In the wry but affectionate tradition of Bill Bryson, *Ciao, America!* is a delightful look at America through the eyes of a fiercely funny guest—one of Italy's favorite authors who spent a year in Washington, D.C. When Beppe Severgnini and his wife rented a creaky house in Georgetown they were determined to see if they could adapt to a full four seasons in a country obsessed with ice cubes, air-conditioning, recliner chairs, and, of all things, after-dinner cappuccinos. From their first encounters with cryptic rental listings to their back-to-Europe yard sale twelve months later, Beppe explores this foreign land with the self-described patience of a mildly inappropriate beachcomber, holding up a mirror to America's signature manners and mores. Succumbing to his surroundings day by day, he and his wife find themselves developing a taste for Klondike bars and Samuel Adams beer, and even that most peculiar of American institutions—the pancake house. The realtor who waves a perfect bye-bye, the overzealous mattress salesman who bounces from bed to bed, and the plumber named Marx who

deals in illegally powerful showerheads are just a few of the better-than-fiction characters the Severgninis encounter while foraging for clues to the real America. A trip to the computer store proves just as revealing as D.C.'s Fourth of July celebration, as do boisterous waiters angling for tips and no-parking signs crammed with a dozen lines of fine print. By the end of his visit, Severgnini has come to grips with life in these United States—and written a charming, laugh-out-loud tribute.

Lo stile è l'insieme di quelle scelte che permettono a uno scrittore di sorvegliare e rappresentare in un determinato modo le storie, perché ci sono molti modi per narrare: Flaubert, Manzoni, Austen, Tolkien, George R. R. Martin, Pavese, Stephen King, e molti altri, hanno impresso nelle loro straordinarie opere un marchio riconoscibile e indimenticato, frutto di un'accurata ricerca stilistica in cui hanno saputo unire tecnica e personalità. Tutti gli scrittori possono fare altrettanto, perché lo stile non è solo istinto artistico o anarchia creativa, è anche lucido e preciso ragionamento, rafforzato dallo studio delle norme sintattiche e compositive, dall'analisi dei segni di interpunzione e della loro funzione, dalla riflessione sull'efficacia delle parole, dal lavoro accurato sul livello retorico, dall'approfondimento degli stili dei singoli generi letterari, dalla lettura creativa dei testi dei Grandi autori, il tutto unito allo sviluppo artistico e personale grazie alla pratica costante. Questo manuale è pensato per dare al lettore le chiavi per lavorare sul proprio stile di scrittura, con consapevolezza ed efficacia.

In a sprawling villa on the outskirts of Rome, the members of the Pontecorvo family have gathered for dinner. Leo Pontecorvo, an internationally revered pediatric oncologist, is forty-eight. His wife, Rachel, is a physician and the loving mother to Filippo and Samuel, two amiable pre-teens. The evening news is on in the living room but nobody pays it any attention until Dr. Pontecorvo's name surfaces from the background noise and a news item airs that will change the lives of the Pontecorvos forever. Leo Pontecorvo has been publicly accused of a vile crime. A spotlight is turned on him that reveals the mistakes, regrets, and contradictions of a lifetime. Every detail of his private and professional life is about to come under scrutiny, to be debated by both friends and foes, by ravenous reporters and punctilious prosecutors. But Leo could bear all this if it weren't for the suspicious gazes of his wife and children. Surely they, of

We all know the basics of punctuation. Or do we? A look at most neighborhood signage tells a different story. Through sloppy usage and low standards on the internet, in email, and now text messages, we have made proper punctuation an endangered species. In *Eats, Shoots & Leaves*, former editor Lynne Truss dares to say, in her delightfully urbane, witty, and very English way, that it is time to look at our commas and semicolons and see them as the wonderful and necessary things they are. This is a book for people who love punctuation and get upset when it is mishandled. From the invention of the question mark in the time of Charlemagne to George Orwell shunning the semicolon, this lively history makes a powerful case for the preservation of a system of printing conventions that is much too subtle to be mucked about with.

«Riappropriamoci delle nostre parole, e dei binari che le fanno scorrere felici. Avviciniamoci alla punteggiatura con un po' di sprezzante curiosa allegria.» La virgola e il punto fermo hanno fagocitato il punto e virgola e i due punti. I catastrofisti dicono che rimarremo solo con il punto (o 'soli con il punto'): più che una scrittura telegrafica è un ritorno al telegrafo. Eppure, con una sola virgola ben messa si può illuminare una pagina. Allora, cosa si può e cosa non si può fare con questi segnetti meravigliosi? E soprattutto: come li hanno usati gli altri, quelli bravi e molto

più autorevoli di noi? Questo libro tenta di fare chiarezza. Con semplicità e metodo, e la guida di mirabili scrittori, racconta gli usi corretti ed errati di virgola e punto e virgola, a partire da casi reali tratti da romanzi, saggi, articoli. Incontreremo autori che usano la punteggiatura in modo automatico e naturale, come se fosse il respiro del testo; altri che la usano come un'arma, come manifesto estetico ed esistenziale. Affronterete le incertezze della vostra punteggiatura, ad una ad una, anche quelle che non sapevate di avere. Sfideremo gli 'atroci dubbi', eviteremo le trappole, disinnesceremo le mine – con leggerezza e senza paura di sbagliare, perché la creatività ci permette di allargare i confini delle norme. Provate a tirare l'elastico: che i vostri segni-lucciola diventino fari per illuminare le vostre idee. Pronti a rifare la punta alla punteggiatura?

'All the books published by a certain publisher could be seen as links in a single chain' In this fascinating memoir and manifesto the author and publisher Roberto Calasso meditates on the art of book publishing. With his signature erudition and polemical flair, Calasso transcends Adelphi to look at the publishing industry as a whole, from the essential importance of graphics, jackets and cover flaps to the consequences of universal digitization. And he outlines what he describes as the 'most hazardous and ambitious' profile of what a publishing house can be: a book comprising many books, akin to that of other twentieth-century publishers, from Giulio Einaudi to Roger Straus, of whom the book offers brief portraits.

In Romania at the height of Ceausescu's reign, a group of young people move to the city in search of better prospects, but they must face betrayal and suicide, and the choice to bend to the oppressors or resist and die.

“Parto da una considerazione: l'Italia è l'unico Paese del Continente nel quale, dal dopoguerra, non si sono realizzati governi di sola sinistra né di sola destra, ma di coalizione e di compromesso, dei quali sono stati protagonisti indiscussi i partiti, e non un partito.” Da questo spunto Carmelo Conte procede per ricostruire la situazione attuale della politica italiana, leggendo in controluce le contraddizioni che hanno favorito l'emergere di fronti populistici che oggi continuano a radicarsi sempre più da una parte all'altra dell'emiciclo parlamentare. Dai partiti alla partitocrazia, e da questa ai populismi e alla loro proteiforme varietà. “L'Italia al tempo dei populismi” è una precisa genealogia della cronaca politica di questo Paese, descritta al netto di narrazioni faziose e di rivendicazioni di parte. Un'onesta e preoccupata fotografia della malattia non solo istituzionale ma culturale che da un ventennio, slogan dopo slogan, ha investito l'Italia trasformandone irrimediabilmente la dialettica politica, imponendo la narrazione populista come unico linguaggio comprensibile e gradito dall'elettorato. Carmelo Conte è nato a Piaggine e vive ad Eboli. Avvocato. Sindaco di Eboli (1973-74), Consigliere regionale, Vice Presidente della giunta regionale della Campania (1976-78), Deputato al Parlamento nazionale per quattro legislature (1979-1994), Sottosegretario alla Presidenza del Consiglio dei Ministri (1979-1980) e Ministro delle aree urbane (1989-93). In this new book Zygmunt Bauman and Riccardo Mazzeo examine the contentious issue of the relation between literature (and the arts in general) and sociology (or, more generally, a branch of the humanities claiming scientific status). While many commentators see literature and sociology as radically different vocations, Bauman and Mazzeo argue that they are bound together by a common purpose and a shared subject matter. Despite the many differences in terms of their methods and their ways of presenting their findings, novels and sociological texts are not at cross-purposes. Indeed, it is precisely their differences that make them at once indispensable to each other and mutually complementary. The writers of novels and of sociological texts may explore their world from different perspectives, seeking and producing different types of 'data', but their products bear the unmistakable marks of their shared origin. They feed each other and depend on each other in terms of their agenda, their discoveries and the contents of their messages. In a world characterized by the continuous search for new sensations and the fetishism of consumption, they bring fundamental existential questions back to the public agenda. Literature and sociology reveal the truth of the human condition only when they stay in one another's company, remaining attentive to each other's findings and

engaged in a continuous dialogue. For only together can they rise to the challenging task of untangling and laying bare the complex intertwining of biography and history as well as of individual and society that totality we are constantly shaping while being shaped by it. An overlooked classic of Italian literature, this epic and unforgettable novel recounts one man's long and turbulent life in revolutionary Italy. At the age of eighty-three and nearing death, Carlo Altoviti has decided to write down the confessions of his long life. He remembers everything: his unhappy childhood in the kitchens of the Castle of Fratta; romantic entanglements during the siege of Genoa; revolutionary fighting in Naples; and so much more. Throughout, Carlo lives only for his twin passions in life: his dream of a unified, free Italy and his undying love for the magnificent but inconstant Pisana. Peopled by a host of unforgettable characters - including drunken smugglers, saintly nuns, scheming priests, Napoleon and Lord Byron - this is an epic historical novel that tells the remarkable and inseparable stories of one man's life and the history of Italy's unification. Ippolito Nievo was born in 1831 in Padua. *Confessions of an Italian*, written in 1858 and published posthumously in 1867, is his best known work. A patriot and a republican, he took part with Garibaldi and his Thousand in the momentous 1860 landing in Sicily to free the south from Bourbon rule. Nievo died before he reached the age of thirty, when his ship, en route from Palermo to Naples, went down in the Tyrrhenian Sea in early 1861. He was, Italo Calvino once said, the sole Italian novelist of the nineteenth century in the 'daredevil, swashbuckler, rambler' mould so dear to other European literatures. Frederika Randall has worked as a cultural journalist for many years. Her previous translations include Luigi Meneghello's *Deliver Us* and Ottavio Cappellani's *Sicilian Tragedee* and Sergio Luzzatto's *Padre Pio: Miracles and Politics in a Secular Age*. One book. Two readers. A world of mystery, menace, and desire. A young woman picks up a book left behind by a stranger. Inside it are his margin notes, which reveal a reader entranced by the story and by its mysterious author. She responds with notes of her own, leaving the book for the stranger, and so begins an unlikely conversation that plunges them both into the unknown. The book: *Ship of Theseus*, the final novel by a prolific but enigmatic writer named V.M. Straka, in which a man with no past is shanghaied onto a strange ship with a monstrous crew and launched onto a disorienting and perilous journey. The writer: Straka, the incendiary and secretive subject of one of the world's greatest mysteries, a revolutionary about whom the world knows nothing apart from the words he wrote and the rumors that swirl around him. The readers: Jennifer and Eric, a college senior and a disgraced grad student, both facing crucial decisions about who they are, who they might become, and how much they're willing to trust another person with their passions, hurts, and fears. *S.*, conceived by filmmaker J. Il 10 maggio 1901 Giovanni Laterza diffondeva una circolare nella quale annunciava l'esordio della casa editrice Laterza con i volumi della "Piccola biblioteca di cultura moderna" e il cantiere della "Biblioteca di Cultura Moderna". Ai primi, incerti, passi di un'iniziativa con forte matrice locale seguì l'incontro con Croce e il decollo di una sigla che da allora ha acquisito un solido posto nell'editoria italiana ed europea. Nel 2001 è stata realizzata la prima edizione di questo Catalogo storico, per celebrare il centenario della casa editrice ma anche per onorare la memoria di chi l'ha guidata, trasformata, rilanciata, dal secondo dopoguerra alle soglie del Duemila: Vito Laterza, scomparso nel maggio di quell'anno. Questa edizione del Catalogo, aggiornata al 31 dicembre 2020, viene pubblicata vent'anni dopo per testimoniare come l'impegno di Vito Laterza, al pari di quello del fondatore Giovanni Laterza, è stato portato avanti. Con problemi, soluzioni e iniziative nuovi, ma sempre con l'obiettivo di selezionare, dare forma, diffondere contenuti culturali di qualità. Nel Catalogo storico sono contenuti tutti i titoli pubblicati in centoventi anni dalle Edizioni Laterza. In this book Umberto Eco argues that translation is not about comparing two languages, but about the interpretation of a text in two different languages, thus involving a shift between cultures. An author whose works have appeared in many languages, Eco is also the translator of Gérard de Nerval's *Sylvie* and Raymond Queneau's *Exercices de style* from French into Italian. In *Experiences in Translation* he draws on his substantial practical experience to identify and discuss some central problems of translation. As he convincingly demonstrates, a translation can express an evident deep sense of a text even when violating both lexical and referential faithfulness. Depicting translation as a semiotic task, he uses a wide range of source materials as illustration: the translations of his own and other novels, translations of the dialogue of American films into Italian, and various versions of the Bible. In the second part of his study he deals with

translation theories proposed by Jakobson, Steiner, Peirce, and others. Overall, Eco identifies the different types of interpretive acts that count as translation. An enticing new typology emerges, based on his insistence on a common-sense approach and the necessity of taking a critical stance.

As a boy growing up in rural Italy in the 1930s, *Damn* is experiencing the first stirrings of adolescence when he accidentally sees his mother having sex with the local Fascist commandant. His pain, anger, and confusion are uncomfortably intertwined with a compulsion to watch them, which becomes an obsession. Isolating himself from anyone who might help him understand what he's feeling, he channels his fury into his javelin, getting better and better until he is a local champion. But his success is fleeting, as wholly confused and caught up in his own anger, he ends up betraying and humiliating his friends. *The Javelin Thrower* is the story of an erotic education turned tragic, poisoned by the darkness running through Mussolini's Italy.

This vintage book contains the four dialogues between Socrates and Plato that chronicle the elder's final days. Socrates (470/469 – 399 BC) was an Athenian philosopher considered to be one of the founding fathers of Western philosophy. Plato (424/423 – 348/347 BC) was a Greek philosopher who founded the first institution of higher learning in the Western world, the Academy in Athens. This volume is highly recommended for anyone with an interest in philosophy and the life and mind of Socrates. edition complete with a specially commissioned new introduction. By bringing the concepts of identity, comparativism, and communication together, this volume invites a reinterpretation of these defining concepts of postmodernism. Composed of contributions from Australia, Azerbaijan, Japan, Romania and the Ukraine, this interdisciplinary and intercultural book investigates the multiple identities activated in broader discursive contexts. This collection of nineteen chapters opens with an introductory overview followed by two parts: the first, focusing on Plural identities and comparativism, contains a series of case studies that can be subsumed within imagology and comparativism; the second, Communication and discourse, illustrates two directions of research: literary communication and terminology. In spite of the methodological and thematic polyphony of its contributions, the volume adopts a unified and coherent tone. By integrating the study of contextual and discursive identities, this book will be of interest to all those involved in image and literary studies, in both linguistics and culture.
