“One of America’s most notorious murder cases inspires this feverish debut” novel that goes inside the mind of Lizzie Borden (The Guardian). On the morning of August 4, 1892, Lizzie Borden calls out to her maid: Someone’s killed Father. The brutal ax-murder of Andrew and Abby Borden in their home in Fall River, Massachusetts, leaves little evidence and many unanswered questions. In this riveting debut novel, Sarah Schmidt reimagines the day of the infamous murders as an intimate story of a family devoid of love. While neighbors struggle to understand why anyone would want to harm the respected Borden, those close to the family have a different tale to tell? of a father with an explosive temper, a spiteful stepmother, and two spinster sisters desperate for their independence. As the police search for clues, Lizzie’s memories of that morning flash in scattered fragments. Had she been in the barn or the pear arbor to escape the stifling heat of the house? When did she last speak to her stepmother? Were they really gone and would everything be better now? Shifting among the perspectives of the unreliable Lizzie, her older sister Emma, the housemaid Bridget, and the enigmatic

stranger Benjamin, the events of that fateful day are slowly revealed through a high-wire feat of storytelling.

This groundbreaking novel is considered by many to be one of the most important early entries in the western genre. Considered by many the greatest war novel of all time, *All Quiet on the Western Front* is Erich Maria Remarque's masterpiece of the German experience during World War I. I am young, I am twenty years old; yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of sorrow. . . . This is the testament of Paul Bäumer, who enlists with his classmates in the German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first bombardment in the trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another . . . if only he can come out of the war alive. "The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure."—The New York Times Book Review

Every citizen has all of their needs completely taken care of. But the price is a life without passion, creativity, or adventure. "Care to share your thoughts?" I licked my lips . . . ready to share more than just the thoughts. He'd said earlier he wondered what I tasted like. I was wondering the same about him. "Is it easy for you? Telling the truth?" I asked. "Generally." "How? Not that I lie, but I just don't know how you can say what you say." "You mean voice what I want?" "Yes." It was then it hit me. I wanted that. To be able to say what I wanted. Put a voice to my fears. My desires. My everything. To have someone actually listen. "It's a matter of worth over value," he said. "Any given thing has a value. I just decide what it's worth to me to keep that value." He took a step forward. "For example, you have a value. My silence wasn't worth you walking away."
