

Peace Like A River

When Norman Maclean sent the manuscript of *A River Runs through It and Other Stories* to New York publishers, he received a slew of rejections. One editor, so the story goes, replied, "it has trees in it." Forty years later, the title novella is recognized as one of the great American tales of the twentieth century, and Maclean as one of the most beloved writers of our time. The finely distilled product of a long life of often surprising rapture—for fly-fishing, for the woods, for the interlocked beauty of life and art—*A River Runs through It* has established itself as a classic of the American West. This new edition will introduce a fresh audience to Maclean's beautiful prose and understated emotional insights. Elegantly redesigned, *A River Runs through It* includes a new foreword by Robert Redford, director of the Academy Award-winning 1992 film adaptation of *River*. Based on Maclean's own experiences as a young man, the book's two novellas and short story are set in the small towns and mountains of western Montana. It is a world populated with drunks, loggers, card sharks, and whores, but also one rich in the pleasures of fly-fishing, logging, cribbage, and family. By turns raunchy and elegiac, these superb tales express, in Maclean's own words, "a little of the love I have for the earth as it goes by."

"A young rabbit is frightened by his underwear"--

'Things Fall Apart' tells the story of Okonkwo, an important man in the Igbo tribe in the days when white men were first on the scene. Okonkwo becomes exiled from his tribe, as a result of his pride and his fears, with tragic consequences.

Comfort Me With Apples is a terrifying new thriller from bestseller Catherynne M. Valente, for fans of *Gone Girl* and *Spinning Silver*. Sophia was made for him. Her perfect husband. She can feel it in her bones. He is perfect. Their home together in Arcadia Gardens is perfect. Everything is perfect. It's just that he's away so much. So often. He works so hard. She misses him. And he misses her. He says he does, so it must be true. He is the perfect husband and everything is perfect. But sometimes Sophia wonders about things. Strange things. Dark things. The look on her husband's face when he comes back from a long business trip. The questions he will not answer. The locked basement she is never allowed to enter. And whenever she asks the neighbors, they can't quite meet her gaze.... But everything is perfect. Isn't it? This third collection of meditations, after the pattern of *By the Still Waters* and *Rest Awhile*, makes no claim to be profound. Surely in these days we must all be "fed up" with efforts at profundity. A miserable generation, buried under the ruins of its Tower of Babel needs simple truth like sick bodies need old-fashioned air and rest and sunshine. Like David in the cave of Adullam, men long for a drink of water from the well at Bethlehem. This little volume seeks to offer a cooling drink to parched souls in a dry land where no water is. It is offered in the name of Him who invited all to drink of Living Waters never to thirst again. "As cold waters to a thirsty soul, so is good news from a far country." There is good news from heaven: it is a day of good tidings from above and we would not hold our peace

Abigail Bennett was completely in control of her life until tragedy pushed her to the brink of something she's never experienced: Obsession. Now she's given up everything she's ever worked for to chase down the object of that obsession. His name is Tyler Kamp. As Abigail follows him across the border into Canada, her journey is awash in memories of family and childhood, especially those of her younger sister Hailey. Even as Abigail races into her future, her past pulls her back. Only when she is brought to the edge of her obsession will she be able to come to terms with the tragedy that ignited it.

As one of the world's leading glaciologists, Professor Jemma Wadham has devoted her career to the glaciers that cover one-tenth of the Earth's land surface. Today, however, these 'ice rivers' are in peril. High up in the Alps, Andes and Himalaya, once-indomitable glaciers are retreating; in Antarctica, meanwhile, thinning ice sheets are releasing meltwater to sensitive marine foodwebs, and may be unlocking vast quantities of methane stored deep beneath them. The potential consequences for humanity are almost unfathomable. Jemma's first encounter with a glacier, as a student, sparked her love of these icy landscapes. There is nowhere on Earth she feels more alive. Whether abseiling down crevasses, skidooning across frozen fjords, exploring ice caverns, or dodging polar bears - for a glaciologist, it's all in a day's work. Prompted by an illness that took her to the brink of death and back, in *Ice Rivers* Jemma recalls twenty-five years of expeditions around the globe, revealing why the glaciers mean so much to her - and what they should mean to us. As she guides us from the Alps to the Andes, the importance of the ice to crucial ecosystems and human livelihoods becomes clear - our lives are entwined with these coldest places on the planet. This is a memoir like no other: an eye-witness account by a top scientist at the frontline of the climate crisis, and an impassioned love letter to the glaciers that are her obsession.

"Peace Like a River" features the celebrated artist's paintings of canoes gliding on smooth waters, carefree children splashing in sunlight-bathed rivers, and quiet images of ribbons of water winding through the mountains. Includes inspirational quotations from such literary greats as Longfellow, Pascal, Tennyson and Shakespeare.

Hailed as one of the year's top five novels by *Time*, and selected as one of the best books of the year by nearly all major newspapers, national bestseller *Peace Like a River* captured the hearts of a nation in need of comfort. "A rich mixture of adventure, tragedy, and healing," *Peace Like a River* is "a collage of legends from sources sacred and profane -- from the Old Testament to the Old West, from the Gospels to police dramas" (Ron Charles, *The Christian Science Monitor*). In "lyrical, openhearted prose" (Michael Glitz, *The New York Post*), Enger tells the story of eleven-year-old Reuben Land, an asthmatic boy who has reason to believe in miracles. Along with his sister and father, Reuben

finds himself on a cross-country search for his outlaw older brother who has been controversially charged with murder. Their journey is touched by serendipity and the kindness of strangers, and its remarkable conclusion shows how family, love, and faith can stand up to the most terrifying of enemies, the most tragic of fates. Leif Enger's "miraculous" (Valerie Ryan, *The Seattle Times*) novel is a "perfect book for an anxious time ... of great literary merit that nonetheless restores readers' faith in the kindness of stories" (Marta Salij, *Detroit Free Press*). When Israel Finch and Tommy Basca, the town bullies, break into the home of school caretaker Jeremiah Land, wielding a baseball bat and looking for trouble, they find more of it than even they expected. For seventeen-year-old Davey is sitting up in bed waiting for them with a Winchester rifle. His younger brother Reuben has seen their father perform miracles, but Jeremiah now seems as powerless to prevent Davey from being arrested for manslaughter, as he has always been to ease Reuben's daily spungy struggle to breathe. Nor does brave and brilliant nine-year-old Swede, obsessed as she is with the legends of the wild west, have the strength to spring Davey from jail. Yet Davey does manage to break out. He steals a horse, and disappears. His family feels his absence so sorely, the three of them just pile into their old Plymouth, towing a brand new 1963 Airstream trailer, and set out on a quest to find him. And they follow the outlaw west, right into the cold, wild and empty Dakota Badlands. Set in the 1960s on the edge of the Great Plains, PEACE LIKE A RIVER is that rare thing, a contemporary novel with an epic dimension. Told in the touching voice of an asthmatic eleven-year-old boy, it revels in the legends of the West, resonates with a soul-expanding sense of place, and vibrates with the possibility of magic in the everyday world. Above all, it shows how family, love, and faith can stand up to the most terrifying of enemies, the most tragic of fates.

Bill Buford, an enthusiastic, if rather chaotic, home cook, was asked by the *New Yorker* to write a profile of Mario Batali, a Falstaffian figure of voracious appetites who runs one of New York's most successful three-star restaurants. Buford accepted the commission, on the condition Batali allow him to work in his kitchen, as his slave. He worked his way up to 'line cook' and then left New York to learn from the very teachers who had taught his teacher: preparing game with Marco Pierre White, making pasta in a hillside trattoria, finally becoming apprentice to a Dante-spouting butcher in Chianti. *Heat* is a marvellous hybrid: a memoir of Buford's kitchen adventures, the story of Batali's amazing rise to culinary fame, a dazzling behind-the-scenes look at a famous restaurant, and an illuminating exploration of why food matters. It is a book to delight in, and to savour.

Bestselling author Pat Conroy acknowledges the books that have shaped him and celebrates the profound effect reading has had on his life. Pat Conroy, the beloved American storyteller, is a voracious reader. Starting as a childhood passion that bloomed into a life-long companion, reading has been Conroy's portal to the world, both to the farthest corners of the globe and to the deepest chambers of the human soul. His interests range widely, from Milton to Tolkien, Philip Roth to Thucydides, encompassing poetry, history, philosophy, and any mesmerizing tale of his native South. He has for years kept notebooks in which he records words and expressions, over time creating a vast reservoir of playful turns of phrase, dazzling flashes of description, and snippets of delightful sound, all just for his love of language. But for Conroy reading is not simply a pleasure to be enjoyed in off-hours or a source of inspiration for his own writing. It would hardly be an exaggeration to claim that reading has saved his life, and if not his life then surely his sanity. In *My Reading Life*, Conroy revisits a life of reading through an array of wonderful and often surprising anecdotes: sharing the pleasures of the local library's vast cache with his mother when he was a boy, recounting his decades-long relationship with the English teacher who pointed him onto the path of letters, and describing a profoundly influential period he spent in Paris, as well as reflecting on other pivotal people, places, and experiences. His story is a moving and personal one, girded by wisdom and an undeniable honesty. Anyone who not only enjoys the pleasures of reading but also believes in the power of books to shape a life will find here the greatest defense of that credo. BONUS: This ebook edition includes an excerpt from Pat Conroy's *The Death of Santini*.

Midwestern movie house owner Virgil Wander is "cruising along at medium altitude" when his car flies off the road into icy Lake Superior. Virgil survives but his language and memory are altered and he emerges into a world no longer familiar to him. Awakening in this new life, Virgil begins to piece together his personal history and the lore of his broken town, with the help of a cast of affable and curious locals - from Rune, a twinkling, pipe-smoking, kite-flying stranger investigating the mystery of his disappeared son; to Nadine, the reserved, enchanting wife of the vanished man, to Tom, a journalist and Virgil's oldest friend; and various members of the Pea family who must confront tragedies of their own. Into this community returns a shimmering prodigal son who may hold the key to reviving their town. With intelligent humor and captivating whimsy, Leif Enger conjures a remarkable portrait of a region and its residents, who, for reasons of choice or circumstance, never made it out of their defunct industrial district. Carried aloft by quotidian pleasures including movies,

fishing, necking in parked cars, playing baseball and falling in love, Virgil Wander is a swift, full journey into the heart and heartache of an often overlooked American Upper Midwest by a "formidably gifted" (Chicago Tribune) master storyteller. Eleven-year-old Reuben shares the story of how his father, trying to raise his sons alone in 1960s Minnesota, takes their family on a quest to find Reuben's older brother, who has been charged with murder.

A New York Times bestseller! "Lively and absorbing. . ." — The New York Times Book Review "Engrossing." —Wall Street Journal "Entertaining and well-researched . . ." —Houston Chronicle Three noted Texan writers combine forces to tell the real story of the Alamo, dispelling the myths, exploring why they had their day for so long, and explaining why the ugly fight about its meaning is now coming to a head. Every nation needs its creation myth, and since Texas was a nation before it was a state, it's no surprise that its myths bite deep. There's no piece of history more important to Texans than the Battle of the Alamo, when Davy Crockett and a band of rebels went down in a blaze of glory fighting for independence from Mexico, losing the battle but setting Texas up to win the war. However, that version of events, as Forget the Alamo definitively shows, owes more to fantasy than reality. Just as the site of the Alamo was left in ruins for decades, its story was forgotten and twisted over time, with the contributions of Tejanos--Texans of Mexican origin, who fought alongside the Anglo rebels--scrubbed from the record, and the origin of the conflict over Mexico's push to abolish slavery papered over. Forget the Alamo provocatively explains the true story of the battle against the backdrop of Texas's struggle for independence, then shows how the sausage of myth got made in the Jim Crow South of the late nineteenth and early twentieth century. As uncomfortable as it may be to hear for some, celebrating the Alamo has long had an echo of celebrating whiteness. In the past forty-some years, waves of revisionists have come at this topic, and at times have made real progress toward a more nuanced and inclusive story that doesn't alienate anyone. But we are not living in one of those times; the fight over the Alamo's meaning has become more pitched than ever in the past few years, even violent, as Texas's future begins to look more and more different from its past. It's the perfect time for a wise and generous-spirited book that shines the bright light of the truth into a place that's gotten awfully dark.

Now available in paperback and one of Beth Moore's most popular writings to date, Breaking Free is the breakthrough book on how to overcome the strongholds of sin and discover a better life.

Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, To Kill a Mockingbird has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

The highly acclaimed and provocatively rendered story of a young postulant's claim to divine possession and religious ecstasy.

Have you ever felt like a hamster on a wheel, running faster and faster without getting anywhere? Do you experience emptiness in the midst of endless pursuits and busyness? Journey with me down the meandering river of my writing; a pathway of peace found only in a personal relationship with the Prince of Peace, Jesus Christ. " For thus says the LORD, "Behold, I extend peace to her like a river, And the glory of the nations like an overflowing stream; And you will be nursed, you will be carried on the hip and fondled on the knees."
