This carefully crafted ebook: "Winesburg, Ohio (A Group of Tales of Ohio Small-Town Life)" is formatted for your eReader with a functional and detailed table of contents. This ebook is a series of loosely linked short stories set in the fictional town of Winesburg, mostly written from late 1915 to early 1916. The stories are held together by George Willard, a resident to whom the community confide their personal stories and struggles. The townspeople are withdrawn and emotionally repressed and attempt in telling their stories to gain some sense of meaning and dignity in an otherwise desperate life. The work has received high critical acclaim and is considered one of the great American works of the 20th century. Sherwood Anderson (1876 – 1941) was an American novelist and short story writer, known for subjective and self-revealing works. Anderson published several short story collections, novels, memoirs, books of essays, and a book of poetry. He may be most influential for his effect on the next generation of young writers, as he inspired William Faulkner, Ernest Hemingway, John Steinbeck, and Thomas Wolfe.

Not mighty in size, but mighty in resourcefulness and industry, the ant has crawled the earth since prehistoric times. It has dwelt in rainforest tree trunks and acorns of oak trees, beneath logs, and under sidewalks. It has protected forests by capturing insects, cleared weeds away from acacia trees, and by growing gardens has released important nutrients into the soil. Seed lifters, dirt diggers, social beings, ants have the most advanced brain of all insects! So watch where you step, especially on a warm day: a small but mighty ant may be underfoot.

With the Common Core State Standards emphasizing listening and speaking across the curriculum, these long-neglected language arts are regaining a place in schools. For teachers, this means reexamining practices and rethinking expectations. How much do we know about teaching listening and speaking as the complex communication skills they are? How do we teach students to discuss appropriately, integrate and understand the mountains of information they receive, and express themselves clearly and effectively? In this lively and practical book, 20-year teaching veteran Erik Palmer presents an approach aligned to the six Common Core anchor standards for speaking and listening but focused on preparing students for 21st century communication inside and beyond the classroom. Here, you'll get concrete guidance for teaching and assessing * Collaborative discussion * Listening and media literacy * Questioning and reasoning * Speech presentation * Effective multimedia use * Adapting speech to different content and tasks With due respect to reading and writing, we do most of our communicating—in the classroom and in life—through listening and speaking. Filled with examples and specific activities targeted to variety of subjects and grade levels, this book is an essential resource for all teachers interested in helping students acquire core skills that cross the content areas and support long-term success.

Afghanistan: Parvana's father is arrested and taken away by Taliban soldiers. Under Taliban law, women and girls are not allowed to leave the house on their own. Parvana, her mother, and sisters are prisoners in their own home. With no man to go out to buy food, they face starvation. So Parvana must pretend to be a boy to save her family. It is a dangerous plan, but their only chance. In fear, she goes out - and witnesses the horror of landmines, the brutality of the Taliban, and the desperation of a country trying to survive. But even in despair lies hope . . . Deborah Ellis has been to Afghan refugee camps and has listened to many stories like Parvana's.

What exactly is an "assignment," and why does it matter? How can educators ensure that their teaching meets the

rigorous demands of the Common Core State Standards, so that all students are well prepared for college or careers? Drawing from her extensive experience as a teacher coach, author Eleanor Dougherty answers these questions and many more, with two aims in mind: (1) to guide teachers and administrators in crafting high-quality assignments, and (2) to help educators understand the powerful impact that assignments can have on teaching and learning. The book explains the critical differences among "assignments," "activities," and "assessments" and thoroughly describes the key elements of an assignment: prompts, rubrics, products, and instructional plans. Readers will learn how to

- * Follow a seven-step process for crafting effective assignments;
- * Link assignments to units and courses;
- * Devise "Anchor" assignments for collaboration and consistency across grades;
- * Tap into instructional "touchstones" that can enrich any assignment;
- * Create classroom and school environments that support assignment-making; and
- * Use assignments as a source of data about teaching and learning.

Equipped with the knowledge and expertise gained from *Assignments Matter*, readers will be able to create meaningful learning experiences for their students and come to appreciate the author's belief that "assignments may well be the missing link in school reform efforts to improve student achievement."

The *Altar of Innocence* is about a mother who is an unfilled artist and a daughter who struggles to untangle the web of her mother's depression, alcoholism, and suicide attempt. As the daughter grows into a woman, she experiences her own confrontation with depression and a crumbling marriage. Deeply dissatisfied with the explanation of depression as a chemical imbalance in the brain, she peers into her own dark night of the soul and undertakes a spiritual journey. In order to finally claim her voice, she must overcome the patriarchy of the mental health system, challenge her treatment options, and navigate an increasingly difficult relationship with her husband. The poems in *The Altar of Innocence* come from my heart and from the sincere desire to share my journey in the hopes that others may find courage and inspiration.

Ann Bracken creates a vibrant dialogue with her reader. Her emotional vocabulary is wholeheartedly offered to us like a gift to the world. Bracken's strength comes from an equilibrium between idea and performance; interior and exterior lives, smartly drawn. With a strong voice, vitally engaged, she presents characters and behavior without judgment. Poetry is the vehicle that makes us laugh and cry at her *Altar of Innocence*.

Grace Cavalieri, poet and producer of the radio show *The Poet and the Poem* from the Library of Congress

The Altar of Innocence offers readers a rare and compassionate look at depression. By telling her mother's story and sharing her own, Ann Bracken takes us on an intimate journey through two generations of mental illness and ultimate healing. Readers will find hope in her journey.
