Presenting more than two hundred of the greatest haiku ever written about the game. There are moments in every baseball game that make fans catch their breath: the pause while a pitcher looks in for the sign, the moment a cocksure rookie gets picked off first, or the instant a batter lashes a game-winning homer into the night sky, just before the sell-out crowd explodes onto its feet. Haiku captures these moments like no other poetic form, and Baseball Haiku captures the sights, the sounds, the smells, and the emotions of the game like no previous collection. Some of the most important haiku poets of both America and Japan are featured in this anthology; including Jack Kerouac, a longtime baseball fan who pioneered English-language haiku; Alan Pizzarelli, one of the top American haiku and senryu poets of the last thirty years; and Masaoka Shiki, one of the four great pillars of Japanese haiku—a towering figure—who was instrumental in popularizing baseball in Japan during the 1890s. With over two hundred poems spanning more than a century of ball playing, Baseball Haiku reveals the intricate ways in which this enduring and indelible sport—which is played on a field, under an open sky—has always been linked to nature and the seasons. And just as a haiku happens in a timeless now, so too does Baseball Haiku evoke those unforgettable images that capture the actions and atmospheres of the national pastime: each poem resonates like the lonely sound of cleats echoing in the tunnel as a grizzled

veteran leaves his final game. The largest collection of haiku and senryu on baseball ever assembled, *Baseball Haiku* is an extraordinary treasure for any true baseball fan. The March 2018 *British National Formulary (BNF 75)* is your essential reference book for prescribing, dispensing, and administering medicines.

Ian Walser had no idea the

gorgeous woman he slept with the night of his homecoming party was his little sister's best friend—or that she'd be gone before morning. Roxanne's touch soothes him in a way nothing else can, and he's not ready to walk away from that yet. Not when spending time with her gave Ian a glimpse of everything he's ever wanted. When his sister unwittingly pushes them together, he sees his chance. But convincing a woman who doesn't believe in love that she's his Mrs. Right might be harder than any mission Ian's undertaken. Good thing this soldier likes a challenge... Each book in the Come Undone series is STANDALONE: * Wrong Bed, Right Guy * Chasing Mrs. Right * Two Wrongs, One Right * Seducing Mr. Right
