ME, THE BOY, AND THE Monster is a personal, thoughtful, and touching tribute to a family's journey through the world of adoption and trauma. McGill has a background in developmental psychology and uses this to great effect; the theory sections of MTBTM are relevant, researched, and related to real-life examples from McGill's own experience with her adopted son. This book goes beyond the tired cliché of 'attachment' however, pulling together relevant strands of many different psychological theories and disciplines, all of which is juxtaposed against heart-wrenching and emotional accounts taken from McGill's own blog, giving the reader a unique and personal insight in to the day to day struggles of her family.

"Gabby and Dwight attempt to steal the show in the school play, take the field in a teachers-vs.-students baseball game, turn into monster moneymakers in the class candy drive, and study up to become monster spellers for the district-wide spelling bee."--

It starts with the crows. When you see them, you know he's found you. Koda Okita is a high school student in modern-day Japan who isn't very popular. He suffers from narcolepsy and has to wear a watermelon-sized helmet to protect his head in case he falls. But Koda couldn't care less about his low social standing. He is content with taking long bike rides and hanging out in the convenience store parking lot with his school-dropout friend, Haru. But when a rash of puzzling deaths sweeps his school, Koda discovers that his narcoleptic naps allow him to steal the thoughts of nearby supernatural beings. He learns that his small town is under threat from a ruthless mountain demon that is hell-bent on vengeance. With the help of a mysterious—and not to mention very cute—classmate, Koda must find a way to take down this demon. But his unstable and overwhelming new abilities seem to have a mind of their own... J.P. Romney's *The Monster on the Road Is Me* is a darkly comic debut novel about the unexpected strength we find when we are tested beyond our limits.

There are trolls, goblins, and witches. Which kind of monster is Sophie? Sophie is a monster expert. Thanks to her Big Book of Monsters and her vivid imagination, Sophie can identify the monsters in her school and neighborhood. Clearly, the bullies are trolls and goblins. Her nice neighbor must be a good witch, and Sophie's new best friend is obviously a fairy. But what about Sophie? She's convinced she is definitely a monster because of the "monster mark" on her face. At least that's what she calls it. The doctors call it a blood tumor. Sophie tries to hide it but it covers almost half her face. And if she's a monster on the outside, then she must be a monster on the inside, too. Being the new kid at school is hard. Being called a monster is even harder. Sophie knows that it's only a matter of time before the other kids, the doctors, and even her mom figure it out. And then her mom will probably leave--just like her dad did. Because who would want to live with a real monster? Inspired by real events in the author's life, *A Monster Like Me* teaches the importance of believing in oneself, accepting change, and the power of friendship.

Ignazio Vitale n'est pas un homme bon. Je le soupçonne dès notre première rencontre, je sens le danger qui entoure cet homme. Il a une façon d'exiger l'attention, de prendre le contrôle, de savoir ce que je pense avant même que je le sache. C'est à la fois inquiétant et attirant. C'est sombre et redoutable. C'est tout ce que j'ai toujours voulu, et pourtant la dernière chose dont j'ai besoin. Une obsession. Il ne lui faut pas longtemps pour m'attirer dans sa toile, me charmer jusque dans son lit et me prendre au piège de sa vie, une vie dont j'ignore tout avant qu'il soit trop tard. Il a des secrets, des secrets que je ne peux percer et qui m'empêchent de partir, même si je le supplie de me laisser m'en aller. Je l'aperçois parfois dans ses yeux, cette noirceur terrifiante et fascinante à la fois. C'est un monstre dans un emballage somptueux, et ce que je découvre en le démasquant change absolument tout. J'ai envie de le haïr. Parfois même, j'y parviens. Et pourtant, ça ne m'empêche pas de l'aimer.

The highly anticipated third book in the Servite Academy For Troubled Teens Series is coming soon... *The Monster In Me* is a NA Romance following secondary characters Sebastian Silver and Jade Wolfe. TMIM must be read as part of the series, starting with Book One *The Four Horsemen* and Book Two *The Holy Trinity*. BLURB He's the MONSTER they created, I'm the wild WOLF I was born to be. JADE I like to think I'm pretty transparent. With me what you see is what you get. A careless bitch on the outside, but deep inside, under all the overlapping layers, hidden from prying eyes, a fierce wolf hides. Well the bitch is in here too. But with him it's all an illusion. A beautiful creature on the outside, but deep inside in a constant slumber lies a terrifying beast. But turns out, he's not the true villain in this tale. I'm the one hiding a truth I'm to afraid to accept. Looks like I'm the villain in this story. But what if I'm not supposed to be alone, what if in him, with him, I'm to find my true pack. There is just one thing that might make that almost impossible. Wanna know a secret? I can't be tamed... SEBASTIAN Emotionless. Indifferent, Restrained & Cruel. Those are the words of affirmation I've recited every morning since I was seven. Like of wolf in the night she crept out of my darkness and shined brightly under the illumination of the full moon above. Eyes like two precious gemstones glowing in the dark. The light to my darkness, the prey to satiate this vicious predator. A lone wolf in search of her alpha, in desperate need of a pack to call her own. But how can someone who was trained his whole life to feel nothing, convince a girl who has been left every time she feels anything, that this time he won't be the one to walk out on her.
