Here Pam and Nicky bring you a fresh collection of 14 brand new quilt patterns, each with a beautiful variation design. Uses a range of Moda™ pre-cuts, including the new fat eighth bundle! From the Introduction: We know you enjoyed our book *Layer Cake, Jelly Roll and Charm Quilts* and we think it's time for some second helpings, so we hope you'll enjoy this book as much. Working with pre-cut fabrics is such fun that we don't seem to be

able to stop. Having all those fabrics pre-cut and packed up ready to sew not only speeds up the making of quilts but makes life so exciting. We know the fabrics are all going to coordinate but part of the excitement is wondering how they are going to look together when made into a quilt. Possibly you wouldn't have chosen that particular fabric, but just see how great it looks in the quilt! We don't have to go on--we love jelly rolls, layer cakes and charm packs--and we know you do too. Having squares of fabric, as opposed to just strips, opens up many more design opportunities. Never let anyone tell you that squares are boring--you could simply sew squares together and if you are using coordinated and inspiring fabric it would create a stunning quilt. The 10in squares in our layer cakes give us scope for lots of new designs. After working on our last book, Jelly Roll Sampler Quilts, where small units were needed for the blocks featured in the sampler quilts, the 10in squares seemed huge. We did think "big" for some of the quilts and have made some very quick quilts which we hope you like. Using pre-cut fabric has so many benefits--it's quick and easy and having the fabrics already coordinated means you can get straight on with a project knowing that the colours in your finished quilt are going to blend well together. Often you will be using fabrics that you wouldn't normally choose (or be brave enough to use) and we can assure you that often it is those

fabrics that add the extra sparkle. We hope that this sparkle in our quilts will inspire you.

For a decade, award-winning New York Times journalist Amy Chozick chronicled Hillary Clinton's pursuit of the presidency. Chozick's front-row seat, initially covering Clinton's imploding 2008 campaign, and then her assignment to "The Hillary Beat" ahead of the 2016 election, took her to 48 states and set off a nearly ten-years-long journey in which the formative years of her twenties and thirties became — both personally and professionally — intrinsically intertwined to Clinton's presidential ambitions.

Chozick's candor and clear-eyed perspective—from her seat on the Hillary bus and reporting from inside the campaign's Brooklyn headquarters, to her run-ins with Donald J. Trump and her globetrotting with Bill Clinton— provide fresh intrigue and insights into the story we thought we all knew. This is the real story of what happened, with the kind of dishy, inside details that repeatedly surprise and enlighten. But *Chasing Hillary* is also a rollicking, irreverent, refreshingly honest personal story of how the would-be first woman president looms over Chozick's life. And, as she gets married, attempts to infiltrate the upper echelons of political journalism and inquires about freezing her eggs so she can have children after the 2016 campaign, Chozick dives deeper into decisions Clinton made at similar points in her life. In the process, Chozick came to see Clinton not as an

unknowable enigma and political animal but as a complex person, full of contradictions and forged in the political battles and media storms that had long predated Chozick's years of coverage. Trailing Clinton through all of the highs and lows of the most noxious and wildly dramatic presidential election in American history, Chozick comes to understand what drove Clinton, how she accomplished what no woman had before, and why she ultimately failed. Poignant, illuminating, laugh-out-loud funny, *Chasing Hillary* is a campaign book like never before that reads like a fast-moving political novel.

Layer cake (n): a metaphor for the murky layers of the criminal world. Smooth-talking drug dealer X has a plan to quietly bankroll enough cash to retire before his thirtieth birthday. Operating under the polished veneer of a legitimate businessman, his mantra is to keep a low profile and run a tight operation until it's time to get out. When kingpin Jimmy Price asks him to find the wayward daughter of a wealthy socialite who's been running around with a cokehead, he accepts the job with the promise that after this he can leave the criminal world behind with Jimmy's blessing. Oh, and he needs to find a buyer for two million ecstasy pills acquired by a crew of lowly, loud-mouth gangsters, the Yahoos. Simple enough, until an assassin named Klaus arrives to scratch him off his list, revealing this job is much more than it seems at first. From the glitz of the London club scene of the 1990's to
