

She Comes First The Thinking Man S Guide To Pleasuring A Woman

Transform Yourself from "Passion Victim" to Passionista! In the smash hit *She Comes First*, Ian Kerner singlehandedly waged battle against male sexual "ill-cliteracy," and women everywhere benefited from his "viva la vulva" philosophy of female pleasure. Now, in *Passionista*, it's time to learn all about what turns men on—and makes them stay on. In this point-by-point, "blow-by-blow" guide, Kerner makes giving as much fun as receiving as he covers every angle of male sexuality, unlocks the secrets of satisfaction, and offers knowledgeable answers to the questions every woman wonders about. His advice is the closest you'll ever come to waking up in a guy's skin and knowing what truly makes him sexually tick. Written in the same witty, insightful, and utterly readable voice that has made *She Comes First* and *Be Honest—You're Not That Into Him Either* so popular, *Passionista* is the empowered woman's guide to enjoying sex to the fullest—and ensuring that he does the same.

She Comes First The Thinking Man's Guide to Pleasuring a Woman

'This book taught me so much about female desire. A must read!' Cherry Healey Did you know that there is an orgasm gap of around 30% between heterosexual couples when they have sex? In *Mind The Gap*, Dr Karen Gurney, a clinical psychologist and certified psychosexologist, explores not just this gap, but the gaps in our knowledge of so much of the most important new science around sex and desire. In this book, you will learn that nearly everything that you've been led to believe about female sexuality isn't actually true. And that, despite what you might think, it is possible to simultaneously feel little to no spontaneous desire and have a happy and mutually satisfying sex life long term. Exploring the mismatch between ideas about sex in our society and what the science tells us, *Mind The Gap* also explains how this disconnect lies at the root of many of our sexual problems. Combining science with case studies, practical exercises and tips, this is a book for anyone who wants to better understand the mechanics of desire and futureproof their sex life, for life.

A book about the wonders of sex

Love Your Lady Landscape is a healing journey through the terrain of what it is to be a woman. When a woman isn't in alignment with her feminine essence, she may experience exhaustion and overwhelm, lack sexual desire or passion for life, and generally feel "out of sync". In this book, Lisa Lister uses a myriad of tools and practices such as Earth based spirituality, shamanic teachings, movement and dance, and breath and sound work to teach women how to reconnect to their feminine wisdom in order to start rebalancing all aspects of their lives. Based on Lisa's own 11-year journey of healing and reconnecting with her body, this book will help you: • release guilt and shame from the past • explore self-pleasure and sensuality • understand, read, and connect with your body's signs and signals • learn about your menstrual cycle and its connection with the rhythms of nature and the universe • discover the sacred art of receiving • express your creativity • find your voice to communicate your needs, wants, and desires *Love Your Lady Landscape* will move women into a fiercely loving and healing relationship with their body and will teach them how to use its cycles and signs to create a life of vitality, fulfillment, and creation.

'I wish this book had been written before I stopped having them. I might have enjoyed them more! It's brilliant, informative and funny. Period.' Jennifer Saunders 'I want to hear what Emma Barnett says about everything, and this terrific and timely book proves to be no exception.' Elizabeth Day

"Every man's must-read. Tell your guy to put down the remote and pick up *She Comes First*." —*Cosmopolitan* Ian Kerner offers a radical new philosophy for pleasuring women in *She Comes First*—an essential guidebook to oral sex from the author of *Be Honest—You're Not That Into Him Either*. The *New York Times* praises Kerner's "cool sense of humor and an obsessive desire to inform," as he "encourages men through an act that many find mystifying." An indispensable aid to a healthier, more fulfilling sex life for her and him, *She Comes First* offers techniques and philosophy that have already earned raves from the likes of bestselling author and *Loveline* co-host Dr. Drew Pinsky as well as *Playgirl* magazine, which cheers, "Hallelujah!"

"Margolis devotes himself to the social history of the ways and means of orgasm . . . And his breezy, sophisticated writing doesn't hurt, either" (Booklist). Orgasm is one of society's most compelling, shaping forces—and most of us probably think that we are living in its golden age. But are we? The history of orgasms is as elusive as the orgasm itself can be, for sex rarely makes the historical record. Now acclaimed British journalist Jonathan Margolis delivers the definitive history of the human orgasm, of sex for pleasure as well as conception—from prehistory to Viagra. Most people manage just twelve minutes of orgasmic bliss per year. Some never experience it at all. Yet the urge for orgasm rules much of human life, across national and cultural boundaries. How much have we learned about female pleasure since the 1558 discovery of the clitoris? How has the drive for pleasure, and the fear of it, shaped various societies—from Saint Francis of Assisi and the thorn bush, to "primitive" tribes who embraced maximum pleasure for both sexes? How much does the sensation of orgasm differ for different people? Drawing on the biology, literature, anthropology, psychology, and technology, Jonathan Margolis delivers the final word on both male and female orgasm in an enlightening history that is a pleasure to read. "Titillating . . . Covers the climax from B.C. to Sex and the City." —*Playgirl* "[An] immensely entertaining and informative book . . . Neither leering nor squeamish, Margolis has created a fresh, compelling work guaranteed to ignite much late-night conversation." —*Publishers Weekly* "One of the best books on human sexuality that I've come across." —Bishop Pat Buckley, *News of the World* (London)

A new, practical workbook from the New York Times bestselling author of *Come As You Are* that allows you to apply the book's groundbreaking research and understanding of why and how women's sexuality works to everyday life. In the twentieth century, women's sexuality was seen as "Men's Sexuality Lite": basically the same, but not quite as good. From genital response to sexual desire to orgasm, we just couldn't understand that complicated, inconsistent, crazy-making "lady business." That is, until Emily Nagoski changed the game with her New York Times bestseller, *Come As You Are*. Using groundbreaking science and research, she proved that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized, but how you feel about them. Which means that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it. And, that even if you don't yet feel that way, you are already sexually whole. Nagoski's book changed countless women's lives and approaches to sex, and now she offers the next step. The *Come As You Are* Workbook is a practical companion to this bestselling guide, filled with new activities, prompts, and thought-provoking examples to help you exercise and expand on the knowledge you've learned. This collection of worksheets, journaling prompts, illustrations, and diagrams is a practical and engaging companion for anyone who wants to further their understanding of their own bodies and sex lives.

Did you know that, just as men, women compare the performance of their current sex partners with the previous ones they've had? How would it feel to know that you have the skillset that will make you the best lover she's ever had? Have you ever felt self-conscious about not always being able to make her climax? Would you like to know how to give powerful squirting orgasms, that probably no one has ever given her before? If you answered YES to any of those questions or have thought about those topics, then you need to read this book. There is just NO way around it. Women don't like to stick around if their man is not able to satisfy them in bed. Have you ever wondered why it seems like some men and women in the porn industry are able to give their sex partners squirting orgasms at command? Is it just tricks for the camera or is there something else at play? Here's some of the knowledge you can expect when you discover the cunnilingus secrets from the adult industry: Learn all about the natural techniques that REALLY work for giving women mind blowing orgasms and which others are a complete waste of time. A quick and fun anatomy breakdown for understanding how female genitalia works. How to touch her correctly in order to elicit the response you're looking for. Winner of the CILIP Amnesty Honour 2017. Shortlisted for the Guardian Children's Fiction Prize and the CILIP Carnegie Medal 2017. Perfect for fans of *THE BOY IN THE STRIPED PYJAMAS*. This is a beautiful, vivid and deeply moving story about a refugee boy who has spent his entire life living in a detention centre. This novel reminds us all of the importance of freedom, hope, and the power of a story to speak for anyone who's ever struggled to find a safe home. '...a special book' - Morris Gleitzman, author of the acclaimed *ONCE* series Born in a refugee camp, all Subhi knows of the world is that he's at least 19 fence diamonds high, the nice Jackets never stay long, and at night he dreams that the sea finds its way to his tent, bringing with it unusual treasures. And one day it brings him Jimmie. Carrying a notebook that she's unable to read and wearing a sparrow made out of bone around her neck - both talismans of her family's past and the mother she's lost - Jimmie strikes up an unlikely friendship with Subhi beyond the fence. As he reads aloud the tale of how Jimmie's family came to be, both children discover the importance of their own stories in writing their futures.

We've been thinking about sex all wrong. Mainstream media, movies, and porn have taught us that sex = penis + vagina, and everything else is just secondary. Standard penetration is how men most reliably achieve orgasm. The problem is, women don't orgasm this way. We've separated our most reliable route to orgasm—clitoral stimulation—from how we feel we should orgasm—penetration. As a result, we've created a pleasure gap between women and men: 50% of 18-35-year-old women say they have trouble reaching orgasm with a partner 64% of women vs 91% of men said they had an orgasm at their last sexual encounter 55% of men vs. 4% of women say they usually reach orgasm during first-time hookup sex In *Becoming Cliterate*, psychology professor and human sexuality expert Dr. Laurie Mintz exposes the broader cultural problem that's perpetuating this gap, and what we can do about it. Pulling together evidence from biology, sociology, linguistics, and sex therapy into one comprehensive, accessible, and prescriptive book, *Becoming Cliterate* features: Cultural & historical analysis of female orgasm (spoiler: the problem's been going on for ages) An anatomy section (it's all custom under the hood) Proven techniques for cliterate sex (it starts with training the sex organ between your ears) A comprehensive final chapter for men (because you don't have to have a clitoris to be cliterate) By dispelling the lies, misunderstandings, and myths that have been holding us back, *Becoming Cliterate* tackles both personal and political problems and replaces them with updated outlooks and practical skills needed to change our collective perspective on sex. It's time to finally inform women and men on how to have satisfying experiences in bed that benefit both parties. The revolution is cuming—and *Becoming Cliterate* offers a radical, simple solution to progress and pleasure for all.

The New York Times bestselling authors of *Rinnavation* and *She Comes First* reveal candid and fun tips to improving your marriage by rejuvenating your sex life—and getting from “no-go” to the Big O. JUST SAY O! Have flannel pj's replaced your silky negligees? Are you more likely to nod off cuddling the remote—instead of your partner? Are you too tired for sex? Is foreplay becoming “boreplay”? Too much comfort in your relationship can strip your sex life of its XXX rating and render your love life . . . lifeless. New York Times bestselling authors Ian Kerner, a nationally recognized sex counselor, and vivacious television personality Lisa Rinna are on a mission to help you get from “no-go” to the Big O. Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female

orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information, essential to both beginners and experienced lovers. It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cunnilingus is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can bestow upon a woman.' Ian Kerner

As women everywhere will attest, men are "ill-cliterate." Most guys know more about what's under the hood of a car than under the hood of a clitoris. But in the world of *She Comes First*, the mystery of female satisfaction is solved and the tongue is proven mightier than the sword. According to sex therapist (and evangelist of the female orgasm) Ian Kerner, oral sex isn't just foreplay, it's coreplay: simply the best way to lead a woman through the entire process of arousal time and time again. Can you say "viva la vulva"? Fun and informative, *She Comes First* is a virtual encyclopedia of female pleasure, detailing dozens of tried-and-true techniques for consistently satisfying a woman and ensuring that sexual fulfillment is mutual.

The Crowd A Study of the Popular Mind by Gustave le Bon Excerpt the ancients denominated destiny, nature, or providence, which we call the voices of the dead, and whose power it is impossible to overlook, although we ignore their essence. It would seem, at times, as if there were latent forces in the inner being of nations which serve to guide them. What, for instance, can be more complicated, more logical, more marvellous than a language? Yet whence can this admirably organised production have arisen, except it be the outcome of the unconscious genius of crowds? The most learned academics, the most esteemed grammarians can do no more than note down the laws that govern languages; they would be utterly incapable of creating them.

A NEW YORK TIMES BESTSELLER A Good Morning America, FabFitFun, and Marie Claire Book Club Pick "In Five Years is as clever as it is moving, the rare read-in-one-sitting novel you won't forget." —Chloe Benjamin, New York Times bestselling author of *The Immortalists* ?Perfect for fans of *Me Before You* and *One Day*—a striking, powerful, and moving love story following an ambitious lawyer who experiences an astonishing vision that could change her life forever. Where do you see yourself in five years? Dannie Kohan lives her life by the numbers. She is nothing like her lifelong best friend—the wild, whimsical, believes-in-fate Bella. Her meticulous planning seems to have paid off after she nails the most important job interview of her career and accepts her boyfriend's marriage proposal in one fell swoop, falling asleep completely content. But when she awakens, she's suddenly in a different apartment, with a different ring on her finger, and beside a very different man. Dannie spends one hour exactly five years in the future before she wakes again in her own home on the brink of midnight—but it is one hour she cannot shake. *In Five Years* is an unforgettable love story, but it is not the one you're expecting.

Alice in Wonderland (also known as *Alice's Adventures in Wonderland*), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.

Come one, come all! Real talk: When's the last time you had an orgasm? If you're in the vagina owner's club, you may well answer: way too damn long! Studies show that only 65 percent of straight women climax during sex (versus 95 percent of men). And regardless of orientation, the unfortunate truth is: For those of us with vaginas, climaxing isn't guaranteed. No more! *Are You Coming?* invites everyone with a vagina to take their sex life to the next level. . . . Come alone. For vagina owners, self-knowledge is the path to pleasure (yet, we've faced eons of misinformation). *Are You Coming?* explains all: anatomy, toys to try, and what works for dozens of real people—no two alike. Come together! Seeking better sex with a partner? Read on for the thirteen types of orgasm, how to talk about sex (before and after), why "foreplay" is tragically misnamed, sex positions for every want and need—and more! Complete with quickie tips, line drawings, and fun celebrity quotes, this is the orgasm-seeker's guide to "Oh!" Are you coming?

Love, romance, and intimacy: they're fundamental to the human experience. That's why it's important to maintain a passionate, physical connection. Lovers can get more of what they want by poring through the visually-charged pages together, deciding what they'd like to recreate, try, or look into a little more. It's a creative aid to expressing ideas that make many blush, and a great way to check on whether their desires are fully attuned. From lingerie and lubricants to sensual massages and seductive kissing, from the alchemy of aphrodisiacs to Tantra and the Kama Sutra, this captures the entire world of sexuality.

Covers many aspects of adult human sexuality, with a brief historical and educational overview of the body and detailed descriptions of various techniques, acts, and fantasies.

Now in paperback, renowned sex therapist Ian Kerner shares the unique and indispensable methodology he uses to help thousands of couples get unstuck and into sexual sync. Dr. Ian Kerner is a Sherlock Holmes of the bedroom--a sexual detective helping individuals and couples solve the mystery of their sexual distress. His secret weapon? Analyzing your "sex script." Kerner takes a magnifying glass to a recent sexual event, examining the entire sequence of interactions--beginning, middle, and end--from multiple angles. In those details--the what, where, when, and why of the last time you had sex--all the clues of what went wrong are revealed and the mystery of how to create mutual pleasure can be solved. When our sex scripts work, we lose ourselves in mutual pleasure; but when they fail, it's all we can do not to ruminate over the details. What can be learned by looking

at your sex life in action? With wit and warmth, the nationally recognized sex therapist and author of the smash hit *She Comes First* shows readers how to tap into their erotic personalities and realize their sexual potential. Dr. Kerner provides the tools and techniques you need to assess, fix, and expand your sex scripts, as well as discuss many common sexual problems that get in the way of happy endings. With the help of decades of clinical insight, the latest sexual science and research, valuable homework assignments, case studies, and more, this insightful and original book strips away discomfort and offers couples not just the ability to talk about sex, but the ability to actually do something about it.

An essential exploration of why and how women's sexuality works—based on groundbreaking research and brain science—that will radically transform your sex life into one filled with confidence and joy. Researchers have spent the last decade trying to develop a “pink pill” for women to function like Viagra does for men. So where is it? Well, for reasons this book makes crystal clear, that pill will never be the answer—but as a result of the research that's gone into it, scientists in the last few years have learned more about how women's sexuality works than we ever thought possible, and *Come as You Are* explains it all. The first lesson in this essential, transformative book by Dr. Emily Nagoski is that every woman has her own unique sexuality, like a fingerprint, and that women vary more than men in our anatomy, our sexual response mechanisms, and the way our bodies respond to the sexual world. So we never need to judge ourselves based on others' experiences. Because women vary, and that's normal. Second lesson: sex happens in a context. And all the complications of everyday life influence the context surrounding a woman's arousal, desire, and orgasm. Cutting-edge research across multiple disciplines tells us that the most important factor for women in creating and sustaining a fulfilling sex life, is not what you do in bed or how you do it, but how you feel about it. Which means that stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it. Once you understand these factors, and how to influence them, you can create for yourself better sex and more profound pleasure than you ever thought possible. And Emily Nagoski can prove it.

Winner of the Tonight Show Summer Reads with Jimmy Fallon. Tomi Adeyemi conjures a stunning world of dark magic and danger in her West African-inspired fantasy debut *Children of Blood and Bone*. They killed my mother. They took our magic. They tried to bury us. Now we rise. Zélie remembers when the soil of Orisha hummed with magic. When different clans ruled – Burners igniting flames, Tiders beckoning waves, and Zélie's Reaper mother summoning forth souls. But everything changed the night magic disappeared. Under the orders of a ruthless king, anyone with powers was targeted and killed, leaving Zélie without a mother and her people without hope. Only a few people remain with the power to use magic, and they must remain hidden. Zélie is one such person. Now she has a chance to bring back magic to her people and strike against the monarchy. With the help of a rogue princess, Zélie must learn to harness her powers and outrun the crown prince, who is hell-bent on eradicating magic for good. Danger lurks in Orisha, where strange creatures prowl, and vengeful spirits wait in the waters. Yet the greatest danger may be Zélie herself as she struggles to come to terms with the strength of her magic – and her growing feelings for an enemy. The movie of *Children of Blood and Bone* is in development at Fox 2000/Temple Hill Productions with the incredible Karen Rosenfelt and Wyck Godfrey (*Twilight*, *Maze Runner*, *The Fault In Our Stars*) producing it.

Avoid the booty call blues and get the love -- and sex -- you deserve! Come on. Admit it. He may not be that into you, but were you ever really that into him? He was never "the one," but you lowered your standards and dated him in the meantime. Why? For any number of reasons: you were lonely, you were horny, you thought dating him was better than being alone, all your friends are getting married -- you name it. And before you knew it, you got hung up on the jerk. Go figure. The world is full of sensational women, but in today's market there are too few good men to go around (or so it appears). Now Dr. Ian Kerner, clinical sexologist and author of the smash hit *She Comes First*, explores the battlefield of sex, hook ups, go-nowhere relationships, and the dismal dating treadmill, simultaneously arming women with a sharper set of insights and the tools for change. With humor and sincerity, Kerner shows women how to break the cycle of dating defeat and use the power of sex to find love, "with a great guy who is into you." So raise your standards -- and reach for the love you deserve!

As a Hollywood star, Lisa has worked with the very best stylists, trainers, and professionals in the industry. Now she shares all her insider secrets, with surprising candor, down-to-earth humor, and irresistible charm. She talks frankly about her self-esteem lows, her struggle losing baby weight, her Hollywood marriage with actor Harry Hamlin, and her never-before-told experiences with cosmetic surgery. She reveals her emotional and spiritual journey from feeling unattractive and uninspired to finding a new sense of purpose and enthusiasm. And she shows you how to dramatically improve the quality of your life -- inside and out -- by approaching it one day at a time. "I firmly believe that anyone can change their life for the better," Lisa says. "You just have to make up your mind to make it happen."

INSTANT NEW YORK TIMES BESTSELLER In love for the first time, a son's decisions about the future divides his family in this fearless and thought-provoking novel from the #1 New York Times bestselling author of life-changing fiction. When eighteen-year-old Tommy Baxter declares to his family that he wants to be a police officer after graduation, his mother, Reagan, won't hear of it. After all, she's still mourning the death of her own father on September 11 and she's determined to keep her son safe from danger. But Tommy's father, Luke, is proud of Tommy's decision. He would make a kind and compassionate cop. Meanwhile, Tommy is in love for the first time. His sweet relationship with Annalee Miller is almost too good to be true. Tommy begins seriously thinking about the far off day when he can ask her to marry him but she hasn't been feeling well. Tests reveal the unthinkable. While his girlfriend begins the fight of her life, Tommy is driven to learn more about the circumstances surrounding his birth and the grandfather he never knew. Secrets come to light that rock Tommy's world, and he becomes determined to spend his future fighting crime and bringing peace to the streets. Or is this just his way to fight a battle he cannot win—the one facing Annalee? Blending romance and family drama, Truly, Madly, Deeply shows us that, in the shadow of great loss, the only way to live with passion is truly, madly, deeply.

Jake and his girlfriend are on a drive to visit his parents at their remote farm. After dinner at the family home, things begin to get worryingly strange. And when he leaves her stranded in a snowstorm at an abandoned high school later that night, what follows is a chilling exploration of psychological frailty and the limitations of reality. Iain Reid's intense, suspenseful debut novel will have readers' nerves jangling. A series of tiny clues sprinkled through the relentlessly paced narrative culminate in a haunting twist on the final page. Reminiscent of Michael Faber's *Under the Skin*, Stephen King's *Misery* and the novels of José Saramago, *I'm Thinking of Ending Things* is an astonishing and highly original literary thriller that grabs you from the start—and never lets go.

The special anniversary edition of *The Little Engine That Could*™ contains the entire text and original artwork. Young readers, as well as parents and grandparents, will treasure the story of the blue locomotive who exemplifies the power of positive thinking.

An empowering book about standing your ground while dating, in marriage, in your career, and anywhere else. As an author and a coach who has been helping women for more than a decade, I noticed some women were in trouble. Not just in their relationships, some had unfulfilling jobs, didn't get paid what they were worth, had always dreamt of starting their own business but never did, felt lonely even though they had a husband and kids... the list goes on and on. So many women try to be the perfect girlfriends, wives, mothers, friends, sisters, colleagues, business owners, bosses, and more. They love to serve and want to succeed in the many roles they have to play. They are compliant, even to the people who don't really deserve that kind of treatment. They give it all they have, every single day. Regardless of their tremendous efforts, some women get little in return. They feel used. They get men that keep flaking out, careers that don't feel meaningful, and possibly a body that starts to feel and look more and more tired. Did you ever notice that burnout tends to afflict women much more often than men? There's a reason for that, as you'll learn. This should stop. Some women seem to have found a loophole, a backdoor in the current system. There are women out there who have designed the life they live. I call these women the high-value women. This value has nothing to do with money. It turns out the high-value woman follows a set of strategies and principles. I'll share them with you throughout this book. You might have seen and met her. She's the woman who is self-employed, doing the thing she loves, and making a living off of it. She's the woman who might have decided to have a normal career, with a twist. It's the type of career she enjoys and she is actually appreciated for the hard work and hours she puts into it. When she speaks, others listen, even the men in her office with over-inflated egos. Her job almost never feels like work and is deeply fulfilling. It doesn't cost her energy; she gets energy from it. When she wakes up, she can't wait to get started with her day. She is the woman who has found and created herself a loving relationship with a man she loves. She is also the woman who is happily single, the woman who doesn't need a man to be happy. She has a supportive circle of great friends, and she has the time to hang out with them, even when she has kids. She knows how to set the world to her hand, so it seems, and some women wonder how she does it. That's what this book is about, I'll uncover her strategies. I've been studying and interviewing her for so long now that I can't wait to share everything with you. We'll dive in what to do in your romantic relationships, in your career, in your personal life, and most importantly, in your own mind. I'm sure you already are a high-value woman in many ways. Some parts of the book will reaffirm that you're on the right track; others will provide a new way of thinking to take you to the next level. Are you curious to find out how the high-value woman does it all? Then hit the buy button at the top of this page and start your high value woman journey right away!

Kim Cattrall, best known for her depiction of *Sex and the City's* Samantha, slides between the sheets with readers to share her secrets on reaching the heights of pleasure. In this illustrated guidebook for women looking to improve their sex, Kim Cattrall teams up with her husband to share tips and tricks. Sex ed shouldn't start and end with putting a condom on a banana. This is the pleasure-focused sex ed that you deserved to get at school - in all its challenging, messy, awkward, hilarious, enjoyable glory - from the sex educator you deserved to have. Welcome to sex ed, where everyone is invited to the party.

Like men, women also can ejaculate, enhancing and intensifying their sexual pleasure. In an open, positive style, Deborah Sundahl presents information about female ejaculation including scientific findings, anatomical illustrations, historical accounts, a chapter on how men can help their female partners to ejaculate, and women's and men's experiences collected during the past two decades.
