Spiritual Warfare Christians, Demonization and Deliverance

"Spiritual Warfare is thoughtful, biblical, theological, accessible, and impactful. The book is exegetical and expository without feeling like a commentary or running homily. In it, authors Borgman and Ventura make much of Christ and what He has done without negating the reality of our adversary and the real danger he presents, as well as our call to faith, righteousness, prayer, and perseverance that flows directly from our Savior's finished work. What a timely, refreshing, encouraging, convicting, and empowering book! I can't wait to get it in front of our people." Voddie Baucham Jr. serves as pastor of preaching at Grace Family Baptist Church in Spring, Texas, and is author of Family Shepherds. "In his letter to the Ephesians, the apostle Paul describes deliverance from bondage of sin through the work of Christ. He brings that deliverance to bear in our personal experience by the enlivening grace of God. He issues a call for us to walk in this newfound freedom, worthy of our calling in Christ, amid the dangers and challenges of this fallen world. Paul concludes his letter in practical terms for the battle we face as part of the normal course of the Christian life. It is here in Ephesians 6 that Brian Borgman and Rob Ventura meet us to orient us to the strength, weaponry, and strategy by which our Lord equips us for the battle. These pastors provide clear, concise, competent, and compelling counsel in what can be a neglected or abused topic." Stanley D. Gale, author of Warfare Witness: Contending with Spiritual Opposition in Everyday Evangelism

Christians are fighting a spiritual war against an enemy whose power most don't understand. Can a demon dwell in a Christian? Possess him? With scholarly wisdom and pastoral urgency, Dr. Unger challenges apathy and misunderstanding with concrete biblical answers. Facts, not sensationalism.

Practical, Everyday Introduction to Deliverance for All Christians For most Christians, the word deliverance often brings negative connotations to mind: lots of yelling and holy water and darkness--maybe even something from a Hollywood horror movie exorcism. But deliverance is not about shouting or showmanship. It is about the simple act of asking Jesus for help, for freedom, and using his authority over the enemy. In this accessible and practical guide, evangelical leader and bestselling author Larry Richards walks you through the who, what, when, where, why, and how of deliverance. In everyday language, he shows how you can apply this information to your life and the lives of your friends and family. As children of God, we have been given access to Jesus' death-defying power to help free ourselves and others from evil. You don't have to continue to struggle with persistent problems or strongholds. Your loved ones can be freed from the lies or addictions that hold them back. There is hope in Christ--you can live in freedom! Includes an extensive glossary of terms and appendixes with prayers and even more practical resources.

He exposes their characteristics, activities, and entry points, and offers solid, down-to-earth advice on how to receive and minister deliverance--and how to remain free.

within these narratives of seemingly well-adjusted people who attend school, go shopping, watch movies, and also happen to fight demons. American Possessions examines Third Wave spiritual warfare, a late twentieth-, early twenty-first century movement of evangelicals focused on banishing demons from human bodies, material objects, land, regions, political parties, and nation states. While Third Wave beliefs may seem far removed from what many scholars view as mainstream religious practice, McCloud argues that the movement provides an ideal case study for identifying some of the most prominent tropes within the contemporary American religious landscape. Drawing on interviews, television shows, documentaries, websites, and dozens of spiritual warfare handbooks, McCloud examines Third Wave practices such as deliverance rituals (a uniquely Protestant form of exorcism), spiritual housekeeping (the removal of demons from everyday objects), and spiritual mapping (searching for the demonic in the physical landscape). Demons, he shows, are the central fact of life in the Third Wave imagination. McCloud provides the first book-length study of this influential movement, highlighting the important ways that it reflects and diverts from the larger, neo-liberal culture from which it originates.

Dr. Tony Evans, one of the most respected church leaders in the country, is the founder and senior pastor of Oak Cliff Bible Fellowship in Dallas, a thriving congregation of 8000. INCLUDED ARE PRAYERS BY: Dr. Mark I. Bubeck, Dr. Neil T. Anderson, Brother Andrew, Nancy Leigh Demoss, Dr. Fred C. Dickason, Rev. Paul Estabrooks, Dr. Erwin W. Lutzer, Stormie Omartian, Dr. Ray Pritchard, Dr. Marcus Warner, and others. Newly updated to include an "Introduction to Spiritual Warfare" by Dr. Marcus Warner. The Bible is clear — from the moment we draw our first breath, WE ARE AT WAR. Satan hates us and wants to destroy us — because the Lord loves us. A supernatural battle is waging all around us and if you are not a warrior, you will be a casualty. Christians must face this battle head-on by learning to put on the full armor of God every day. If we are not equipped properly, we will wonder why we live such defeated lives. Satan is alive and well and "prowling around like a lion seeking whom he can devour." We must use the weapons that God has provided for us to do battle for ourselves and for those that we love. *A Warrior's Prayerbook* is a clear and concise resource designed to help you put on the full armor of God. This book is filled with doctrinally sound prayers, written by great men and women of faith, past and present, that will help you be a fearsome prayer warrior in your spiritual battle. ENDORSEMENTS *A Warrior's Prayerbook* will be a great help to many and a service to the Body of Christ. Many will have never seen anything like these prayers. They should not only be a help to those who use them but also a wake-up call and challenge to many who never thought of warfare and practical praying against evil. Kathryn has done a great work in compiling, organizing, presenting, and publishing this book. Good art work. Great need. Great taste. DR. C. FRED DICKASON Author and Fmr. the whole armor of God” (Ephesians 6:11), then we know that we need to pray. But how should we pray when we go into battle? My friend Kathryn McBride has helped us hugely by compiling A Warrior’s Prayerbook for Spiritual Warfare. The first part of the book contains prayers from esteemed Christian leaders like Erwin Lutzer, Mark Bubeck, Fred Dickason, and Brother Andrew, arranged in categories such as “Affirm,” “Resist,” “Renounce,” and “Prayers for Others.” The book also includes the full text of many Scriptures on spiritual warfare along with very helpful quotes from noted Christian leaders. This is the most comprehensive guide to spiritual warfare praying that I have seen. We need a book like this so that when the enemy surrounds us, we will know how to get in contact with the Captain of our Salvation. Read it and you will be better prepared to stand strong when the devil attacks you and your family. DR. RAY PRITCHARD Speaker, Pastor, Author www.keepbelieving.com

The Bible is explicit: We live in a world of distinct opponents; our very lives are a battle. Yet too many Christians lose more battles than they win and endure their walk with God rather than enjoy it because they don't recognize the enemy when they see it. More importantly, they have no idea how to respond. While society tells us we can react simply, the truth is that a wish, a hope, and a prayer are not the best responses to attacks from those who stand between us and the Father. Christians must be strategic in their reactions to these clearly defined enemies, learning how to fight biblically and effectively rather than just sincerely. In *Spiritual Warfare*, Dr. Karl Payne - pastor of Leadership Development and Discipleship at Antioch Bible Church and Chaplain for the NFL's Seattle Seahawks - has written a guidebook for defense that is simple, biblical, and transferable. Through his teaching on how to recognize and resolve attacks from the world, we learn that we are more than conquerors in Christ.

The Bible never says, "Ignore the devil and he will leave you alone." We are all born into a world at war. Until we understand the realities and rules of this war, we are condemned to fight blind against an adversary capable of inflicting great damage. Every Christian needs to understand the fundamentals of spiritual warfare. Participation in the battle is not optional. We are all in this war whether we like it or not, so doesn't it make sense to be prepared? This book provides practical insights about the battle and clear strategies for winning life's battles and for walking in Christ's victory. We will look at the reality of spiritual warfare, how we often give permission to the enemy to have a place in our life--and how we can use our authority in Christ to remove that legal ground. We'll look deeper into demons, the occult, and how to find freedom from bondage. In this edition of the book, you'll also find prayer guides and exercises to help you experience the freedom that is yours in Christ.

Understand the Battle Before You Enter It When you think about the end times, you've probably already considered the rapture, the tribulation, and the Antichrist. But are you prepared for the spiritual warfare that is already escalating around us as we draw closer to the final days? Now more than ever, it is essential to equip yourself with God's truth so you can stand against the encroaching darkness. In *Spiritual Warfare in the End Times*, bestselling prophecy author Ron Rhodes powerfully exposes Satan's most destructive and effective tools of spiritual injury—and the means of rendering them ineffective. Ron will help you understand... the identity, tactics, and dominion of Satan—and the

spiritual armor God has given you for protection the pivotal roles the Holy Spirit and the Word of God play in your spiritual victory the sheep (Christians) who keep close to the Shepherd (Jesus) are safest from the predatory wolf (Satan) Though Satan will always want to diminish your capacity to serve in God's kingdom, God promises you'll never fight him alone. Spiritual Warfare in the End Times will provide you with all you need for victory both now and in the future. The Bible frequently speaks of Satan and demons, and there is no mistaking the teaching of Scripture on this one point: as there is a kingdom of God, so too is there a kingdom of Satan. And the two are embroiled in open conflict. Yet many Christians today are unaware of this battle and are woefully ill equipped to engage in the work of spiritual warfare. Or they believe Satan and the demonic are part of a worldview that has long since lost its usefulness and cogency. This is the 21st century, for heaven's sake. Sam Storms believes we cannot so easily dispense with the multitude of biblical assertions concerning the reality of Satan and his demonic hordes. The truth is that believers in Jesus are likely to encounter on a daily basis men and women of all ages who are sorely oppressed, tormented, and tempted by demonic powers. How do we respond to these people? Is there help we can offer them? The good news is that Jesus offers deliverance and freedom from the influence of the enemy, and the resultant joy, peace, and spiritual flourishing that comes through the victory of Jesus dying and rising again. Understanding Spiritual Warfare explains the biblical teaching on spiritual warfare and also shares numerous personal accounts of personal victories over the demonic, together with practical guidance on how you, too, can extinguish the "flaming darts" (Eph. 6:16) of the "cosmic powers" and "spiritual forces of evil" (Eph. 6:12) that so often bombard your life. Scattered throughout the pages of this book are real-life testimonies of men and women who have experienced deliverance from demonic oppression and now walk in the joy and freedom of inner spiritual healing, and in the case of some, physical healing as well. Understanding Spiritual Warfare is useful as a reference to address common questions about spiritual warfare, but it also serves as a training manual for a ministry of deliverance and inner healing. It is perfect for any individual or group who wants to grow in their understanding of spiritual warfare today.

"Professor, mentor, author, disability advocate, seminar leader around the world—Dr. David Anderson corralled his many talents and worldwide experiences to author this important book. The volume should prove invaluable to Christians concerned about disabilities, especially teachers. Without flinching, Dr. Anderson tackles the tough issues: How could a good and benevolent God permit disabled children? Are disabilities the result of sin? How does a Christian teacher of the disabled differ from secular counterparts? Especially helpful is his emphasis on the reflective teacher integrating faith and learning. Certainly this is a volume that belongs on the bookshelves of anyone concerned with disabilities." —Steven A. Kaatz PhD, Graduate Programs in Special Education, Bethel University, St. Paul,

Minnesota "I have had the privilege of traveling with Dr. Anderson as he has taught the concepts addressed in this book to educators, pastors, and parents in a variety of countries. I've seen the material come alive as leaders discover the importance of thinking Christianly about disability. This book has the potential of impacting all readers in similar ways. Dr. Anderson challenges all of us to come to grips with a biblical worldview and then to live it out within our spheres of influence. *Toward a Theology of Special Education* thus encourages all readers to think Christianly about disability. Such thinking will then motivate us to care with God's care and to serve with God's concern for justice and compassion."

Spiritual warfare is a divisive subject for today's church. Some Christians focus solely on the immediate world around them, living as if there's no spiritual opposition to God's people and His kingdom. Others take an aggressive stance, where confronting the enemy becomes a constant pursuit in their lives. John MacArthur believes the truth is found between these extremes. *Standing Strong* offers a balanced, biblically sound approach to spiritual warfare in the life of a believer. A trusted and renowned pastor and author, MacArthur examines key scriptures to debunk modern fallacies, define true spiritual warfare, and share what that looks like for believers today. Throughout, you'll be encouraged and equipped to stand strong in the face of every spiritual challenge. *Standing Strong* includes a guide for both personal and group study, which features discovery questions, suggestions for prayer, and activities, all designed to connect life-changing truths with everyday living.

Satan is not out to get you to follow him; he's out to get you to ignore him. When we spiritually zone out, doze off, fall asleep, we are forgetting that we are in the middle of a war--and Satan loves it this way! He loves to convince people he doesn't exist. But Satan is real. He is an actual enemy of our soul. He is waging a real war against us. And we need to wake up and get in the fight. If we fail to do this, we do so at our own peril. In this five-session video Bible study (streaming included), bestselling author Jim Cymbala shows participants how to: Recognize the spiritual wars around them. Understand the enemy's plots against them. Develop practical strategies for fighting back. As believers in Christ, we have been given everything we need to stand strong and take the fight to the enemy. As we do, we will recognize, as the apostle Paul writes in 1 Corinthians, that God "gives us the victory through our Lord Jesus Christ" (1 Corinthians 15:57). Spiritual warfare is real, and we are all involved whether we like it or not. The Bible plainly tells us that Satan schemes against humanity and that he wants to devour us. Daily we struggle against Satan's strategies and desire to take over God's kingdom. This battle will not go away, and ignoring it could be disastrous. But don't be afraid. The victory is already won by Christ. No enemy is powerful enough to overcome the risen savior. In these pages, Mark Bubeck exposes the reality of the conflict and the hope believers have. He answers such questions as: What is Satan's strategy in spiritual warfare? Can a Christian be oppressed by demons? Can demonic affliction be passed down through family lines? What are the symptoms of demonic activity in a person's life? Having sold more than 350,000 copies worldwide, this bestseller will help the reader triumph in the battle against demonic activity by relying on the almighty and powerful Son of God.

Equip your family for spiritual warfare. Few families are aware of the Devil's attacks. Fewer know how to withstand them. Is yours ready? Jim Logan used to think spiritual warfare was a radical idea. That was before he realized just how real it was, especially in the lives of families. Moved by this discovery, in a ten-year span he read over 400 books on spiritual warfare and counseled hundreds of families under satanic attack, soon emerging as a spiritual warfare expert. *Reclaiming Surrendered Ground* represents the insights gained in those years of study and ministry, and it contains the principles he turned to repeatedly in counseling families. The Bible is unequivocal: We live in a universe of unmistakable adversaries; our very lives are a fight. However such a large number of Christians lose a larger number of fights than they win and bear their stroll with God instead of appreciate it since they don't perceive the adversary when they see it. All the more critically, they have no clue about how to react. While society reveals to us we can respond just, in all actuality a desire, an expectation, and a petition are not the best reactions to assaults from the individuals who remain among us and the Father. Christians must be vital in their

Spiritual warfare is not a church fad. Rather, it is the rediscovery of biblical Christianity. Furthermore, one will not grasp what the Bible teaches until one comprehends what it affirms about spiritual warfare. In truth, spiritual warfare permeates the entire Bible. When one learns to read the Scriptures through the lens of spiritual warfare, one will discern the mission of God, understand the kingdom of God, and be able to participate in the work of God. As a professional theologian, seminary professor, and spiritual warfare practitioner, Bill Payne believes that the church will not make disciples of all nations (Matthew 28:18-20) until it operationalizes what the Bible teaches about spiritual warfare. As it orients the reader to the spiritual warfare mandate, *Satan Exposed* tackles the difficult passages of Scripture. In short, this book will change how you read the Bible, how you understand reality, and how you do ministry.

The topic of spiritual warfare is an issue of ongoing interest in a number of sectors of the contemporary church. other views. Contributors include: • Walter Wink with Gareth Higgins and Michael Hardin • David Powlison • Gregory Boyd • C. Peter Wagner and Rebecca Greenwood This volume provides a balanced, irenic approach to a much-discussed and often controversial topic. Offering a model of critical thinking and respectful dialogue, it highlights the differences between contributors, discusses a full range of important topics on the subject, and deploys biblical as well as theological arguments.

Every Christian feels the effects of the spiritual warfare that takes place in the unseen, supernatural dimension. It's felt when temptation strikes. It's felt in the struggles between making right and wrong choices. It's felt through a wide variety of influences all around us. How can believers protect themselves? Current issues expert Kerby Anderson surveys the Bible's guidelines for dealing with spiritual warfare and provides answers to the hard questions people are asking: What is the key to victory over temptation and sin? Is Satan for real, and how does he influence us? Can a believer be demon possessed? What do angels do, and how are they different from people? How can Christians keep from being spiritually deceived? This clear and concise guide deals with the many misconceptions people have about Satan, demons, angels, and spiritual warfare. A helpful resource for standing strong in the faith.

Do you know how Satan and demons can affect the course of your life? Many humanistic diagnoses of afflictions and distresses simply do not discover the reality of spirit intervention. A biblical world view should lead us to consider demonic influence and invasion. Some cases of depression, suicidal thoughts, physical afflictions, mental disturbances, and poor relationships are caused by wicked spirits. We need to be aware of the enemy's tactics and effects. This book will make you aware of the reality of warfare, the resources of the believer in Christ, and the authority to forcefully resist our adversaries. "This book is a wake up call to believers who are often unaware of this invisible enemy who attacks them, their families, and churches" —Dr. Erwin Lutzer, Pastor Emeritus The Moody Church, Chicago

The Bible is clear that we face three different types of opposition while attempting to successfully navigate life as Ambassadors for Christ. Our opposition is identified in Scripture as "the world" (1 John 2:15-17), "the flesh" (Romans 7:15-25), and "the devil" (1 Peter 5:8-9). The sad reality is that too many Christians lose more battles than they win and endure their walk with God rather than enjoy it because they often don't recognize how opposition through spiritual warfare actually works. More importantly, they have no idea how to effectively and efficiently respond to these attacks. Scripture nowhere indicates that a wish, a hope, a cliché, or a sincere guess represent adequate responses to attacks from these three very real enemies. Christians must be strategic in their responses to these clearly defined enemies, learning how to fight biblically rather than just sincerely. In *Spiritual Warfare*, Dr. Karl Payne-- pastor of Leadership Development and Discipleship at Antioch Bible Church and former Chaplain for

the NFL's Seattle Seahawks-- has written a guidebook for recognizing and responding to spiritual warfare that is simple, biblical, and transferable. Pragmatically speaking, the materials in this book are biblically sound, battle tested, and they work. As Christians we are supposed to live life as victors, not victims. It is past time we learn how to consistently walk our talk in the midst of conflict rather than passively sing songs or daydream about courageous Christian living.

"Lord, teach us to pray" (Luke 11:1). During Jesus' earthly ministry, the disciples made this request of Him. He answered them with what has become known as the Lord's Prayer. Today, nearly 2,000 years later, do we as followers of Jesus Christ have a passion for prayer? Do we desire to speak with our heavenly Father? And are the prayers we utter effective? In this handy pamphlet, perfectly sized to slide into your Bible or notebook, Mark Bubeck offers twenty prayers, rich in doctrine, to help Christians triumph in their spiritual battles. Model prayers include those for revival, repentance, intercession, protection from the Enemy, unity in the Body, and wearing the Armor of God. Learn to pray like the disciples did—by example.

A fierce war rages for your soul. Are you ready for battle? Like it or not, you are at war. You face a powerful enemy out to destroy you. You live on the battlefield, so you can't escape the conflict. It's a spiritual war with crucial consequences in your everyday life and its outcome will determine your eternal destiny.
