

Silver Shadows

From two of the greatest imaginations of our time comes a magnificent novel of adventure and magic...SHADOW MOON: First in the Chronicles of the Shadow War. The genius of Star Wars(r) creator George Lucas and the vision of Chris Claremont, the author of the phenomenally bestselling The Uncanny X-Men adventures, merge in what must be the fantasy event of the year. In Shadow Moon, war and chaos have gripped the land of Tir Asleen. An ancient prophecy reveals one hope: a savior princess who will ascend to the throne when the time is right. But first, a Nelwyn wanderer must face forces of unimaginable malevolence and dangerous, forbidden rites of necromancy that could bring back a powerful warrior from soulless sleep. George Lucas reshaped filmmaking in the '70s and '80s with his Star Wars and Indiana Jones films. When Bantam Books asked Lucas if he had any stories he would like to develop as novels rather than as films, Lucas turned to his 1988 fantasy film, Willow. "When I wrote the story for Willow, I began with the pre-story," Lucas said, "but the full story was yet to be told." Now, Lucas's vision is being fulfilled with the talented help of Chris Claremont. Having previously taken the reins of what was for a decade the bestselling comic in the western hemisphere (The Uncanny X-Men) Claremont assumes the responsibility of foster parent to Lucas's creation. On sale in hardcover now, and available on BDD Audio Cassette as well, SHADOW MOON is a momentous new adventure for readers looking to spend part of this summer in a fantastic world. SHADOW MOON is one of Bantam Spectra's most exciting publishing events in 1995, the year we celebrate our 10th Anniversary as the premiere publishing imprint of books of speculative fiction.

Over the land of Morenia, dark clouds are forming, and flowers, trees and grass are changing to ash. Is the mysterious forest the key to fighting the curse which has overcome Arya? Aragel intends to find out. So begins a journey which takes Aragel to the caves of the Skeleton King and over the Crystal Mountains to a place where he hopes to discover the answer to his quest, and find the mysterious Forest Nymphs. The second and concluding part of the story, Forest Nymphs: Into the World of Shadows, will follow shortly. She opens it—and accidentally frees the spirit of the Mayan god of death, who requests her help in recovering his throne from his treacherous brother. Praise for Gods of Jade and Shadow “A dark, dazzling fairy tale . . . a whirlwind tour of a 1920s Mexico vivid with jazz, the memories of revolution, and gods, demons, and magic.”—NPR “Snappy dialog, stellar worldbuilding, lyrical prose, and a slow-burn romance make this a standout. . . . Purchase where Naomi Novik, Nnedi Okorafor, and N. K. Jemisin are popular.”—Library Journal (starred review) “A magical novel of duality, tradition, and change . . . Moreno-Garcia's seamless blend of mythology and history provides a ripe setting for Casiopea's stellar journey of self-discovery, which culminates in a dramatic denouement. You will never control any treasure and your army is dead where they stand. I promise you I will reach

down from the heavens and take each of their lives”. Imagine for a moment you are skiing downhill racing ahead of an avalanche, your chest is pounding, pulse racing. That is what you will experience reading this story as the momentum builds, and your heart beats faster and faster. You will be absorbed into the lives of the characters, becoming a part of the action even after the ending. There are struggles between honor and greed, right and wrong, battlefields are soaked crimson over them. Rowan uses dreams and leads Christian on a fast paced adventure throughout Europe. Christian stumbles onto a number of remarkable discoveries, and is knighted by the modern day Templars he uncovers on his quest. Christian finds who he was meant to be. The Templars, these once 'warrior monks' are brought out of the shadows, and their reputation redeemed as their real story is told.
