Vastu is a beautifully detailed guide to using ancient Indian philosophies in every room. Following India's Vedic tradition, Vastu helps guide people to prosperity and tranquility in life by aligning architectural spaces with the natural world. Included is an informative discussion on the definition, origin, and sacred foundations of Vastu, along with Vastu's use of

concentric squares and the elements earth, water, fire, and air in design. Author Sheri Silverman also discusses the power of meditation, organizing, and clearing clutter, aromatherapy, and sacred space. Vastu offers solutions for those building, renovating, or just looking to improve the energy and atmosphere in an existing living space. Most of those who build a house will do so only once in their lifetime. For this reason, it needs to be done right the first time. Even if you do not believe in traditional sciences like Vastu, you might still want to follow its recommendations just for the peace of mind. For the author, Vastu is a collection of time-tested architectural best practices that would be too good to ignore. This book explains the main precepts of Vastu Shastra straight from Matsya Purana. The book provides information that would enable you to develop your initial house plan as per Vastu Shastra. The book also provides some sample house plans to explain basic Vastu implementations.

Naalukettu (four-sided) house plan Two-storey tiled house with thattil Note: This book is a full-colour paperback.

This book about the science of Vastu was written as a simple and clear, yet detailed exposition on the knowledge and basic technical applications for the design of secular Vastu buildings - such as homes and offices. 'Vastu Architecture' provides the reader with a nuts and bolts explanation of how to create a solid structure that is in resonance with Earth, Cosmic and Divine energies. Being a fully illustrated book, with around 100 simple, clear and easy to interpret drawings; the book is very accessible to a general audience and does not require any background knowledge in architectural design. Also included are two complete floor plans that can be tailored for specific individuals in accordance with their birth stars. Many other books about Vastu do not include an explanation of the technical knowledge of Vastu science, and if they do, they often present only a partial, or an altogether incorrect account thereof. This is not the case with 'Vastu Architecture', as its technically rich, yet layman-accessible knowledge base provides the reader with all of the basic requirements to create a Vastu structure, including a very clear chapter on how to use the Ayadi Calculations to get the Sacred Dimensions of a building. This is not however a coffee table book, it is rather a manual for the construction of special havens for the soul.

Discover your dharma type and prepare your body, mind, and spirit to attract and build a lifelong union with your soul mate • Explores how the dharma types align in

relationships, giving quick and simple insights into which dharma pairings work and which ones need work •

Details methods for attracting a mate as well as practical techniques for improving your sex life, including the best time to have sex during the day • Provides self-tests to

determine your dharma type and outlines unique ayurvedic diet, exercise, detox, and lifestyle tips for better health and sex appeal The people of ancient India understood that most humans are incomplete without an intimate partner, a soul mate to share life's journey.

Drawing upon astrology, Ayurveda, and dharma type--your personality and spiritual purpose

archetype--they developed detailed systems to analyze physical, emotional, and spiritual compatibility between people. This analysis encouraged joyous relationships by revealing the sexual compatibility of a couple, the innate relationship conflicts they face, and their potential for

financial success together. In this way, couples were able to distinguish biological attraction from long-term compatibility, lust from love, and soul mates from

playmates. Sharing ancient Vedic secrets of sex, love, health, and dharma, Simon Chokoisky explains how to prepare your mind, body, and spirit for the right partner

and how to determine if a potential mate is a good match for your unique chemistry. He provides self-tests to determine your dharma type and outlines unique

ayurvedic diet, exercise, detox, and lifestyle tips for each type to reclaim your health and vitality and, by doing so, your sexiness. He explores how the dharma types align in relationships to create harmony or disharmony, giving quick and simple insights about which dharma pairings work and which ones need work. Highlighting the skills inherent to each dharma type, he makes suggestions on how to improve day-to-day relationships for personal and financial benefit and to build lifelong romance that grows into a spiritual union. Moving to the bedroom, the author details methods for attracting a mate as well as practical techniques for improving your sex life, including the best time to have sex during the day and month. Showing how knowing who you are will help you find your right mate, and keep away those unsuitable for you, Chokoisky explains how living your dharma helps you flow with nature in a way that makes life and your relationships more fulfilling.

In this ground-breaking study the traditional Indian science of architecture and house-building, Vastu Vidya, is explored in terms of its secular uses, at the levels of both theory and contemporary practice. Vastu Vidya is treated as constituting a coherent and complete architectural programme, still of great relevance today. Chakrabarti draws on an impressive amount of textual material, much of it only available in Sanskrit, and presents several extremely valuable illustrations in support of the theories expounded. Each chapter deals with one architectural aspect, and chapters are divided into three sections. For each aspect, the first section explains the prescriptions of the traditional texts; the second section deals with the rather arbitrary use of that aspect by contemporary Indian architects trained in the western manner but striving to relate to Indian roots; while the last section in each chapter explores the selected use of that particular aspect by contemporary Vastu pundits, with their disregard for architectural idiom

Improve Your Health, Wealth And Relationships With Indian Feng Shui - Vastu Shastra Vastu Shastra is the art of arranging your home or work place to work in harmony with the flow of energy that surrounds us on a daily basis and to mimic nature in such a way as to honor it. Much like the Chinese art of Feng Shui, Vastu Shastra is becoming an integral part of everyday life for millions of people around the world. When we invest time in our homes and our personal well-being, there are bound to be positive effects with long reaching benefits that bring happiness and peace to our lives. Vastu Shastra may have originated many years ago in India, however, the lessons it teaches are timeless and especially

important in the current high-stress society that we live in today. Vastu wisdom teaches us to reunite with the forces of the universe to achieve personal wealth, health, and happiness on a variety of levels that can only happen once we have acknowledged and honored the endless energies that flow through our lives at any given time. With the use of colors, positioning of household items and lawn ornamentation, personal health practices, and positive mental attitudes, Vastu Shastra guides us in making choices that not only encourage positive flows of energy throughout our homes, but it also reminds us of the beauty of the world in which we live. By bringing nature into the homes in which we live, we encourage positive forces to work in our lives. When we seek positive enrichment, our lives change on many levels and we become well-rounded individuals which opens the door to personal gains that we may have only previously dreamed about. While the history may seem complex, the techniques are simple to follow. Vastu Shastra is like a road map to a positive future.

Open the door to a world of different cultures, styles, colors and textures and bring peace and comfort to your home. If you are a spa owner looking for new, authentic world class treatments, a body worker wanting to learn methods that touch your clients on a heart level, or someone who enjoys creating nurturing rituals for yourself and family in your home, Ayurvedic Spa will guide and help you to offer and/or achieve greater levels of beauty, peace and wellness.
