'Think of your house as an allegory for your body. Keep cleaning it every day.' In this Japanese bestseller a Buddhist monk explains the traditional cleaning techniques that will help cleanse not only your house - but your soul. Sweep away your worldly cares with this guide to living a cleaner, calmer, happier life. Drawing on ancient Zen household techniques, Buddhist monk Keisuke Matsumoto shows you how a few simple changes to your daily habits - from your early morning routine, through mealtimes to last thing at night - will turn your home into a peaceful, ordered refuge from today's busy world.

'Surprisingly calming ... The most unusual self-help book of 2018' Daily Mail

In The Ikigai Journey, authors Hector Garcia and Francesc Miralles take their international bestseller Ikigai: the Japanese Secret to a Long and Happy Life a step further by showing you how to find your own ikigai through practical exercises, such as employing new habits and stepping outside your comfort zone. Ikigai is the place where our passion (what we love), mission (what we hope to contribute), vocation (the gifts we have to offer the world) and profession (how our passions and talents can become a livelihood) converge, giving us a personal sense of meaning. This book helps you bring together all of these elements so that you can enjoy a balanced life. Our ikigai is very similar to change: it is a constant that transforms depending on which phase of life we are in. Our "reason for being" is not the same at 15 as it is at 70. Through three sections, this book helps you to accept and embrace that—acting as a tool to revolutionize your future by helping you to understand the past, so you can enjoy your present. Section 1—Journey Through the Future: Tokyo (a symbol of modernity and innovation) Section 2—Journey Through the Past: Kyoto (an ancient capital moored in tradition) Section 3—Journey Through the Present: Ise (an ancient shrine that is destroyed and rebuilt every twenty years) Japan has one of the longest life spans in the world, and the greatest number of centenarians—many of whom cite their strong sense of ikigai as the basis for their happiness and longevity. Unlike many "self-care" practices, which require setting aside time in an increasingly busy world, the ikigai method helps you find peace and fulfillment in your busy life.

What does it take to create the career you want? It's no secret that the world of work has changed, and we're shifting toward an ever more entrepreneurial, self-reliant, work-from-whenever-you-are economy. That can be a liberating force, and many professionals dream of becoming independent, whether by starting their own businesses, becoming consultants or freelancers, or developing a sideline. But there's a major obstacle professionals face when they contemplate taking the leap: how to actually make money doing what they love. You may have incredible talent and novel ideas, but figuring out how to get started, building your reputation in a new realm, developing multiple revenue streams, and bringing in a steady flow of new clients can be a daunting prospect. Dorie Clark, a successful entrepreneur and author, has done it all. And in Entrepreneurial You she provides a blueprint for professional independence, with insights and advice on building your brand, monetizing your expertise, and extending your reach and impact online. In short, engaging chapters she outlines the necessary elements and concrete tactics for entrepreneurial success. She shares the stories of entrepreneurs of all kinds--from consultants and coaches to podcasters, bloggers, and online marketers--who have generated six- and seven-figure incomes. This book will be your hands-on guide to building a portfolio of revenue streams, both traditional and online, so that you can liberate yourself financially and shape your own career destiny.

Earn Extra Cash The Side Hustle Path is for people who want or need to earn some extra money outside of their day jobs. Maybe you need a few extra dollars to make ends meet. Maybe you want to pay off debt. Maybe you want to save for a rainy day, or for your children's education. Maybe you just want to treat yourself to a nice vacation or a new car without feeling guilty about it. Maybe you're looking for a way out of the corporate world, an escape plan. That's the ultimate financial freedom, right? That's how I got started down this entrepreneurial path, and it's been the best choice I ever made. You're willing to work for it, because your future is worth working for. The challenge is time is limited, and you may not know where to start. There are a million and one ways to "make money online" and everyone wants to sell you their "proven system for Internet riches." It's hard to tell what's a scam and what's legit. Real-World Examples This book offers 10 real-world examples of how regular people just like you and me are earning side hustle income outside of traditional employment. Many have even turned these part-time ventures into full-time businesses, throwing off the shackles of their corporate overlords for good. And the cool thing is, there are no special technical skills or prerequisites to get started with any of the ideas presented. Most don't require any big scary upfront investment. Why Side Hustle?Build Skills Build Security Build Income Build Freedom My Story After college, I did what you're supposed to do: I got a job. The problem was almost immediately I found myself looking for a way out. It wasn't that I hated the work or my coworkers, but it just wasn't what I wanted to do with my life. The thought of spending my next 30 years there was terrifying. So evenings and weekends I turned my attention online. I'd been dabbling with building rudimentary websites, learning online advertising channels, and even running my own small marketing campaigns for other company's products to test the waters. And that's what The

Side Hustle Path is about; finding a low-risk way make more money. If you're looking for a get-rich-quick-scheme or the secret to overnight success, you won't find it here. But what you will find are 10 down-to-earth entrepreneurs who were once sitting in your same position. They felt the same fears and uncertainties, but took action anyway. What are you waiting for? Scroll up and download your copy now! From the New York Times bestselling author of \$100 Startup comes this accessible guide to building a side business from scratch - without having to give up your day job. Side Hustle is about much more than just making some extra cash; it's about freedom and job security in today's unstable business environment. That's because when you receive income from multiple different sources, you are no longer dependent on the whims of a single employer. It affords you choices and options. In the style of \$100 Startup, full of practical exercises and peppered with inspiring stories, Side Hustle shows readers how to brainstorm, choose, implement, launch and refine their side business in just 27 days – with little to no budget and without having to quit their current job.

Side Hustle Build a Side Business and Make Extra Money – Without Quitting Your Day Job Pan Macmillan

Do you dream of starting your own business but don't have any money? What if you could set up a venture with nothing but a good business idea and the determination to make it work? It's an appealing idea, particularly in the current economic climate where no one has cash to spare and austerity rules the day. In fact, studies show that more people start businesses during recessions than at any other time. The good news is that it can be done, provided you follow a few golden rules. Based on Rachel Bridge's popular workshops, this book will help set you on the way to success. As the former Enterprise Editor for the Sunday Times, Rachel has interviewed hundreds of successful entrepreneurs. Join her on her journey as she starts up her very own enterprise, entrepreneurthings.com, and covers all the ups and downs she encounters, while giving examples along the way of how real-life entrepreneurs have coped with the same problems that beset everyone in business at some point.

From bestselling author of *The \$100 Startup* and *Side Hustle* comes Chris Guillebeau's engaging story about the power you have to create your own financial destiny. Like financial classics *The Latte Factor* and *The Richest Man in Babylon*, *The Money Tree* uses a compelling story with captivating characters to share its core insight: you are never at the mercy of fortune as long as you have an appetite for hard work and a willingness to step outside your comfort zone. Jake Aarons is in trouble. He's being evicted from his apartment in less than 30 days, the bill for his \$50,000 in overdue student loans is almost due, and the digital marketing agency he works at just implemented a new military-style grading system that might cost him his job. To top it off, Jake's new relationship with Maya was going so well... but with everything else falling down around him, he might lose her, too. In search of answers, Jake reluctantly attends a weekly group meeting at the invitation of a coworker. Everyone in the group is trying to create

a lucrative side hustle with one key requirement: they can only spend up to \$500 before earning a profit. Over the course of several weeks, Jake undertakes a series of challenges, first learning how to make \$1,000 in a single weekend, and ultimately how to discover the untapped skills he needs to take control of his finances--and his life.

Is your dwindling bank account giving you a lot of stress? Do you have so many financial responsibilities and not enough money to sort them out? Is your day job not earning you enough money? Have you been thinking of ways to earn an extra income? According to a survey released by the American Psychological Association (APA), money stress is a significant cause of health issues in the U.S. What is even interesting is that even wealthy people are stressed about money and not just those that are in a low-income bracket. It takes more than a great idea to make your side hustle a success. Here, two experts show you how to build one that creates the autonomy you desire and changes the way you live. Carrie Bohlig and Craig Clickner started side hustles to make their lives better—to break free from the limitations of corporate America and have more time with their kids and each other. Today, they're entrepreneurs who have built multiple thriving businesses and helped thousands of people through mentoring, coaching and sharing their insights across the globe. In So You Want to Start a Side Hustle, you'll learn all the secrets of their successes: Through real-life stories, lessons learned from personal wins and losses, and illuminating anecdotes about their experiences speaking to solopreneurs and other small business owners, Carrie and Craig show you how to get your idea from the thinking and planning stages to the life-changing, revenue-producing venture you want it to be. Designed as a "traveling adventure guide," So You Want to Start a Side Hustle lays out how to establish a clear Life Vision and develop the right Lifeset for ongoing success. This foundation, say Carrie and Craig, is crucial. It's the framework that allows you to sharpen your focus, overcome challenges and obstacles, and create a side hustle that has ongoing impact on your life and generates lasting success and revenue. Will you find smart ways to handle marketing, decision making, and funding? Absolutely. But with its emphasis on building the right mindset, Lifeset, and support structure, So You Want to Start a Side Hustle is more than a how-to book: It's an essential guide to helping you establish a vision for your life—and to leverage your side hustle to create the life you truly want.

Make Money and Live BetterThe Side Hustle is for people who want or need to earn some extra money outside of their day jobs. Maybe you need a few extra dollars to make ends meet. Maybe you want to pay off debt.Maybe you want to save for a rainy day or for your children's education. Maybe you just want to treat yourself to a nice vacation or a new car without feeling guilty about it. Maybe you're looking for a way out of the corporate world, an escape plan. That's the ultimate financial freedom, right?That's how I got started down this entrepreneurial path, and it's the best choice I ever made.You're willing to work for it because your future is worth working for.But your time is limited, and you may not know where to start. There are a million and one ways to "make money online" and everyone wants to sell you their "proven system for Internet riches." It's hard to tell what's a scam and what's legit. Real-World ExamplesThis book offers real-world examples of how regular people just like you and me are earning side hustle income outside of traditional employment. Many have even turned these part-time ventures into full-time businesses, throwing off the shackles of their corporate overlords for good.And the cool thing is, there are no special technical skills or prerequisites to get started with any of the ideas presented. Most don't require any big scary upfront investment. (If you're a fan of Chris Guillebeau, Pat Flynn, or Tim Ferriss, you'll love this!)Why Side Hustle?> Build Skills Build Security Build Income Build Freedom My StoryAfter college, I did what you're supposed to do: I got a job.The problem was almost immediately I found myself looking for a way out. It wasn't that I hated the work or my coworkers, but it just wasn't what I wanted to do with my life. The thought of spending my next 30 years there was terrifying.So evenings and weekends I turned my attention online. I'd been dabbling with building rudimentary websites, learning online advertising channels, and even running my own small marketing campaigns for other companies' products to test the waters. And that's what The Side Hustle is about-finding a low-risk way make more money. Most entrepreneurship books assume you have limitless time and limitless startup capital, but I know from talking to thousands of side hustlers, that's simply not the reality. I started small and lean, but steadily built up my side hustle until I could say good-bye to corporate work. You can do it, too. I'll show you how.What's Inside?If you're looking for a get-rich-quick-scheme or the secret to overnight success, you won't find it here. But what you will find are the "Big 3" side hustle business models you can take action on right away.I've interviewed hundreds of profitable side hustlers on The Side Hustle Show to figure out how their businesses work, how they make money, and most importantly, how you can replicate their success.In this book, you'll meet these real-world side hustlers who built and sustained businesses they care about. They faced the same fears and uncertainties you're wrestling with, but made something happen.Now it's your turn. What are you waiting for? The timing will never be perfect. Transform your hobby or talent into a side hustle that will provide you with inspiration, fulfillment, and a fortune. This book is the energetic motivational injection to help you overcome your fears and doubts. Get ready to start taking charge of your own success. Whether it is through our parents, our education, our bosses, our colleagues, or the media we consume, we are constantly told that being humble is essential to our professional success. It's often seen as distasteful or arrogant to shout about our achievements. But in a modern workplace, where the conventional, steady, linear career path is becoming rarer and rarer, this advice seems ever-more obsolete. In the age of flexible working and portfolio careers, it's time to f*ck being humble. With simple exercises, steps and real-life examples, this is a resource for your bedside table that you can come back to again and again, at any point in your career. Learn how to: Know what you stand for Stop hiding (even when you don't realise you are) Fully realise the power of networking Know your self-worth Play the money game and win Manage your emotions at work Take action and establish the right time to make the leap Keep the momentum you've generated going and maintain that elusive work-life balance

Cleanlots has been described as “America’s Simplest Business” and “almost as simple as a walk in the park”. Entrepreneur magazine said parking lot litter cleanup is “a simple, inexpensive and potentially lucrative business to get into, and the market is growing”. The Cleanlots book is an operations manual on how to start and operate a parking lot litter cleanup business. Each book purchase includes FREE email and telephone support from the author. Since 1981, author Brian Winch has made a six-figure annual income cleaning up litter from parking lots, and he'll teach you to do the same. It's an excellent way to take control over your life and income; you can start this business with very little money, without a college education or advanced computer skills. It's an ideal business for anyone who likes to work outside, who's responsible and can pay attention to detail. You can also operate this business part-time, as a side hustle until you're ready to go full-time.
