La tregua is the story of Martin, a widower who begins to write the intimate details of his dull gray existence in a diary. But when a young new employee, Laura, bursts onto his office routine, Martin, a common but not mediocre man who is aware of his own limits and unattractiveness; unwittingly opens a luminous parenthetical statement in the diary of his life. Published in fifteen countries, translated into eight languages, and adapted for radio, television, and the theater.

De la mano del joven estudiante Eustace Bright, un grupo de niños se inicia en la mitología griega en una serie de veladas y excursiones que se suceden a lo largo de las distintas estaciones del año. Conocidas historias como las de Perseo y Medusa, el rey Midas, la caja de Pandora, Hércules en el jardín de las Hespérides, Teseo y el Minotauro, o Ulises y Circe, les descubren un mundo perdido y mágico, pero vivo en los secretos y prodigios de la naturaleza. El libro de las maravillas (1852) y Cuentos de Tanglewood (1853) fueron dos de los mayores éxitos de Nathaniel Hawthorne y todavía hoy se cuentan entre las mejores recreaciones del universo colosal y a veces «inextricablemente doloroso» de los antiguos mitos griegos. Siempre con la idea de que «el corazón de un ser humano común y corriente» es «sin duda diez veces más misterioso que el laberinto de Creta», es éste un clásico indiscutible para todas las edades. Esta edición se acompaña de las preciosas ilustraciones en color de Walter Crane (1892) y Virginia Frances Sterret (1921).

NEW YORK TIMES BESTSELLER • This instant classic explores how we can change our lives by changing our habits. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Wall Street Journal • Financial Times In *The Power of Habit*, award-winning business reporter Charles Duhigg takes us to the thrilling edge of scientific discoveries that explain why habits exist and how they can be changed. Distilling vast amounts of information into engrossing narratives that take us from the boardrooms of Procter & Gamble to the sidelines of the NFL to the front lines of the civil rights movement, Duhigg presents a whole new understanding of human nature and its potential. At its core, *The Power of Habit* contains an exhilarating argument: The key to exercising regularly, losing weight, being more productive, and achieving success is understanding how habits work. As Duhigg shows, by harnessing this new science, we can transform our businesses, our communities, and our lives. With a new Afterword by the author “Sharp, provocative, and useful.”—Jim Collins “Few [books] become essential manuals for business and living. *The Power of Habit* is an exception. Charles Duhigg not only explains how habits are formed but how to kick bad ones and hang on to the good.”—Financial Times “A flat-out great read.”—David Allen, bestselling author of *Getting Things Done: The Art of Stress-Free Productivity* “You’ll never look at yourself, your organization, or your world quite the same way.”—Daniel H. Pink, bestselling author of *Drive* and *A Whole New Mind* “Entertaining . . . enjoyable . . . fascinating . . . a serious look at the science of habit formation and change.”—The New York Times Book Review

Por primera vez la documentación de las negociaciones secretas para la rendición de los nacionalistas vascos con los franquistas se publica completa, íntegra y contextualizada. Incluye los documentos de los dos bandos que dan la clave y el discurrir de unas negociaciones que empezaron antes de la sublevación y que culminaron finalmente con la rendición. El autor ha realizado una investigación profunda de fuentes documentales, en España, Italia y el Vaticano, obteniendo las claves de las negociaciones, que con la garantía del Vaticano y de Italia, conllevaron a la toma de Bilbao y Margen Izquierda sin resistencia y a la entrega definitiva en masa a los fascistas italianos el 24 de agosto de 1937 en Santoña. Documentación secreta, que arroja luz sobre otros acontecimientos trágicos, como los asaltos a las cárceles, la expulsión del Obispo Múgica, el fusilamiento de los sacerdotes nacionalistas, los bombardeos de Durango y Guernica, las rendiciones de Bilbao y Baracaldo, o los rehenes personales de Jose Antonio Aguirre.

'A twisty, utterly riveting tale.' Tess Gerritsen \*\*\*The fast-paced, addictive No. 1 Sunday Times bestseller. Over one million copies sold.\*\*\* PEOPLE ARE CAPABLE OF ALMOST ANYTHING. You never know what's happening on the other side of the wall. Your neighbour told you that she didn't want your six-month-old daughter at the dinner party. Nothing personal, she just couldn't stand her crying. Your husband said it would be fine. After all, you only live next door. You'll have the baby monitor and you'll take it in turns to go back every half hour. Your daughter was sleeping when you checked on her last. But now, as you race up the stairs in your deathly quiet house, your worst fears are realized. She's gone. You've never had to call the police before. But now they're in your home, and who knows what they'll find there. What would you be capable of, when pushed past your limit? 'Meticulously crafted and razor-sharp. THE COUPLE NEXT DOOR lingers long after you turn the final page' HARLAN COBEN 'How well do we ever know those around us? THE COUPLE NEXT DOOR will keep you glued to the pages in search of the answer. Even then, you'll never guess the truth...until it's too late' LISA GARDNER \*\*\*OUT NOW \*\*\* the brand-new unputdownable thriller: NOT A HAPPY FAMILY

Find hope even in these dark times with this rediscovered masterpiece, a companion to his international bestseller *Man's Search for Meaning*. Eleven months after he was liberated from the Nazi concentration camps, Viktor E. Frankl held a series of public lectures in Vienna. The psychiatrist, who would soon become world famous, explained his central thoughts on meaning, resilience, and the importance of embracing life even in the face of great adversity. Published here for the very first time in English, Frankl's words resonate as strongly today—as the world faces a coronavirus pandemic, social isolation, and great economic uncertainty—as they did in 1946. He offers an insightful exploration of the maxim “Live as if you were living for the second time,” and he unfolds his basic conviction that every crisis contains opportunity. Despite the unspeakable horrors of the camps, Frankl learned from the strength of his fellow inmates that it is always possible to “say yes to life”—a profound and timeless lesson for us all.

Three women, three centuries and the same bone-china chocolate pot: Sara, the scion of a dynasty of chocolatiers from Barcelona, who prides herself on maintaining the family tradition; Aurora, the daughter

of a nineteenth-century maidservant, for whom chocolate is a forbidden luxury; Mariana, the wife of the most famous seventeenth-century chocolate manufacturer, an official purveyor to the French court and the inventor of a revolutionary chocolate mill. Through her passion for chocolate, Care Santos takes us on a spellbinding journey through its evolution, from the cocoa bean's first arrival in Europe to the many sophisticated products derived from it today, and shows us how we can understand the great shifts in history through the study of small things. Luscious and addictive, this novel will delight the reader's senses from start to finish.

Ignacio Vrljiak se sumerge en el conocimiento del psicoanálisis desde su formación de economista e impresiona por su vocación transdisciplinaria. Nos muestra que ambos caminos no son lejanos: subjetividad, intersubjetividad, comportamiento de masas, mercado, investigación del deseo, administración de la energía libidinal, no son problemas ajenos a la economía ni al psicoanálisis. Este libro no está escrito en clave iniciática, por el contrario tiende a ser comprensible y realiza puentes interdisciplinarios. Denota la preocupación por los "sujetos sujetos" a una empresa que deben tratar como propia, que con lamentable frecuencia, caen en la cuenta del error solo al llegar a la etapa del retiro. Hasta entonces acumulan desgaste, ignoran el sufrimiento y se hacen "adictos a la adrenalina" quizás para evitar una angustia de vacío. La alta gerencia es un conjunto socialmente funcional, pero que genera patología. Un grupo de riesgo con fenómenos sintomáticos. Se aproxima al psicoanálisis desde la llamada "clínica de la normalidad", una denominación ya consolidada que apunta a una perspectiva de excesos en la adaptación, propios de la enfermedad psicosomática, un tema bien desarrollado en su texto. Este libro es un aporte importante para los psicoanalistas, médicos y los propios ejecutivos ofreciendo conceptos útiles y novedosos para una mejor aproximación al problema. Dr. Osvaldo Bodni Docente, médico psiquiatra y psicoanalista. APA La capacidad polifacética de Ignacio es sorprendente. Este libro es una sorpresa más. Lic. According to author John Green, *The Fault In Our Stars* was inspired by his friendship with Esther Earl, who "redefined the process of dying young for me." (December 2012 Good Reads interview, [http://www.goodreads.com/interviews/show/828.John\\_Green](http://www.goodreads.com/interviews/show/828.John_Green)). He cautions his readers not to take the novel too literally however, stating that he doesn't "want people conflating Esther with Hazel (they're very different), and it's extremely important to me that I not claim to be telling Esther's story. Esther's story belongs to Esther and to her family." (John Green's tumblr, August 2, 2012 <http://fishingboatproceeds.tumblr.com/post/28557373623/everybody-was-told-to-make-a-funny-face-but-i>). Esther's story is told in the 2014 posthumous memoir *This Star Won't Go Out : the Life and Words of Esther Grace Earl*.

El testimonio conmovedor de un hombre que transform su vida cuando adopta a un perro. La transformación puede surgir de lugares inesperados: una visita a un refugio de animales y la búsqueda de un perro especial terminaron salvando la vida de Eric O'Grey. Eric O'Grey tenía un sobrepeso de 70 kilos, estaba deprimido y enfermo. Después de toda una vida de hacer dietas fallidas y con diabetes tipo 2, Eric acudió a un nuevo médico, quien sorprendentemente le prescribió que adoptara a un perro. Fue entonces cuando conoció a Peety: un perro obeso, de mediana edad y olvidado que, como él, había visto días mejores. Los dos se adoptaron y comenzaron un viaje increíble, formando un vínculo de amor incondicional que cambió para siempre sus vidas. En el transcurso de un año, Eric perdió 70 kilos y Peety perdió 11. Como resultado, Eric revertió su diabetes, dejó de depender de los medicamentos y se volvió feliz y saludable por primera vez en su vida. Comenzó a tener citas, después de estar solo durante quince años y, finalmente, se reencontró con el amor de su vida. ¿Peety? Su afecto marcará el camino en la aventura perruna de su vida. Peety, el perro que salvó mi vida es para cualquiera que esté listo para hacer un cambio en su vida, y para todos los que conocen la alegría, el amor y la esperanza que un perro puede inspirar. Esto es más que una historia de rescate mutuo. Esta es una historia picaresca de amistad y fuerza. ENGLISH DESCRIPTION Eric was 150 pounds overweight, depressed, and sick. After a lifetime of failed diet attempts, and the onset of type 2 diabetes due to his weight, Eric went to a new doctor, who surprisingly prescribed a shelter dog. And that's when Eric met Peety: an overweight, middle-aged, and forgotten dog who, like Eric, had seen better days. The two adopted each other and began an incredible journey together, forming a bond of unconditional love that forever changed their lives. Over the next year, just by going on walks, playing together, and eating plant-based foods, Eric lost 150 pounds, and Peety lost 25. As a result, Eric reversed his diabetes, got off all medication, and became happy and healthy for the first time in his life—eventually reconnecting with and marrying his high school sweetheart. WALKING WITH PEETY is for anyone who is ready to make a change in his or her life, and for everyone who knows the joy, love, and hope that dogs can bring. This is more than a tale of mutual rescue. This is an epic story of friendship and strength.

*Goodfellas* meets *White Fang*. By the BAFTA-winning screenwriter of *Amores Perros*. "An epic tale" *Sunday Times* Crime Club "A fast-moving, intriguing and virile novel" *Irish Examiner* "Of all the wolves you will see in your life, one alone will be your master." Yukon, Canada's far north. A young man tracks a wolf through the wilderness. The one his grandfather warned him about. In Mexico City, Juan Guillermo has pledged vengeance. For his murdered brother, Carlos. For his parents, sentenced to death by their grief. But in 1960s Mexico justice is sold to the highest bidder, and the Catholic fanatics who killed Carlos are allied to Zunita, a corrupt and influential police commander. If he is to quench his thirst for revenge Juan Guillermo will have to answer his inner call of the wild and discover what links his destiny to a hunter on the other side of America. A gripping coming of age thriller of vengeance and destiny set between Mexico City's murderous 1960s underworld and the bleak tundras of Canada's most remote province. Translated from the Spanish by Frank Wynne and Jessie Mendez Sayer

Psychopath. The word conjurs up images of serial killers, rapists, suicide bombers, gangsters. But think again: you could probably benefit from being a little more psychopathic yourself. Psychologist Kevin Dutton has made a speciality of psychopathy, and is on first-name terms with many notorious killers. But unlike those incarcerated psychopaths, and all those depicted in movies and crime fiction, most are not violent, he explains. In fact, says Prof Dutton, they have a lot of good things going for them. Psychopaths are fearless, confident, charismatic and focused--qualities tailor-made for success in today's society. The Wisdom of Psychopaths is an intellectual rollercoaster ride that combines lightning-hot science with unprecedented access to secret monasteries, Special Forces training camps, and high-security hospitals. In it, you will meet serial killers, war heroes, financiers, movie stars and attorneys--and discover that beneath the hype and popular characterization, psychopaths have something to teach us. Like the knobs on a mixing deck, psychopathy is graded. And finding the right combination of psychopathic traits, sampled and mixed at carefully calibrated volumes, can put us ahead of the game.

Fatal Freedom is an eloquent defense of every individual's right to choose a voluntary death. By maintaining statutes that determine that voluntary death is not legal, Thomas Szasz believes that our society is forfeiting one of its basic freedoms and causing the psychiatric medical establishment to treat individuals in a manner that is disturbingly inhumane. Society's penchant for defining behavior it terms objectionable as a disease has created a psychiatric establishment that exerts far too much influence over how and when we choose to die. In a compelling argument that clearly and intelligently addresses one of the most significant ethical issues of our time, Szasz compares suicide to other practices that historically began as sins, became crimes, and now are seen as mental illnesses.

"Being a refugee is not a choice. Our choice is to die at home or risk death trying to escape." - Yusra Mardini Yusra Mardini fled her native Syria to the Turkish coast in 2015 and boarded a small dinghy full of refugees bound for Greece. When the small and overcrowded boat's engine cut out, it began to sink. Yusra, her sister and two others took to the water, pushing the boat for three and a half hours in open water until they eventually landed on Lesbos, saving the lives of the passengers aboard. Butterfly is the story of that remarkable woman, whose journey started in a war-torn suburb of Damascus and took her through Europe to Berlin and from there to the 2016 Olympic Games in Rio de Janeiro. Yusra Mardini is an athlete, one of People magazine's twenty-five women changing the world, a UNHCR Goodwill Ambassador and one of Time Magazine's thirty most influential teens of 2016.

Ahora una gran película de Clint Eastwood, protagonizada por Tom Hanks, la autobiografía inspiracional de uno de los héroes americanos más cautivadores de nuestra época, el Capitán Sullenberger Sully, el piloto que aterrizó milagrosamente el vuelo 1549 de US Airways en el Río Hudson de Nueva York, salvando las vidas de los 155 pasajeros y la tripulación. El 15 de enero de 2009, el mundo fue testigo de un extraordinario aterrizaje de emergencia cuando el capitán "Sully" Sullenberger desplazó hábilmente el vuelo 1549 de US Airways en el río Hudson, salvando las vidas de los 155 pasajeros y la tripulación. Sus acciones certeras no solo evitaron una tragedia sino que lo convirtieron en héroe y en inspiración en todo el mundo. Su historia es ahora una gran película del director y productor Clint Eastwood, protagonizada por Tom Hanks, Laura Linney y Aaron Eckhart. La historia de Sully está llena de educación, de esperanza y de preparación, revelando las importantes lecciones aprendidas a lo largo de su vida, de su servicio militar, y de su trabajo como piloto de línea aérea. Nos recuerda a todos que, incluso en días de conflicto, la tragedia y la incertidumbre, hay valores por los cuales todavía vale la pena luchar y que se pueden superar los retos de la vida si estamos preparados para ellos."

Si alguna vez te has preguntado de dónde proviene la snitch dorada, cómo adquieren vida los bludgers o por qué los Wigtown Wanderers llevan un cuchillo de carnicero dibujado en el uniforme, entonces querrás leer Quidditch a través de los tiempos. Esta edición limitada es una copia del ejemplar que está en la biblioteca del Colegio Hogwarts y que los jóvenes fanáticos del quidditch consultan casi a diario. Los beneficios de la venta de este libro se destinarán a Comic Relief, que utilizará tu dinero para continuar salvando y mejorando vidas, un trabajo que es aún más importante y sorprendente que los tres segundos y medio que tardó Roderick Plumpton en capturar la snitch dorada en 1921.

Chosen as a summer read by the Guardian and Telegraph 2020 Patrick Süskind's Perfume is a classic novel of death and sensuality in Paris In eighteenth-century France there lived a man who was one of the most gifted and abominable personages in an era that knew no lack of gifted and abominable personages. His name was Jean-Baptiste Grenouille, and if his name has been forgotten today, it is certainly not because Grenouille fell short of those more famous blackguards when it came to arrogance, misanthropy, immorality, or, more succinctly, wickedness, but because his gifts and his sole ambition were restricted to a domain that leaves no traces in history: to the fleeting realm of scent . . . 'An astonishing tour de force both in concept and execution' Guardian 'A meditation on the nature of death, desire and decay ... a remarkable début' Peter Ackroyd, The New York Times Book Review 'An ingenious and totally absorbing fantasy' Daily Telegraph 'Witty, stylish and ferociously absorbing' Observer

In 1943 Max Carver's father - a watchmaker and inventor - decides to move his family to a small town on the Atlantic coast. But as soon as they arrive, strange things begin to happen. Max discovers an overgrown garden surrounded by a metal fence topped with a six-pointed star. When he goes to investigate, Max finds statues like a circus troupe fill the garden. In the centre is a clown set in another six-pointed star. Max has the curious sensation that the statue is beckoning to him. The family grows increasingly uneasy when they discover a box of old films, his sister Alicia has unsettling dreams, while little Irina hears voices whispering to her from an old wardrobe. But Max spends most of his time with his new friend Roland, who takes him diving to the

wreck of a boat that sank close to the coast in a terrible storm. Everyone on board perished except for one man - an engineer who built the lighthouse at the end of the beach. During the dive, Max sees something that leaves him cold - on the mast floats a tattered flag and on it is the symbol of the circle and six-pointed star. As they learn more about the wreck, the chilling story of a legendary figure called the Prince of Mist begins to emerge...

With the publication of *Pedagogy of the Oppressed*, Paulo Freire established himself as one of the most important and radical educational thinkers of his time. In *Pedagogy of Hope*, Freire revisits the themes of his masterpiece, the real world contexts that inspired them and their impact in that very world. Freire's abiding concern for social justice and education in the developing world remains as timely and as inspiring as ever, and is shaped by both his rigorous intellect and his boundless compassion. *Pedagogy of Hope* is a testimonial to the inner vitality of generations denied prosperity and to the often-silent, generous strength of millions throughout the world who refuse to let hope be extinguished.

When her mentally disabled son Max is found covered in blood at the scene of a brutal murder, Danielle Parkman, defying a court order, races against time to find the real killer and save her son from a fate worse than death.

Forty-three-year-old Mary Horton lives in a quiet, middle-class suburb on Sydney's North Shore. A straight-laced, emotionally distant spinster, Mary has worked hard to make a life for herself, but her idea of 'life' does not include personal relationships. With no partner and no friends, Mary has no plans to let anybody into her solitary life. Tim Melville is a twenty-five-year-old labourer with the body and face of a Greek god, but the mind of a child. A gentle outcast in a cruel, unbending world, Tim has a loving family, but is often derided and taken advantage of by his so-called friends. By chance, one summer morning Tim meets Mary and what begins as a day's labour for the kind-hearted young man becomes a life-changing relationship for both of them.
