time. Nobody can crack Gianna's facade . . . no one anyway, until he comes along. Most see a paragon of morality; a special agent upholding the law. In the New York underworld, others know him as a hustler, a killer, his nature as cold as the heart of ice in his chest. Christian Allister has always followed the life plan he'd envisioned in his youth, beneath the harsh lights of a frigid, damp cell. With a proclivity for order and the number three, he's never been tempted to veer off course. But perhaps one should never say never . . . One winter night and their lives intertwine. She hates him--his stone-cold demeanor, his arrogance and too-perceptive eye--but over the years, even as their games consist of insulting each other's looks and intelligence, she begins to live to play with him. Nowhere in Christian's plans had he ever prepared for Gianna. She's chaos embodied, not his type, and married, but none of that can stop his eyes from following her wherever she goes. All along, she doesn't even know that she's his--his frustration, his fascination. His maddest obsession.\*Can be read as a standalone

A hockey-playing prince, a most improper lady, and one accidental pregnancy... When you're an heir so spare that getting attacked by a shark is more likely than you ever wearing the crown, you're only allowed certain liberties. Yet still, those liberties can bite you in the ass. Good thing I'm such a charming devil. Even then, I've been banished to America for a year under the pretense of playing professional hockey while my father cleans up my latest mess. But trouble follows me wherever I go. Generally trouble of the beautiful female variety, and Gracie Diamonte is no exception. Or possibly, she's the best exception. Until the dinosaur suit. The cookie incident. And the accidental pregnancy. Of course I'll do the right thing. Just as soon as I solve that pesky problem of my royal betrothal. I'm about to be the biggest scandal to rock my country and there's a good chance my father may throw me to the sharks after all. The funny thing is I've heard that raising children may not be so different from swimming with the sharks. So no matter how you look at things I am Royally Pucked. Royally Pucked is a hilariously wrong romance between a spare heir and the lady least likely to ever wear a princess crown, complete with dirty cookies, an emotional support monkey, and lots of pucking around. I wish that was the kind of life I lead, but it's not. I don't need a date to a wedding. I need a date to a funeral. Clumsy sometimes fits, but then, that's true for all of us, right? But adorable? No. Misunderstood? Nope again. I'm just your average girl, standing in front of a funeral invitation, asking it to be a winning lottery ticket instead. And I don't have a brother, or a best friend with a brother available, which means I'm stuck with Tyler Jaeger. Sure, he's a professional hockey player who also knows advanced calculus, but let's say we're not compatible and leave it at that. I should know. I am a matchmaker. Not a very good one, but that's beside the point. I know a mismatch when I see one. Still, Tyler's what I've got, and I am not going to this funeral solo, so he's what I'll take. After all-what could go wrong at a funeral? I Pucking Love You is a hilariously wrong romantic comedy about the world's worst matchmaker, a hockey player with a problem he doesn't want to talk about, and an awkward date-of-convenience that everyone would prefer to forget. \*\*\*The 2nd standalone novel in The Pucked Series\*\*\* Miller "Buck" Butterson has been banging his way through life ever since a puck to the face fixed his messed up front teeth. After five years in the NHL, deflecting goals on the ice and scoring them with puck bunnies, Miller has decided he's ready for a girlfriend. A real, non-bunny girlfriend to take on dates, and not jump into bed with after five seconds of conversation. Miller thinks he's found that woman in his teammate's sister. Except, unlike team captain and all-around nice guy Alex Waters--who happens to date his stepsister, Miller's media reputation as a manwhore is well earned. Beyond that minor detail, Miller doesn't know the first thing about relationships or the time and effort they require. Miller learns--eventually--that if he wants to make Sunshine "Sunny" Waters fall for him, he's going to have to do a whole lot more than show her his stick skills in the bedroom. Being engaged to Alex Waters, team captain and the

highest paid NHL player in the league, is awesome. How could it not be? Alex is the whole package and more. Literally. Like his package is insane. Total world record holder material. So it makes complete sense that Violet Hall can't wait to nail him down to the matrimonial mattress and become Mrs. Violet Waters. It's so romantic. Violet is totally stoked to set a date. Eventually. At some point. Likely before the next millennium. Or when Violet stops getting hives every time someone brings up the wedding, and their mothers stop colluding on stadium sized venues. Whichever comes first. \*\*\*Forever PUCKED is a followup to PUCKED (The Pucked Series Book 1), while it is not necessary to have read Pucked Up (Book 2) or Pucked Over (Book 3) it is highly recommended to that you read Pucked first.\*\*\* After marrying his daughter off, a hockey professional is ready to have fun and begins his newfound freedom with his daughter's sister-in-law, but neither of them expect to get pregnant while in their mid-forties.

twenty. But I'm a firm believer in teaching by example, and by the end of our first sex lesson, we've graduated to a hands on approach to her education: my hands all over her, her hands all over me, and her hot mouth melting beneath mine as I prove to her there isn't a damned thing wrong with the way she kisses. Give me a month, and I'll transform Libby from wall flower to wall banger, and ensure she's confident enough to seduce any guy she wants. Problem is... the only guy I want her seducing is me. SEXY MOTHERPUCKER Laura Collins is the last woman I should be thinking about taking in the back seat of my car, in the woods behind my in-laws' house, or in a hotel room where we're sharing one very small, very squeaky bed. I need a steady, stable influence for my daughter, not a fling with this too wild, too young, too impulsive red head. So what if she's beautiful and intense and passionate and has the biggest heart I've ever known? I don't want to fall in love. I really don't. The whole "pretend girlfriend" thing was supposed to solve my problems, buy me a little more time. But when it comes to Laura? Hell, maybe I'm just not cut out for faking it. PUCK AHOLIC I hate my new roommate... And I want to do dirty, delicious things to her in that swing she installed that we both know has nothing to do with aerial yoga.
