### CARLE/VERY FIRST BK ANIMAL HOMES

This illustrated first Bible story book for children is a wonderful collection of 25 favourite Bible stories re-told for a young audience. Accounts from the Old Testament and parables from the New Testament are covered in a clear and accessible way. From Creation to Noah's Ark, each story is shown visually through detailed and fun illustrations. The Nativity story and the Easter story are written simply and are perfect to read aloud or alone. Throughout the book there are lots of opportunities to keep children involved with questions and activities, as well as scripture references for older children to follow up. A wonderful first biblical book for children and families to treasure, making it the perfect christening gift for children everywhere.

This brightly coloured information book is a fun way for children to learn about themselves and the world around them. Learn about human diversity (skin colour, hair colour, eyes, tastes etc), about different emotions a person can feel, about daily routines, about different types of families and loved ones and about their body. This hard cover edition with index and contents list is ideal for schools and libraries; also available as a paperback with stickers. Internet links lead readers to age-appropriate websites with games and activities.

"Clever fun." —Booklist "[A] delightful geometric tale...that kids will surely love." —School Library Journal From award-winning author Anne Miranda comes a rollicking rhyming story about an unruly gang of sixteen geometric shapes who get tangled in the neighborhood jungle gym until their friend comes to their rescue and order is restored. Perfect for fans of Chicka Chicka Boom Boom! One day a little circle, just as happy as could be, got caught inside a jungle gym, and couldn't wiggle free. When the neighborhood shapes go climbing on the park jungle gym the last thing they expect is a tangle. First the circle, next the triangle and then the square. One by one soon all sixteen shapes are trapped. They push and pull and tumble and cry for help. Who will save them? One special shape can set the others free. Can you guess which one it is? This charming story makes learning the names of sixteen shapes as easy as a day in the park.

Is Nick Allen a troublemaker? He really just likes to liven things up at school -- and he's always had plenty of great ideas. When Nick learns some interesting information about how words are created, suddenly he's got the inspiration for his best plan ever...the frindle. Who says a pen has to be called a pen? Why not call it a frindle? Things begin innocently enough as Nick gets his friends to use the new word. Then other people in town start saying frindle. Soon the school is in an uproar, and Nick has become a local hero. His teacher wants Nick to put an end to all this nonsense, but the funny thing is frindle doesn't belong to Nick anymore. The new word is spreading across the country, and there's nothing Nick can do to stop it.

Asks readers to match the animal featured on the top pages with the food it eats, shown on the lower half of the page. On board pages.

This engaging picture book for little children explains how the body works, covering everything from blood and bones to dreams and digestion.
