

## The Gospel Of Life

Not a book on social issues per se, nor a book on missions, Innocent Blood integrates the two and calls us to courageously challenge the powers of death with the gospel of life. It does this by exploring the striking relationships between the scandal of the gospel and the tragedy of abortion.

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Saramago's Jesus is the son not of God but of Joseph. Mary Magdalene is his lover not his convert. In the wilderness he tussles not with the Devil – a kindly and necessary evil – but with God, a fallible, power-hungry autocrat. And he must die not for the sins of the fathers but for the sins of the Father. By investigating these simple inversions Saramago has woven a dark parable; a secular gospel of astonishing richness and depth. 'An original, wild and beautiful book' Times Literary Supplement

The pro-life movement didn't begin in the 1960s, but in the Garden. Abortion has been a divisive issue in American culture since the sexual revolution. Yet the Bible is an unapologetic defender of human dignity. Moreover, Christians have always cared for the unborn, the orphan, and the least among us. The time is now for this generation to reaffirm what believers have always believed: everybody is created in the image of God. So, what now? Editors Russell Moore and Andrew T. Walker of the Ethics and Religious Liberty Commission (ERLC) assemble leading voices to frame the issues with a gospel-centered perspective. The Gospel for Life series gives every believer a biblically-saturated understanding of the most urgent issues facing our culture today, because the gospel is for all of life.

"Ask and it will be given to you; seek and you will find; knock and the door will be opened to you." - Matthew 7:7 Asking, seeking, and knocking are three imperatives Jesus gave his disciples, and us, in order to grow fully in our Faith and be true disciples of Jesus. Scripture reading and study is an important part of that path to discipleship, and offers us opportunities... to ask - for clarity to seek - the truths of the Bible to knock - asking Christ to come into our hearts. George Martin, prolific writer on Scripture and author of Bringing the Gospel of Luke to Life, and Bringing the Gospel of Mark to Life now brings Matthew's Gospel into sharp focus in a verse-by-verse commentary. Martin gives readers the context of the first-century meaning, and what it means to us today. Reflection questions help us to apply the biblical texts to our own lives. This book is perfect for anyone who wants to learn more about the Gospel of Matthew - as well as priests, deacons, catechetical leaders, Bible study leaders, Scripture teachers or seminarians. Let George Martin bring the Gospel of Matthew to Life for you today.

Grace Secures What Striving Cannot In this hustling, image-forward age of opportunity, we feel more anxious than ever. Despite all the affirming memes and self-reflections that dominate social media feeds, approval and worth often seem assigned to what we do rather than who we are. And we end up constantly feeling like we're behind, lacking, and failing—at home, at work, with friends, with God. Ruth Chou Simons knows something about feeling measured by achievement, performance, and the approval of others. As a Taiwanese immigrant growing up between two cultures, Ruth was always on a mission to prove her worth, until she came to truly understand the one thing that changes everything: the extravagant, undeserved gift of grace from a merciful God. In When Strivings Cease, Ruth guides you on a journey to find freedom from the never-ending quest for self-improvement. She shows you how to confront the ways you look to superficial means of acceptance and belonging; find relief in realizing self-help isn't the answer because you can't be so amazing that you won't need grace; stop seeing God as someone to perform for and start finding delight in responding to his welcome; and let go of trying to rely on your own strength, your own abilities, and your own savvy by truly understanding the freedom Jesus purchased for you. With personal stories, biblical insights, practical applications, and touches of original artwork by Ruth, this transformational book helps you see the beautiful truth that God's favor is the only currency you need—because in Christ you are enough.

In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

Reaffirming the "greatness and inestimable value of human life," Pope John Paul II discusses in this encyclical letter the present-day legal, ethical, and moral threats to life.

Who is Jesus Christ? Don't give an answer that just quotes a preacher you've heard, or even a verse from scripture. What do you know about him personally? How are you different because you know him? If these questions are tough for you to answer, you are not alone. Many people who call themselves Christians struggle to think of him as more real to them than any other historical figure. This study is designed to help you know Christ better as you see him in his Word, particularly in the Gospel of John. John's purpose was to focus less on what Jesus did and more on who he is. Through these lessons you will come to know Christ more personally so that your faith in him will increase and you will "have life through his name."--Back cover.

Proclaiming the Gospel of Life is an obligation for all members of the Catholic Church. Whether protecting the unborn child or speaking out for the terminally ill, our aim must be not only to save lives, but to change hearts and minds: to transform our current - culture of death- into the 'civilisation of love' willed by Christ.
