- * Use Pages and Numbers to create documents and spreadsheets
- * Use Keynote to build and display presentations

UnAwesome is UnAcceptable. The Book of Business Awesome is designed as two shortbooks put together—one read from the front and the other read from the back when flipped over. Covering key business concepts related to marketing, branding, human resources, public relations, social media, and customer service, The Book of Business Awesome includes case studies of successful businesses that gained exposure through being awesome and effective. This book provides actionable tools enabling readers to apply the concepts immediately to their own businesses. The flip side of the book, The Book of Business UnAwesome, shares the train-wreck stories of unsuccessful businesses and showcases what not to do. Key concepts include the power of peripheral referrals and how to create content for your "third circle" Explains how to re-recruiting your employees and re-court your customers Ensure that your business remains awesome, instead of unawesome, and apply these awesomely effective strategies to your business today.

Almost overnight, EPUB has become the favored standard for displaying digital text on ereaders. The EPUB specification is a powerful method for creating gorgeous ebooks for EPUB-capable readers such as the iPad, Nook, and Kindle. Alas, it is far from perfect, with frustrating limitations, sketchy documentation, and incomplete creation tools. This extensively researched guide to creating EPUB files by best-selling author Elizabeth Castro shows you how to prepare EPUB files, make the files look great on the screen, work around EPUB weaknesses, and fix common errors. In this essential book, Liz shares her hard-earned experience for how to: Create EPUB files from existing Microsoft Word or Adobe InDesign files, or from scratch. Tweak EPUB files to take full advantage of the power of EPUB in each respective ereader. Control spacing, indents, and margins. Insert images and sidebars and wrap text around them. Create links to external sources and cross-references to internal ones. Add video to ebooks for the iPad.
