Scott Foresman Science Grade 6 Scott Foresman & Company

Scott Foresman Science (Diamond Edition) ((c)2008) components for Grade 5.

Build the reader in your child through motivating and engaging literature, scientifically research-based instruction and a wealth of reliable instructional tools. The Scott Foresman Reading Street program prioritizes skill instruction at each grade level, so the focus is on the right reading skill, at the right time, for every child.

Scientifically research-based program supports state standards in literacy, science, mathematics, social studies, art and music to prepare children for Kindergarten.

Teacher's Guides help build and assess children's cognitive skills, alphabet knowledge, and social-emotional development. Interactive charts with songs and activities inspire class discussion and build oral vocabulary. Big Books, Trade Books, and Little Books provide shared reading experiences and develop children's concepts of print.
