She pleads her innocence and confesses that she still loves him. Refusing to listen, he makes the cruelest demands...

When Ava got pregnant, they decided it was time to get married, and Ava put her career on hold. The two of them should be living in conjugal bliss, but their marriage has been rocky from the start? Cesare spends too little time with his family and buries himself at work, treating Ava coldly when she tries to talk to him about it. Ava, convinced that he doesn't love her anymore, knows they need some time apart. And yet, when they meet again after some time has passed, a sad-looking Cesare gazes at her with hungry eyes and tries to kiss her. Is it really love...or only lust?

Passion and danger abound in this classic historical romance from #1 New York Times bestselling author Julie Garwood. Orphaned and besieged, Princess Alesandra knows that only a hasty marriage to an Englishman can protect her from the turmoil in her own land. The bold, raven-haired beauty instantly captivates London society, much to the amusement of her makeshift guardian, Colin, younger brother of the Marquess of Cainewood. But when Alesandra is nearly abducted by her unscrupulous countrymen, Colin knows he must protect her and offers a marriage that should be in name alone—until their first kiss ignites a wildfire in his soul. As the lovely princess dashes headlong into unforeseen dangers, Colin will risk his own life to save her and claim Alessandra as his own—forever...

Jett Olsson isn't looking for anything serious and she's not looking for anything at all, so why does it seem so hard to keep it professional? I love my life—the thrill of being on the ice as part of the Arizona Vengeance, the rush of winning, the adoration of the fans. And if that adoration means I don't have to spend the night alone, well even better. I'm content being single and always ready to mingle. But the day Emory Holland walks into a Vengeance team meeting my attention is caught like never before. I can tell right away she's full of smarts and sass, and the fact that she's hot as hell sure doesn't hurt either. She immediately shuts down my advances, so I opt for the road less traveled—straight to the friend zone. My approach works like a charm, and when she invites me into her bed for a no-strings, friends-with-benefits arrangement, I vow to give her everything I have. She's been hurt before, and if I'm able to help her heal while giving her a spectacularly satisfying time *pats self on back*, then I'll be happy. Or at least that's the lie I keep telling myself as the time ticks down on the final buzzer of our "relationship". Now the real question is, can I score the winning goal in a game neither of us realized we were playing?

Updated and expanded edition of *Alexandra's Awakening*. Lizbeth's first novel is an erotic story in the tradition of *The Story Of O*—a tale of sexual awakening as a young woman, Alexandra, comes to terms with the often crude sexual fantasies that have haunted her for years. Knowing of her troubling sexual passions, her lover, Will, takes her to his good friend, the dominant master, Reggie, who requires Alexandra face her fears as well as her profound desires. Though she often fights this master's power over her, she soon learns the pleasures of surrender. In the process, she comes to appreciate and gain power over her once perplexing sexual lust, and find where her true desires lie. In this 2013 version, Lizbeth has significantly expanded the novel, adding over 15,000 words to the original text, as well as updating this BDSM romance into the 21st century. For the first time, Lizbeth's five book *Alexandra Series* is being offered in one volume. In *Alexandra's Dilemma*, a reluctant Alex knows that the only way back to her lover's heart is to submit to a well-deserved and exacting punishment meted out by his friend, the merciless Reginald. Once trained by this compelling dominant, she breaks a promise to herself never to surrender to him again. She returns for a rousing and creative chastisement, that not only pays her debt to her lover, but reminds her of the sexual thrill of submission. In *My Darling Jocelyn*, Lizbeth introduces a sassy and seductive woman, capable of matching wits with the consummate bachelor, Reggie. Is it possible to melt the ice that surrounds his loveless heart? Perhaps, but only if she's ready to submit to his uncompromising demands and realize her own fondest dreams for sexual surrender. A tale of girls gone wild—a little too wild! *Jocelyn & Alexandra*, feeling ignored by their Dom lovers, take off on a vacation together that's only bound to get them into trouble. But when they return, the two discover that keeping their naughty secrets from Reggie and Will is more difficult than they expected. It won't be long before these two are getting their just desserts, exactly what they deserve. In the finale of the series, *Jocelyn's Rebellion*, it looks as if the Dom/sub match made in heaven is doomed, when a stressed out Jocelyn's high-profile consulting business takes a sudden nose dive, and the sassy redhead foolishly runs off with a scoundrel lover. Only her dear friend, the irrepressible Alexandra, holds out any hope that Reg and Jocelyn can get back together. She's hell-bent on making it happen, but at the same time must fight to hang on to her beloved Will after a lusty infidelity almost dooms her rocky relationship.
