From the experience of teaching in various coaching institutions and as a personal tutor since 2013, I observed that, after finishing all the chapters of a particular subject, students need to practice some question papers. That is why ten completely different sets of model question papers of class X (Mathematics) as per NCERT syllabus and a bonus model question paper of general Science have been prepared for the students. After studying and completing all the chapters, students should practice the question papers within the given time period. I wish this will help the students to maintain the time in the examination and upgrade their solving skills, also boost their self-confidence.

SAMPLE QUESTION PAPERS Preparing for any Examination calls for a lot of discipline and perseverance on the part of a student.
