Now in mass-market—the action-packed thriller in the blockbuster and bestselling tradition of Jurassic Park from #1 internationally bestselling author Matthew Reilly! It is a secret the Chinese government has been keeping for forty years. They have proven the existence of dragons—a landmark discovery no one could ever believe is real, and a scientific revelation that will amaze the world. Now the Chinese are ready to unveil their astonishing findings within the greatest zoo ever constructed. A small group of VIPs and journalists has been brought to the zoo deep within China to see these fabulous creatures for the first time. Among them is Dr. Cassandra Jane “CJ” Cameron, a writer for National Geographic and an expert on reptiles. The visitors are assured by their Chinese hosts that they will be struck with wonder at these beasts, that the dragons are perfectly safe, and that nothing can go wrong. Of course it can't... “Plenty of action....For over-the-top adventure addicts, a Reilly novel is like a new roller coaster opening at Great America. Lines form, fans swoon” (Booklist).

Experiments which in previous years were made with ornamental plants have already afforded evidence that the hybrids, as a rule, are not exactly intermediate between the parental species. With some of the more striking characters, those, for instance, which relate to the form and size of the leaves, the pubescence of the several parts, etc., the intermediate, indeed, is nearly always to be seen; in other cases, however, one of the two parental characters is so preponderant that it is difficult, or quite impossible, to detect the other in the hybrid. from 4. The Forms of the Hybrid One of the most influential and important scientific works ever written, the 1865 paper Experiments in Plant Hybridisation was all but ignored in its day, and its author, Austrian priest and scientist GREGOR JOHANN MENDEL (1822-1884), died before seeing the dramatic long-term impact of his work, which was rediscovered at the turn of the 20th century and is now considered foundational to modern genetics. A simple, eloquent description of his 1856-1863 study of the inheritance of traits in pea plants Mendel analyzed

Every nation on Earth wants to be the first to locate the Seven Wonders of the Ancient World - One small group thinks that no single country should possess such a power source, so they employ a daring band, led by Captain Jack West Jr., to enter the fray.

The New York Times bestselling sequel to the bestsellers *The Six Sacred Stones* and *Seven Deadly Wonders*. It began with six stones...From the deserts of Israel to the tsunami-lashed coasts of Japan, from the steppes of Mongolia to the most mysterious island on Earth—this is what we have come to expect from Matthew Reilly: stupendous action, white-knuckle suspense, heroes to cheer for, and an adventure beyond imagination. Strap yourself in and hold on tight as he unleashes his biggest and fastest adventure yet, *The 5 Greatest Warriors*. When we last left Jack West Jr., he was plummeting into a fathomless abyss and his quest to save the world from impending Armageddon appeared doomed. But all hope is not lost. After an astonishing escape, Jack regroups with his trusty team. Racing to rebuild the final pieces of the fabled “Machine,” they discover an ancient inscription containing a rhyme about five mysterious unnamed warriors—great historical figures whose knowledge will be vital to unlocking the secrets of the Machine and its long-lost “pillars.” But the ancients have hidden their secrets well, and with each pillar bestowing an incredible power upon its holder, their pursuit has attracted the attention of other forces from around the world—some who want to rule it and others who want to see it destroyed. With enemies coming at him from every side and the countdown to doomsday rapidly approaching, Jack and his team had better move fast. Because they are about to find out what the end of the world looks like...

Deep in the jungles of Peru the contest of the century is underway. It's a race to locate a legendary Incan idol - one carved out of a strange kind of stone. But a stone which in the present century could be used for a terrifying new purpose. Now rival groups are assembling their teams to hunt the idol down, at any cost.

The only clue to the idol's final resting place is to be found in a 400-year-old manuscript. Which introduces Professor William Race, a mild-mannered but brilliant young linguist who is unwillingly recruited to interpret the document that could lead to the idol itself. So begins the mission that will lead Race and his companions to a mysterious temple hidden in the foothills of the Andes. There they find a carefully contrived sanctuary seething with menace and unexpected dangers. But it is not until the silence of the temple is breached that Race and his team discover they have broken a golden rule . . . Some doors are meant to remain unopened.
