

The Mountains Shadow Lycanthropy Files Book 1

Hunter vs Hunted. Man vs Nature. "It reads like a mix between The Loop and Jurassic Park, 5" Sophie. C" "If you go down to the woods today, you're in for a beast of a surprise!" B. Benfield" It is a dark moonless night in the Highlands of Scotland. A lorry slowly navigates the twists and turns of the loch-side road as rain begins to pelt against the windscreen. It is the early hours of the morning and the road is empty. The driver wipes his eyes and winds down the window to let the air and rain revive him. As he rounds a bend, he catches a glimpse of something sleek and black pulling the carcass of a deer into the undergrowth. He feels a shiver run down his spine and winds the window back up. He tells no-one. When evidence of a remarkable predator is discovered in the Highlands of Scotland, Thomas Walker finds himself confronted with his past and a creature the likes of which he had never wanted to face again. As its devastating rampage goes unchecked and threatens his home, the woman he loves and his very way of life, an older and much more human adversary seeks him out. How long had it surveyed Glen Cannich from the mountainside and how long would they survive its presence? There are nearly 2,000 reported sightings of what have become known as mystery big cats across the UK every year. Some, such as the beasts of Bodmin and Dartmoor have become infamous. Their origin and identity remain unknown. Shadow Beast, the new chiller from Luke Phillips offers a terrifying and deadly explanation.

Life as she knew it is over. At the next full moon, the real trouble begins... Epidemiologist Joanie Fisher can't catch a break. After her lab burns to the ground, her boss simultaneously fires her and ends their affair. And though she's inherited her grandfather's multimillion-dollar estate, Joanie's shocked to discover the property comes infested with werewolves. Confronted by a ruggedly handsome shifter who begs her to continue her cutting edge research into the wolves' physical changes, Joanie unearths a sinister conspiracy that puts her own life in danger. And as she pushes hard to find the cure, shadowy figures will do anything to make sure she never develops a treatment... including resorting to murder. Can Joanie end the wolfish disease before she's next on a killer's list? The Wolf's Shadow is the first book in the pulse-pounding Lycanthropy Files urban fantasy series. If you like strong female characters, insidious cabals, and medical thriller-style storytelling, then you'll love Cecilia Dominic's hair-raising genre mashup. Recently voted the greatest fantasy of all time, after The Lord of the Rings and The Hobbit, Gene Wolfe's The Book of the New Sun is an extraordinary epic, set a million years in the future, on an Earth transformed in mysterious and wondrous

ways, in a time when our present culture is no longer even a memory. Severian, the central character, is a torturer, exiled from his guild after falling in love with one of his victims, and journeying to the distant city of Thrax, armed with his ancient executioner's sword, Terminus Est. This edition contains the second two volumes of this four volume novel, *The Sword of the Lictor* and *The Citadel of the Autarch*.

From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her Blood and Ash series... *Is Love Stronger Than Vengeance? A Betrayal...* Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more than happy to obey. He may have taken her, but he will never have her. A Choice.... Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolvern are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late. When my magic manifested at puberty, my parents sold me to the Illuminati. They trained me as an assassin, spy, and thief. For years, I used my magic to eliminate their enemies and accomplish their objectives. But when they sent me to steal a magical artifact that reveals Truth in all things, I discovered that I was working for the Dark and not the Light. Thousands of miles away, I landed a job in a quirky little bar. But the scattered remnants of the Order still strive for world domination, and no one leaves the Illuminati alive.

From #1 New York Times bestselling author Patricia Briggs comes a fantastical series set in a world where magic is the only thing that stands between humanity and total destruction... Seraph is a Raven mage, and among the last of the

Travelers who ensure that the city of Colossae is safe from evil. Unwelcome by those who fear magic, the wizard clans have been decimated by the very people they've sworn to protect. But Seraph is spared a similar fate by the ex-soldier Tier—and together they build a life where she is no longer burdened by her people's responsibility. But now Tier is missing—or dead—and Seraph's reprieve from her duty is over. Using her magic to discover her husband's fate, Seraph realizes the prison that holds the evil entity known as Stalker is weakening—and only Seraph can fulfill her ancestors' oath...

Tricia Levenseller, author of *Daughter of the Pirate King*, is back with an epic YA tale of ambition and love in *The Shadows Between Us*... "They've never found the body of the first and only boy who broke my heart. And they never will." Alessandra is tired of being overlooked, but she has a plan to gain power: 1) Woo the Shadow King. 2) Marry him. 3) Kill him and take his kingdom for herself. No one knows the extent of the freshly crowned Shadow King's power. Some say he can command the shadows that swirl around him to do his bidding. Others say they speak to him, whispering the thoughts of his enemies. Regardless, Alessandra knows what she deserves, and she's going to do everything within her power to get it. But Alessandra's not the only one trying to kill the king. As attempts on his life are made, she finds herself trying to keep him alive long enough for him to make her his queen—all while struggling not to lose her heart. After all, who better for a Shadow King than a cunning, villainous queen? "Tricia Levenseller's latest, *The Shadows Between Us*, is a decadent and wickedly addictive fantasy, full of schemes and court intrigue, and delightful descriptions of food, which I am always a fan of." —Kendare Blake, #1 New York Times bestselling author of the *Three Dark Crowns* series

WITH AN INTRODUCTION BY HELEN SIMPSON From familiar fairy tales and legends — Red Riding Hood, Bluebeard, Puss in Boots, Beauty and the Beast, vampires and werewolves — Angela Carter has created an absorbing collection of dark, sensual, fantastic stories.

The allies of the night prepare for the final, deadly confrontation. Darren and Mr Crepsley will get more than they bargained for when they come face to face with the Vampaneze Lord.

It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.

If you like hair-raising mysteries, complex characters, and stories that blend science and magic, then you'll love Cecilia Dominic's *Lycanthropy Files* series.

Book One - The Mountain's Shadow She's a scientist who doesn't believe in werewolves. That won't help her if they tear out her throat. Joanie Fisher's career is sabotaged just when she is about to hit the mother lode of all medical discoveries. One step from discovering the origin of a Chronic Lycanthropy Syndrome outbreak and ten steps ahead of other researchers, her hard work was not only paying off, but gaining the wrong kind of attention. She may have been forced to leave her position, but her research follows her to the estate of her missing grandfather. Ensnared deep in the Ozark Mountains at Wolfsbane Manor, Joanie's life takes another sharp turn. When a sexy werewolf seeks her help, Joanie finds herself in the middle of the mystery of missing local children and a chilling family curse. When Joanie discovers the truth, it may be too late to stop a devastating epidemic with no cure...

Book Two - Long Shadows This time, being true to herself could be a deadly mistake. Lonna Marconi likes to solve problems. The hard kind. A social worker by day, P.I. in her "spare time," she's figured out how to handle her little "werewolf problem." After a dose of wolfsbane, her physical body stays safe in bed while her wolf goes spirit walking. If only she didn't have a mind of her own... Deep in the Appalachians, Lonna learns a family secret that means she's unique, even among werewolves. Now she's pursued by a rogue sorcerer with poisonous intentions, other wizards who'd like to throw her in a gilded prison, and a band of ghostly wolves thirsting for her blood. Worse, there's only one man who can protect her, and even he demands a price: her heart. Even though his own may be forever beyond her reach.

Book Three - Blood's Shadow The disease has teeth...but the cure could be deadly. As Investigator for the Lycanthrope Council, Gabriel McCord went above and beyond his official title to keep werewolf kind out of the public eye. Now he has a new challenge as the liaison to the Institute for Lycanthrope Reversal, advocating for humans turned werewolf against their will. The Institute's controversial "treatment" is generally accepted – until one of the project's scientists is found murdered at his desk. The suspect list is long: purists

who believe lycanthropism is a non-returnable gift; wolf-borns who want the cure for their own; and the ethereal Selene Rial, an Institute psychologist who's lost her most precious possession to a secret society dedicated to the annihilation of werewolves. If Gabriel fails to solve this case, the fragile peace between wizards and lycanthropes could shatter, and his friends' lives could be ruined. But even if he succeeds, he has to face the consequences of his heart being pulled in a dangerous direction – a woman whose secrets could destroy them both. Bonus novella - A Million Shadows Witches, werewolves, and murder - oh, my! Former model and heartbreaker Kyra Ellison is accustomed to making trouble, not being on the receiving end. When she's kicked out of her family's Ozarks cabin where she's been taking refuge - okay, hiding - after a wicked ancient syndrome wrecked her old life, she's forced to go to Salem, Massachusetts. Yes, that Salem, where a murder, witches with secrets, and handsome billionaire make danger irresistible. Kyra finds she's not the only one with secrets and skeletons in her family closet, but some are more deadly than others. A confrontation with ancient danger and a new foe forces her to choose between the old life she's been craving and the new love that might make everything worth it in the end. All vampires suck. Sterling just happens to be very good at it. Vainglorious vampire Sterling is forced to trade his big city hedonism for a trip to a sleepy mountain town, where mangled dead bodies have been discovered. Soon he's entangled with snooty vampire nobles, territorial werewolves, and a society of law-enforcing sorcerers. The locals aren't so bad, like the luscious young lady at the fruit shop, or the hunky electrician whose smile sends out sparks. But they're distractions from the hunt for the mountain murderer. And then there's the eerie enigma: why are all these corpses missing their faces?

Sometimes, you need a demon to fight demons. Lincoln Marshall is a small-town deputy with a very big problem. Six members of his church have been found dead, killed by a rogue werewolf. He'll have to make a deal with the Devil to save victims that have gone missing — maybe literally. Elise Kavanagh, preternatural investigator and exorcist, is the expert when it comes to violent deaths at the jaws of evil. She's also among the most powerful demons that Hell has spawned. Elise jumps at Lincoln's case, and it's not just because of his down-home charm. Someone's laid a trap for her in Northgate, and she wants to find out who. She'll have to team up with Rylie Gresham, Alpha of the last surviving werewolf pack, to figure out who's trying to blame the murders on werewolves. Only together can they stop the killings — and uncover the secrets buried in Northgate. keywords: demons, angels, urban fantasy novel, occult supernatural, supernatural suspense, paranormal romance, dark fantasy, exorcism exorcist, werewolves, werewolf pack

An ancient energy. A daring expedition. Two misfit scientists in a race against time... Iris McTavish always wanted to follow in her father's footsteps. But when his sudden death leaves her household on the brink of ruin, she may have to choose an unwanted marriage over her passion of archaeology. To save her

The first volume in J.R.R. Tolkien's epic adventure THE LORD OF THE RINGS One Ring to rule them all, One Ring to find them, One Ring to bring them all and in the darkness bind them In ancient times the Rings of Power were crafted by the Elven-smiths, and Sauron, the Dark Lord, forged the One Ring, filling it with his own power so that he could rule all others. But the One Ring was taken from him, and though he sought it throughout Middle-earth, it remained lost to him. After many ages it fell into the hands of Bilbo Baggins, as told in The Hobbit. In a sleepy village in the Shire, young Frodo Baggins finds himself faced with an immense task, as his elderly cousin Bilbo entrusts the Ring to his care. Frodo must leave his home and make a perilous journey across Middle-earth to the Cracks of Doom, there to destroy the Ring and foil the Dark Lord in his evil purpose. "A unique, wholly realized other world, evoked from deep in the well of Time, massively detailed, absorbingly entertaining, profound in meaning." – New York Times

A Missing Ferryman. An Undead Dilemma. An Immortal Detective. An emissary from the Dark Council has just materialized in the office of the Montague & Strong Detective Agency, and makes Simon Strong an offer he can't refuse. Charon is missing. The legendary ferryman responsible for transporting souls across the river Styx hasn't been seen in days. And with each passing hour, those unable to cross the river are left to walk among the living, tilting the world further out of balance. Meet Simon Strong, an immortal, who is also the best private detective in New York City. Together with his surly partner-Tristan Montague, a mage of indeterminate age, they must find the Ferryman and get him back to work before another Supernatural War ravages the earth, destroys humanity, and Simon's local coffee shop. Time is running out. His landlord wants the rent and Karma with a capital K is paying him a visit, and she can be a real... Join the Montague & Strong Detective Agency and help them locate Charon, so he can restore balance to the universe, put the dead to rest, and maybe solve the age-old conundrum-coffee or tea?

She has one "simple" task to complete to earn her way back home. Too bad the monster she needs to capture is hunting her, too. Nobody said Fae life was easy... Reine has one minor loose end to tie up before she'll be allowed to return to Faerie — an invisible soul-eating creature is on the loose at a major fantasy convention, and the hotel manager doesn't believe in the paranormal. As if living in a horror movie isn't bad enough, Reine's brother Rhys and the gargoyle she's becoming too attracted to

have some sort of history between them. Instead of a “loose end,” Reine is dealing with the unraveling of her life. Can she embrace a side of herself she’s afraid to acknowledge and defeat the soul-eater in time to meet the conditions of her bargain to return to Faerie? Or will her life – as well as those of the convention-goers – be sacrificed for greed, ambition, and a good performance review? Or worst of all, will love tempt her to stay on Earth? In this second installment of the Fae Files, Reine has to balance her desire to return home with the humanity she doesn’t want to admit she has and the need for a love she can’t accept. If you like snarky, conflicted heroines, slow-burn romance subplots, and lots of drama, then *Shadows of the Heart* is the book for you. Preorder *Shadows of the Heart* to immerse yourself in a strange yet familiar new world today!

Have you ever been so stubborn that you failed at something? Yeah? Me too! I hail from an ancient line of werewolves, so you’d think being me would be easy. If only two very important things were not standing in my way. ONE: Zach Brighton - my betrothed. TWO: My wolf was very different! Everyone said I should be happy he still wanted me. I was not. Then, I met someone else, a mystery man who changed everything, but held secrets of his own that threatened his ability to claim me. Maybe I wasn’t meant to be claimed. Maybe I was broken. Or Maybe, I was just waiting for my new life to catch up. This is book ONE of The Ancients Series. This paranormal romantic suspense story MUST be read in order. The main character's story concludes in book 4, but all four of those books are already available! 1 - *Shadows of the Ancients* 2 - *Falling into the White* 3 - *Branches of the Willow* 4 - *Bound by the Moon* 5 - *Stars from Author J. Kirsch* - One sexy, witty, enticingly snarky wolf girl? Check. A unique take on werewolf power and relationship dynamics? Check. This is an overall fun read with dialogue that will have you laughing out loud at times and raising your eyebrows at others. In one evening I ran across this deliciously wolfy paranormal book, and a few hours later I had to buy book #2 and #3 in the series. Yes, it's THAT good. If you like Patricia Briggs or Jeaniene Frost, you will enjoy Ms. Butler's writing.

Your favorite series takes a new twist. Walter and GJ have the opportunity of a lifetime: become FBI agents. But once you’re in *NightShade*, the secrets start coming out... Former marine turned Private Investigator, Walter Reed, has been given yet another strange and amazing opportunity: to become an agent with the FBI’s *NightShade* division. Though confident her training will make Quantico a cake walk—even with only one leg—Walter is discovering her shot at a new career has disaster written all over it. Her first hurdle? Walter doesn’t graduate training if her new partner GJ Janson doesn’t graduate, too... After previously being arrested by the FBI, GJ Janson hopes to redeem herself with the chance to become an agent. Unfortunately, her snooping around her grandfather’s laboratory reveals he’s been hiding strange skeletons—with strikingly similar anomalies to those she notices in her friend Donovan. When a weekend visit to her grandfather’s lab yields a fresh body, GJ goes into investigation mode. But the body is that of a fellow *NightShade* agent, and Walter and GJ quickly realize that nothing in *NightShade* is what it seems—not the case, the other agents, nor even their job descriptions. Only one thing is clear: the killer is coming after them next. And they suspect it’s someone GJ knows. From the New York Times bestselling author of *Cirque Du Freak* comes a chilling new series about one teen's terrifying journey to the depths of darkness. Grubbs Grady has stiff red hair and is a little big for his age, which means he can get into R-rated movies. He hates history and loves bacon, rats, and playing tricks on his squeamish older sister. And he's about to learn three mind-blowing things: The world is vicious. Magic is possible. Demons are real. When Grady opts out of a family weekend trip, he never guesses that he's about to head on his own adventure—one that's horrid and dangerous. Hungry demons and howling werewolves haunt his waking nightmares... and threaten his life.

Honorable Mention, Rondo Hatton Award "Lengthy introduction...a nice job...hitting on some of the very insignificant magazines"—*Mani.com* "A vein worth mining"—*Scarlet* "In depth...both an affectionate look back, and a scholarly study, of a period in horror history"—*Scary Monsters Magazine* "Includes all of the Marvel B&W mags"—*Famousmonsters of filmland.com*.

This is a critical overview of monster magazines from the 1950s through the 1970s. "Monster magazine" is a blanket term to describe both magazines that focus primarily on popular horror movies and magazines that contain stories featuring monsters, both of which are illustrated in comic book style and printed in black and white. The book describes the rise and fall of these magazines, examining the contributions of Marvel Comics and several other well-known companies, as well as evaluating the effect of the Comics Code Authority on both present and future efforts in the field. It identifies several sub-genres, including monster movies, zombies, vampires, sword-and-sorcery, and pulp-style fiction. The work includes several indexes and technical credits.

The master of horror returns with another spine-tingling adventure in the fifth title of the *Demonata*....

Forget what you've been told. Werewolves do exist. And their numbers are growing. "Does for werewolves what *The Walking Dead* has done for zombies" ... "Full of surprise and suspense" When a wave of vicious attacks sweeps across London, there are reports of a Beast on the loose. There are fears of a Ripper stalking the streets. But the truth is more terrifying than anyone can imagine. Werewolves are prowling the city. Hunting and killing. Lycanthropy, a disease as old as humanity, now threatens to destroy civilization. With no cure, no vaccine, and millions of potential victims, it's spreading through the capital at exponential

rates. And every werewolf bite has just two possible outcomes - death or infection. The werewolf apocalypse is here, and it's only just beginning. WOLF BLOOD is the first in the LYCANTHROPIC apocalyptic werewolf series. If you enjoy the zombie apocalypse, dystopian or post-apocalyptic science fiction, horror, grimdark or dark fantasy, or multi-protagonist sagas, don't miss out on the next big trend in apocalyptic fiction.

A fictional Christian novel of mystery, suspense and humor for the purpose of disciplining believers in the faith.

Endore's classic werewolf novel—now back in print for the first time in over forty years—helped define a genre and set a new standard in horror fiction. The werewolf is one of the great iconic figures of horror in folklore, legend, film, and literature. And connoisseurs of horror fiction know that *The Werewolf of Paris* is a cornerstone work, a masterpiece of the genre that deservedly ranks with Mary Shelley's *Frankenstein*, Bram Stoker's *Dracula*, and Robert Louis Stevenson's *The Strange Case of Dr. Jekyll and Mr. Hyde*. Endore's classic novel has not only withstood the test of time since it was first published in 1933, but it boldly used and portrayed elements of sexual compulsion in ways that had never been seen before, at least not in horror literature. In this gripping work of historical fiction, Endore's werewolf, an outcast named Bertrand Caillet, travels across pre-Revolutionary France seeking to calm the beast within. Stunning in its sexual frankness and eerie, fog-enshrouded visions, this novel was decidedly influential for the generations of horror and science fiction authors who came afterward. This urban fantasy boxed set contains the first three novels in *The Ascension Series* and totals 300,000 words. When it comes to problems involving evil, Elise Kavanagh is the expert in saving the day. Not only is she a legendary demon hunter known as the Godslayer, she's also the most powerful demon to ever walk the Earth—a once-human creature that other demons now look up to as a deity. Rylie Gresham is Alpha of the last werewolf pack. They're hiding from recent government laws regulating preternaturals and trying to avoid conflict. But someone's trying to get into Eden. The garden holds secrets too dangerous for anyone to possess, including Elise's former partner James Faulkner: a half-witch, half-angel bent on becoming God. He doesn't care what it takes to get into Eden, and the werewolf pack gets trapped at the center of the conflict. Elise will do anything to keep James—or anyone else—from reaching Eden, even if it means journeying deep into Hell and seizing control of the City of Dis. Trapped between shadow and light, Elise walks a fine line trying to save the world yet again...even if it means losing her friends among the werewolves, the man she once loved, and her soul itself. **ABOUT SACRIFICED IN SHADOW** Lincoln Marshall is a small-town deputy with a very big problem. Six members of his church have been found dead, killed by a rogue werewolf. He'll have to make a deal with the Devil to save victims that have gone missing—maybe literally. Elise Kavanagh, preternatural investigator and exorcist, is the expert when it comes to violent deaths at the jaws of evil. She's also among the most powerful demons that Hell

has spawned. Elise jumps at Lincoln's case, and it's not just because of his down-home charm. Someone's laid a trap for her in Northgate, and she wants to find out who. She'll have to team up with Rylie Gresham, Alpha of the last surviving werewolf pack, to figure out who's trying to blame the murders on werewolves. Only together can they stop the killings—and uncover the secrets buried in Northgate. ABOUT OATHS OF BLOOD Werewolves are immune to every illness and can heal any wound. It should be impossible for one to become possessed by a demon. But that's exactly what Seth Wilder is facing: a werewolf gone insane from possession. He has no choice but to deliver her to the only exorcist in America, Elise Kavanagh, who also happens to be a powerful demon known as the Godslayer. Elise is in hiding when Seth and Rylie Gresham, Alpha werewolf, arrive seeking her help. She agrees, but everything has its price. What they learn about the possessed werewolf changes everything—Hell and Earth, the pack, and the future of the entire world... ABOUT RULED BY STEEL Elise Kavanagh failed to prevent the Breaking, and now Hell is spilling onto Earth. She's delved deep into the City of Dis in an attempt to stop the infernal armies—but even the legendary Godslayer is unprepared to face Dis's fiercest demons, not to mention the responsibility of liberating the humans they've enslaved. On Earth, rogue angel Nash Adamson is wing-deep in damage control after the Breaking, and his fellow angels don't want to get involved. War is approaching the werewolf sanctuary. If Heaven won't help them, he'll have to turn to Hell for salvation. Everything hinges on who can control the City of Dis. Elise and her allies have no choice but to rule by steel... Witches, werewolves, and murder - oh, my! Former model and heartbreaker Kyra Ellison is accustomed to making trouble, not being on the receiving end. When she's kicked out of her family's Ozarks cabin where she's been taking refuge - okay, hiding - after a wicked ancient syndrome wrecked her old life, she's forced to go to Salem, Massachusetts. Yes, that Salem, where a murder, witches with secrets, and a handsome billionaire make danger irresistible. Kyra finds she's not the only one with secrets and skeletons in her family closet, but some are more deadly than others. A confrontation with ancient danger and a new foe forces her to choose between the old life she's been craving and the new love she can't resist. A Million Shadows is a supplemental novella in the Lycanthropy Files, an urban fantasy series with the bite of a medical thriller. If you like magic, compelling mysteries that keep you up past your bedtime, and hot wizards who make you want to stay up all night, then you'll love A Million Shadows.

Life as she knew it is over. At the next full moon, the real trouble begins...

Epidemiologist Joanie Fisher can't catch a break. After her lab burns to the ground, her boss simultaneously fires her and ends their affair. And though she's inherited her grandfather's multimillion-dollar estate, Joanie's shocked to discover the property comes infested with werewolves. Confronted by a ruggedly handsome shifter who begs

her to continue her cutting edge research into the wolves' physical changes, Joanie unearths a sinister conspiracy that puts her own life in danger. And as she pushes hard to find the cure, shadowy figures will do anything to make sure she never develops a treatment... including resorting to murder. Can Joanie end the wolfish disease before she's next on a killer's list? *The Wolf's Shadow* is the first book in the pulse-pounding Lycanthropy Files urban fantasy series. Be careful what you wish for... Exiled Fae princess Reine's return to Faerie isn't what she hoped. First, she has to sneak in rather than enter in triumph. Second, she has to figure out what to do with a certain gargoyle, who still hasn't forgiven her or her brother for a major betrayal. Third, she's pretty sure someone in her grandmother's court is trying to kill her. As Reine travels the shadowed paths typically forbidden to those of the Light Court while evading a hidden, yet clever pursuer, she has to navigate her own interpersonal complications and face the truth about who and what she truly is.

Otherwise, she's guaranteed to lose the final battle against the powerful enemy who's been pulling the strings all along, and Faerie will never be the same. *The Shadowed Path* is the third installment of *The Fae Files*, a series with magic, wit, and a little bit of bite. If you like snarky heroines, memorable creatures, and unique magical worlds, then you'll love Cecilia Dominic's spellbinding series. Preorder *The Shadowed Path* to pierce the veil today!

Being a top predator is of little use when you are your own worst nightmare. Michael Biörn has known this for a thousand years, and he has been running from the ghosts of

his past ever since. After answering Lieutenant Harrington's call for help, Michael quickly finds himself in Houston staring at a peculiar crime scene. An expert in preternatural wildlife, Michael immediately identifies the killer as a werewolf. The beast's motivation for the killing remains unclear; but one thing is sure, Michael has no desire to stick his nose in wolf business. After all, the werewolves have hunted down his kin to the brink of extinction, and as the sole survivor of his kind, he strives to keep a low profile. Michael's resolve instantly vanishes when he finds Harrington and his wife savagely murdered in their home. As he sets to unearth the true motivations behind his friends' assassination, the body count rises, and Michael soon becomes a suspect in the eyes of the law. But the police are the least of his concerns; the werewolves have uncovered his true nature, and they are coming for him.

The story continues in Full Moon Knights.

The disease has teeth...but the cure could be deadly. As Investigator for the Lycanthrope Council, Gabriel McCord went above and beyond his official title to keep werewolf kind out of the public eye. Now he has a new challenge as the liaison to the Institute for Lycanthrope Reversal, advocating for humans turned werewolf against their will. The Institute's controversial "treatment" is nonetheless generally accepted – until one of the project's scientists is found murdered at his desk. The suspect list is long: purists who believe lycanthropism is a non-returnable gift; wolf-borns who want the cure for their own; and the ethereal Selene Rial, an Institute psychologist who's lost her most precious possession to a secret society dedicated to the annihilation of werewolves. If Gabriel fails to solve this case, the fragile peace between wizards and lycanthropes could shatter, and his friends' lives could be ruined. But even if he succeeds, he has to face the consequences of his heart being pulled in a dangerous direction – a woman whose secrets could destroy them both. Blood's Shadow is the third book in the Lycanthropy Files, an urban fantasy series with the bite of a medical thriller. Each book is written to be read as a standalone, but you'll get a fuller experience if you read them in order. If you like hair-raising mysteries, complex characters, and stories that blend science and magic, then you'll love being transported with these transfixing tales.
