Part two in the *Never Never* series, by Colleen Hoover and Tarryn Fisher.

In this “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can’t stop thinking about her first love. Lily hasn’t always had it easy, but that’s never stopped her from working hard for the life she wants. She’s come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily’s life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He’s also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn’t hurt. Lily can’t get him out of her head. But Ryle’s complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his

“no dating” rule, she can’t help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

That is, until the doorbell rings. Standing on her front step is a young man who looks so much like Max--same smile, same eyes, same age, same adorable bump in his nose--he could be Max's long-lost relation. He introduces himself as Paolo, an Italian editor of American coffee table books, and shows Shelley some childhood photos. Paolo tells her that the man in the photos, the bearded man who Paolo says is his grandfather though he never seems to age, is Max. Her Max. And he is alive and well. As outrageous as Paolo's claims seem--how could her husband be alive? And if he is, why hasn't he looked her up?--Shelley desperately wants to know the truth. She and Paolo jet across the globe to track Max down--if it is really Max. Along the way, Shelley recounts the European package tour where they had met. As she relives Max's stories of bloody Parisian barricades, medieval Austrian kitchens, and buried Roman bathhouses, Shelley begins to piece together the story of who her husband was and what these new revelations mean for her "happily ever after." And as she and Paolo get closer to the truth, Shelley discovers that not all stories end where they are supposed to.
