How do I know it's God? is one of the most commonly asked questions of new and mature Christians alike, and the aim of God Conversations is to both equip and inspire the reader and show them that hearing the voice of the Spirit is accessible to everyone who chooses to follow Jesus. Most Christians know that God speaks, yet struggle with how to recognise his voice in their everyday lives. What does God's voice sound like? How do we know if what we're hearing is from God? Stories of God talking to his people abound throughout the Bible, but we usually only get the highlights. We read; "And God said to Joseph; 'Go to Egypt'," and then; "Mary and Joseph left for Egypt." We don't get a blow-by-blow description of how God spoke. We don't receive a detailed explanation of how they knew it was God, and we don't get to see what was going on inside their heads as they acted on what they'd heard. In God Conversations, international speaker and pastor Tania Harris shares insights from her own journey about hearing God's voice. You'll get to eavesdrop on some contemporary conversations with God in the light of his communication with the ancient characters of the Bible. Part memoir, part teaching, this unique and creative

them and even perform Bible studies around various parts of the revelation. Sometimes months go by, sometimes years go by and those precious dreams, visions or words from the Lord slowly seem to fade from our memories? Then all the sudden, something comes forth as if God just breathed on previous revelation, however, we have no journal to look back upon. Other times God will confirm previous revelation through another vessel and when that does happen it is much easier to confirm the revelation as we look back through our journal. With this journal, and the simplicity of writing these important matters down, they will not simply fade from our memories in get lost in the mix.

You will spend on average six years of your life dreaming. This is more than a simple mental process. This book teaches you how to understand the language of dreams and visions so that you can hear what God is saying to you at night, and during your prayer times. Love has a Voice and He wants to speak to His modern-day people. Everybody dreams, and there is great interest in dreams. much ignorance and misunderstanding of this important and vital ministry. This is partly due to the lack of teaching on the subject of the prophetic ministry, the lack of depth in the understanding of spiritual matters concerning the church, fear, distrust between leaders, pride, jealousy and disobedience to the Spirit of God and the will and plan of God for end-time-ministry. All of these things and such like are to be blamed for the ignorance and misunderstanding that currently exist concerning the prophet's ministry. As the church draws nearer to the end of the church-age prophets, prophetess and prophetic ministries will become more necessary and in increasing demand. The purpose of this book is to show biblical evidence for the ministry of the modern-day prophet/prophetess and to show they still exist within the New Testament Church. The purpose is also to establish knowledge of the workings of, the need of and the importance of the modern-day prophetic ministry. Without the ministry of the prophet/prophetess the body of Christ would indeed be incomplete. " Why The Church Needs The Prophet's Ministry" is an excellent guide for opening the doors of awareness to the prophet's ministry and for the bringing about of understanding that can lead to cooperation between the five-fold-ministry, as well as the entire body of Christian workers, adding to the completion of the end-time work of the ministry."

The author shares some of the dreams and visions he has experienced to help you understand and interpret those you experience. You'll also learn how to use those interpretations. After all, if used incorrectly, these gifts will be taken away. If you have experienced prophetic visions and dreams and want to know more about them, or if you are simply interested in the subject, Visions and Dreams: Prophetic Gifts of the Holy Spirit will help you understand and interpret these special gifts from God. Prophetic Visions helps to make spiritual and practical sense of your Godly visions and reveals how messages from God cover a wide spectrum of supernatural occurrences ranging from a mere sighting to a grand cinematographic happening --from purely auditory to purely aromatic. For many people, the ability to recall dreams diminishes with age--but with visions, the capacity to receive by visions not only increases with age but actually gets better. The scope of visions therefore becomes limitless. Visions can involve the totality of the human being--body, soul, and spirit--such that a vision can sometimes be perceived through the natural senses if the vision has penetrated the natural realm. This means that depending on the nature by the visionary occurrence, the vision can be seen, heard, touched, or smelled! Exciting

This book was birthed as a result of seeing many sincere Christians falling into heresy, myths, and fairy tales spun by irresponsible preachers who would speak anything in order to gain an audience through lies and deceit. The contents of this book are not fictional. They were all painstakingly tested and lived in order to test the doctrines learnt in the modern churches. This book is dedicated to help those who want to move in the Spirit of God, to be truly led by him and not by man-made rules and teachings, which have no power to manifest the presence of God in their walk. The author teaches how to hear from God and the main principles or laws in the kingdom of God that is true kingdom living. The author was ordained and called by God through three distinct verses given supernaturally by the Holy Spirit; these are Numbers 33:33, Job 33:33, and Ezekiel 33:33.

He challenges indifference and complacency, while discouraging doctrinal disorder in the administration of the gift. Slack provides a powerful and much needed balance that will allow Church leaders to see the great potential for blessing in the prophetic while reducing the risk. Through Scripture, Slack offers leaders, from all doctrinal backgrounds, a faith-building process for realizing prophecy that leads to Church edification. (1

and Cynthia Brazelton, founders and pastors, Victory Christian Ministries International "Kris Vallotton's book reminds us that the heart of prophecy should be God's heart to build up, encourage and speak life. Kris goes through strategic and important teaching about prophecy versus the office of prophet, specifically in the context of the Church. I highly recommend this book and pray that it helps you to understand the prophetic and to 'call the gold' out of those around you."--Heidi Baker, Ph.D.; co-founder and director, Iris Global "As I read this book, I could hear the sound of an entire generation of voices emerge that will transform culture. Kris Vallotton is a father to these voices. School of the Prophets presents a practical methodology for prophetic community and a powerful manifesto for prophetic transformation in this generation."--Bob Hazlett, author, *The Roar: God's Sound in a Raging World; Future Perspectives*, New Haven, Connecticut
