An iconic filmmaker and inheritor of the legendary Satyajit Ray's legacy, Rituparno Ghosh was one of the finest auteurs to emerge out of contemporary Bengal. His films, though rooted firmly in middle-class values, desires and aspirations, are highly critical of hetero-patriarchal power structures. From the very outset, Ghosh displayed a strong feminist sensibility which later evolved into radical queer politics. This volume analyses his films, his craft, his stardom and his contribution to sexual identity politics. In this first scholarly study undertaken on Rituparno Ghosh, the essays discuss the cultural import of his work within the dynamics of a rapidly evolving film industry in Bengal and more largely the cinematic landscape of India. The anthology also contains a conversation section (interviews with the filmmaker and with industry cast and crew) drawing a critical and personal portrait of this remarkable filmmaker.

Rabindranath Tagore, also written Rabindranatha Thakura, (7 May 1861 - 7 August 1941), sobriquet Gurudev, was a Bengali polymath who reshaped Bengali literature and music, as well as Indian art with Contextual Modernism in the late 19th and early 20th centuries. Author of Gitanjali and its "profoundly sensitive, fresh and beautiful verse", he became the first non-European to win the Nobel Prize in Literature in 1913. In translation his poetry was viewed as spiritual and mercurial; however, his "elegant prose and magical poetry remain largely unknown outside Bengal. Tagore introduced new prose and verse forms and the use of colloquial language into Bengali literature, thereby freeing it from traditional models based on classical Sanskrit. He was highly influential in introducing the best of Indian culture to the West and vice versa, and he is generally regarded as the outstanding creative artist of the modern Indian subcontinent, being highly commemorated in India and Bangladesh, as well as in Sri Lanka, Nepal and Pakistan.

Satyajit Ray, one of the greatest auteurs of twentieth century cinema, was a Bengali motion-picture director, writer, and illustrator who set a new standard for Indian cinema with his Apu Trilogy: Pather Panchali (Song of the Little Road) (1955), Aparajito (The Unvanquished) (1956), and Apur Sansar (The World of Apu) (1959). His work was admired for its humanism, versatility, attention to detail, and skilled use of music. He was also widely praised for his critical and intellectual writings, which mirror his filmmaking in their precision and wide-ranging grasp of history, culture, and aesthetics. Spanning forty years of Ray's career, these essays, for the first time collected in one volume, present the filmmaker's reflections on the art and craft of the cinematic medium and include his thoughts on sentimentalism, mass culture, silent films, the influence of the French New Wave, and the experience of being a successful director. Ray speaks on the difficulty of adapting literary works to screen, the nature of the modern film festival, and the phenomenal contributions of Jean-Luc Godard and the Indian actor, director, producer, and singer Uttam Kumar. The collection also features an excerpt from Ray's diaries and reproduces his sketches of famous film personalities, such as Sergei Eisenstein, Charlie Chaplin, and Akira Kurosawa, in addition to film posters, photographs by and of the artist, film stills, and a filmography. Altogether, the volume relays the full extent of Ray's engagement with film and offers extensive access to the thought of one of the twentieth-century's leading Indian intellectuals.

Stories from Tagore is a collection of small stories that was written by a great Indian writer, poet and philosopher Rabindranath Tagore during several years. When he was 16 Tagore wrote the first story like this, Bhikharini (The Beggar Woman), about a rough and pitiless life of people at the bottom of Indian society. Tagore was interested in lives of ordinary poor people of India (he is himself from a wealthy family). A simple language that every, a little bit literate person can understand, close description of ordinary people's life with its happy and sad moments make Stories from Tagore interesting and important even in our days.

This ebook presents a collection of all major works of Tagore. A dynamic table of contents allows you to jump directly to the work selected. Tagore's literary reputation is disproportionately influenced very much by regard for his poetry; however, he also wrote novels, essays, short stories, travelogues, dramas, and thousands of songs. The poems of Rabindranath Tagore are among the most haunting and tender in Indian and in world literature, expressing a profound and passionate human yearning. His ceaselessly inventive works deal with such subjects as the interplay between God and the world, the eternal and transient, and with the paradox of an endlessly changing universe that is in tune with unchanging harmonies. Poems such as 'Earth' and 'In the Eyes of a Peacock' present a picture of natural processes unaffected by human concerns, while others, as in 'Recovery 14', convey the poet's bewilderment about his place in the world. Tagore introduced new prose and verse forms and the use of colloquial language into Bengali literature, thereby freeing it from traditional models based on classical Sanskrit. He was highly influential in introducing the best of Indian culture to the West and vice versa, and he is generally regarded as the outstanding creative artist of modern South Asia.
