As many and diverse as we human beings may be once our existential needs are satisfied we all strive for the same thing: We want to feel happy and satisfied the whole time and to be able to live our lives without fear and worries. This search for harmony and inner peace, for self-fulfilment, for calmness, or however we may wish to describe this condition, is indisputably the top goal in the case of virtually all models of human needs. What drives us as human beings? Why do we exist? What do we strive for? On these pages we would like to offer subjects for thought and information on these and other questions. We set out the bases for all existence on the earth and discuss the consequences for life in private and business areas. It is often astonishing how little time we take to consider such an important theme as the meaning of our own lives. How easily we simply take over preconceived notions without questioning them. Or how seldom we thoroughly examine the consequences of our decisions in advance. Amongst other things we describe how we can achieve constant harmony and inner peace. The right choice and deliberate pursuing of our own, self-selected goals take on a key role in this so that we can achieve our own goals and not let ourselves be manipulated by others.

In The Spiritual Child, psychologist Lisa Miller presents the next big idea in psychology: the science and the power of spirituality. She explains the clear, scientific link between spirituality and health and shows that children who have a positive, active relationship to spirituality: * are 40% less likely to use and abuse substances * are 60% less likely to be depressed as teenagers * are 80% less likely to have dangerous or unprotected sex

* have significantly more positive markers for thriving including an increased sense of meaning and purpose, and high levels of academic success. Combining cutting-edge research with broad anecdotal evidence from her work as a clinical psychologist to illustrate just how invaluable spirituality is to a child's mental and physical health, Miller translates these findings into practical advice for parents, giving them concrete ways to develop and encourage their children's—as well as their own—well-being. In this provocative, conversation-starting book, Dr. Miller presents us with a pioneering new way to think about parenting our modern youth.

To make the journey into the Now we will need to leave our analytical mind and its false created self, the ego, behind. From the very first page of Eckhart Tolle's extraordinary book, we move rapidly into a significantly higher altitude where we breathe a lighter air. We become connected to the indestructible essence of our Being, "The eternal, ever present One Life beyond the myriad forms of life that are subject to birth and death." Although the journey is challenging, Eckhart Tolle uses simple language and an easy question and answer format to guide us. A word of mouth phenomenon since its first publication, *The Power of Now* is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better.

In *7 Keys to Spiritual Wellness*, best-selling author Joe Paprocki provides a prescription for spiritual health based on the rich wisdom of Catholic Tradition. Through his nondogmatic, downright inviting style of writing, Paprocki makes this book eminently accessible to non-Catholics and "seekers" as well. Recognizing that the spiritual immune system is weakened almost daily by toxic patterns and attitudes that negatively impact our ability to live in a harmonious relationship with God and others, Paprocki offers seven enduring and reliable strategies for achieving spiritual wellness. After identifying practical ways to integrate each of these strategies into daily living, he describes seven persistent dangers to our spiritual well-being and how these dangers manifest themselves in our lives. At its core, *7 Keys to Spiritual Wellness* helps us see the Christian faith not as a collection of rules and doctrine, but as a spiritual path—a path whose guideposts for spiritual wellness are sure to lead us to a more meaningful life and to a much richer experience of our faith.

Most people think of surrendering as entering into bondage, but when you surrender to God, the promises of God are made manifest in your life (Psalm 84:11, Psalm 34:8). This book will teach you how to take hold of the promises of God in your life and how to walk through your life victoriously. Christian warfare comes down to one thing: believing God's Word (Matthew 13:18-23). When you are seeking freedom in Christ and having the promises of God made manifest in your life, the question isn't "if" persecution will come, it is a question of "when (Mark 4:17)." Contending for the faith is not only believing God's Word; it also involves resisting the devil. In this book, you will learn how to completely surrender to God so that God can bring blessings into your life.

Completely surrendering to God is the key to spiritual growth and being victorious in spiritual warfare. In addition, a lot of misconceptions about faith, its benefits, God's will, man's will, and the identity of the born-again man will be corrected because what you believe determines how you walk through life. The questions, "Who is God? Who is man? Who is our enemy? How do I prepare myself for war? And how do I completely surrender to God?" are answered (along with many other questions) in this book. If you want to learn how to resist the devil, how to obtain blessings from God for you and your family, how to have peace in all circumstances including in the midst of persecution, and how to have a faith that prevails over all circumstances, this book has what you are looking for.

Spiritual Growth and Maturity addresses an uncommon topic. The author challenges the reader to get to the highway of spiritual growth. The secrets of growth are revealed, hindrances

to growth are identified, while what it takes to keep growing is revealed. In this book, you will discover the keys to accelerated spiritual growth. You will also discover what it takes to become too hot for the enemy to harass. It is a must read for end-time spiritual soldiers. Spiritual maturity does not come naturally or automatically with age; rather, it's a process that requires God's help and our effort. But even with our best effort, spiritual maturity does not come quickly. It is a quest that will last through our mortal lives and beyond. For many of us, it is time that we grow up spiritually - keeping childlike things but putting away childish things. Drawing upon insights from the scriptures and writings from latter-day apostles and prophets, *12 Keys to Developing Spiritual Maturity* contains principles and doctrines that guide us toward spiritual growth.

There's no denying the chaotic times we're living in are indicators of the end times, but how would you know for sure? What signs should we look for? Author Brian Hansen, after lengthy study, believes God answers these questions most through the book of Revelation, in prophecies from Revelation from John the disciple. His biblical commentary, *The Book of Revelation and Spiritual Growth Vol. 1*, not only displays Jesus' return through scriptural study, but also encourages growing spiritually among many in lukewarm churches today. Brian discusses several aspects of Revelation, from the Seven Seals to the Rapture and Great Tribulation, while encouraging people to become true Christ-followers by reading and believing in God's Word. Elements of world history and Brian's own personal faith experiences support his inclusive commentary, with the hope that people will see Jesus is the only way and His return facilitates God's plan for our lives.

Although never considered to be a popular speaker nor prolific writer, A. W. Tozer's audiences did appreciate what he had to say, and he was probably the most widely read Christian writer of his time. *Keys to the Deeper Life* contains six of his best-known essays and editorials. In them he rigorously examines many of the failings and foibles of his day. Although most were written more than three decades ago, the insights they offer are as fresh and thought-provoking as the day they were published. Robert Walker, the editor of *Christian Life*, and a long-time associate of Tozer, has written an Introduction to the book that delightfully captures Tozer's irascible genius. *Keys to the Deeper Life* also contains the account of an exclusive interview with A. W. Tozer shortly before his death.

The Bible offers a bracingly realistic account of how the disciples, as flawed characters, frequently resist or grapple with the challenge—and often pain—of spiritual growth. This book tracks the journey of the disciples from Gethsemane until the aftermath Pentecost, using this period as a metaphor for spiritual growth and personal change. Here is a credible and authentic account of spiritual growth for a new generation.

Compiles stories and wisdom from three church leaders about how to foster an environment where people can grow in their Christian faith.

Christianity has tended to focus on right beliefs and right choices as the keys for personal growth. But biblical evidence and modern brain science show that our character is shaped more by whom we love than what we believe. Through conversations he had with Dallas Willard at the Heart & Soul Conference shortly before Dallas's death, Jim Wilder shows how we can train our brains to relate to God based on joyful, mutual attachment--which leads to emotional and spiritual maturity as our identity and character are formed by our relationship with God.

Peter's credentials were lacking and his shortcomings were plentiful. Yet, in spite of his failures and inabilities, Jesus masterfully trained and refashioned him into an influential man of God. Grow in the Grace probes biblical passages of Jesus' interactions with Peter to reveal spiritual growth lessons that can transform your personal walk with Christ. Each chapter discusses key points that will inspire, challenge, and guide you into richer fellowship with Christ. As you embrace and apply principles you'll discover in these pages, you'll find yourself maturing in Christ and experiencing more of His power in your life. You'll find scriptural truths to: * Have absolute assurance of your eternal salvation in Christ * Grow in deeper dependence on Him * Maintain an inner peace through life's adversities * Forgive those who've hurt you * Let go of past failures and move forward in His power * Live joyfully and victoriously in Christ's freedom The lessons Jesus taught Peter are equally applicable to you. It's not about what you are able to do; it's about what God can do through you. Are you ready?

Christianity is a life of the Spirit because the Holy Spirit is the Leader. Every organization has rules and regulation they follow because it serves as a guide. The same principle applies to Christians. There are hidden keys in the Word we must search and apply in our Christian walk because ignorance of these keys allows the enemy to overtake us. The Holy Spirit gave me a revelation to write this book as I was meditating on this scripture. "1 Pet 2:2 As newborn babes, desire the sincere milk of the word, that ye may grow thereby: The Holy Spirit revealed these hidden keys because there are Christians who desire to grow in their Christian life but they don't know how to unlock the door to spiritual growth. My book will teach you how to activate the kingdom keys in your spiritual life. You will advance to the next level in your Christian life if you apply the keys unveiled in this book. As you read this book, the Spirit of God will speak to you because the words written in this book is full of wisdom and revelation. The hidden keys unveiled in this book works because it is tested.

The kingdom of God is divided into three sectors. We have the spiritual kingdom (Heavenly realm where the saints, holy angels and the saint's lives), the inner kingdom (the heart of the Christian) and the visible kingdom (the church on earth). The Kingdom of God is controlled by spiritual keys because God is a Spirit. Every kingdom has a key they use to operate. In the satanic kingdom, they have their keys. In the animal kingdom, they have their keys. In the metaphysical realm, there is a key, Psychics use to operate. The elemental spirits, the occult, the agents of Satan, the Muslims, the Pagans, the Buddhist, the Shinto's, the Jews, The Atheist, the Hindus, the humanist, the scientist, the free thinkers, the universalist, the Freemasons and other religious bodies have the keys they use to operate. Each Kingdom uses its keys to exalt their faith. The Christian must know certain rules and regulations that govern the Kingdom of God because ignorance of these deeper truths and keys allows the wicked to dominate. In this booklet, I have laid down deeper truth and keys every Christian must know to enable him to become resourceful. You can use my booklet as a teaching manual in your church and in various organizations. I have added four powerful chapters to the book to help broaden your spiritual strength in the Lord.

True Discipleship Integrates Emotional and Spiritual Health. New Life Fellowship in Queens, New York, had it all: powerful teaching, dynamic ministries, an impressive growth rate, and a vision to do great works for God. Things looked good---but beneath the surface, circumstances were more than just brewing. They were about to boil over, forcing Peter Scazzero to confront needs in his church and himself that went deeper than he'd ever imagined. What he learned about the vital link between emotional health, relational depth, and spiritual maturity can shed new light on painful problems in your own church. Here are refreshing new insights, and a different and challenging slant on what it takes to lead your congregation to wholeness and maturity in Christ. Our churches are in trouble, says Scazzero. They are filled with people who are ·unsure how to biblically integrate anger, sadness, and other emotions ·defensive, incapable of revealing their weaknesses ·threatened by or intolerant of different viewpoints ·zealous about ministering at church but blind to their spouses' loneliness at home ·so involved in "serving" that they fail to take care of themselves ·prone to withdraw from conflict rather than resolve it Sharing from New Life Fellowship's painful but liberating journey, Scazzero reveals exactly how the truth can and does make people free---not just superficially, but deep down. After offering a new vision of discipleship and a revealing, guided self-assessment of your own spiritual and emotional maturity, The Emotionally Healthy Church takes you through six principles that can make a profound difference in your church. You'll acquire knowledge and tools that can help you and others · look beneath the surface of problems · break the power of past wounds, failures, sins, and circumstances · live a life of brokenness and vulnerability · recognize and honor personal limitations and boundaries · embrace grief and loss · make incarnation your model to love others. Written in a personal and passionate style, The Emotionally Healthy Church includes hands-on tools, discussion questions,

spotlights on key points, and story after story of people at New Life whose lives have been changed by the concepts in this book. Open these pages, and find out how your church can turn a new corner on the road to spiritual maturity.

EDGAR CAYCE ON MASTERING YOUR SPIRITUAL GROWTH What if God were completely loving, the universe completely orderly, and everything that transpired in life a purposeful experience chosen at some level by the soul for spiritual growth and soul development? Such is the premise of Edgar Cayce on *Mastering Your Spiritual Growth*. Drawing upon contemporary examples as well as historical case studies of individuals who received psychic guidance from Edgar Cayce, this insightful volume examines the activities of soul growth and the process of personal transformation that will ultimately enable all individuals to transform themselves as well as society and the world at large. For countless ages, people have asked *Who am I? Why am I here? And does my life have a purpose?* The answers to these questions were explored by thousands of individuals who came to famed psychic Edgar Cayce, and they are answers that are just as applicable today. The ultimate truth is that we are spiritual beings having a physical experience living purposeful lives in a process of soul growth. The keys to that process are working with a personal spiritual intent or ideal, discovering our own approach to personal attunement, and repeatedly working with personal application. The Cayce information contends that it is the inevitable destiny of every soul is to become cognizant of its true relationship to the Creator, eventually achieving spiritual enlightenment in the process. This stage of enlightenment was described by Cayce as "the Christ Consciousness" and has been demonstrated by such individuals as Jesus. What if a new understanding of the nature of the soul and the purpose of life on earth could transform humankind? Such is the premise in the Cayce information.
