Drugs, murder, and the Catholic Church confound Homer's trip to Florence. When the Pope issues a sweeping edict calling for a yearlong war on drugs, no one is more surprised than the Vatican to find the campaign a success. In every Catholic corner of the world, young people throw down their needles to pick up crosses. In Florence, thousands of them converge on the Duomo to thank Christ for their newfound commitment to sobriety. Nearly everyone is relieved by this development -- save for Leonardo Bindo, banker and druglord. To get his business back on track, he seizes upon a simple plan: Kill the Pope. Standing in his way is Homer Kelly, transcendentalist scholar and occasional detective. In Florence to teach at a new international university, Homer stumbles on Bindo's scheme while investigating the disappearance of a beautiful young student. His Italian may be lousy, but Homer is the only man who can save Italy from itself.

With Scott Foresman Science, you'll spend less time planning for science and more time actually doing science. Our program provides inquiry-rich content with Scaffolded Inquiry(TM) activities; cross-curricular connections that link reading and science skills in every chapter for all students including your ELLs; hundreds of Leveled Readers for differentiated instruction; and time-saving strategies--from lesson preparation to 30-second lab setup--that create extra time in your day.
