modo per mettersi in discussione o piuttosto per affermare, con ancora più forza, la propria identità? Un romanzo d'amore, particolarmente coinvolgente e avvincente, che si dipana tra le dolorose pagine di una vicenda storica
