Does God speak to us today? Maybe He just whispers to our heart. This book was written to encourage believers to know that God does whisper to our hearts by the power of the Holy Spirit. "Be still and know that I am God," is His message. He prompts his whispers through nature, music, prayers, and generations past—through witnessing, through the testimonies of other believers, through the power of grace, through the word of God, through angels, through mercy, through the journey of personal growth of faith at every age and through the seasons of life. God whispers the truth of His love to humanity, but you need to take time to rest. Set aside the time to quietly listen. He wants to bless and draw close to all who would choose to believe. The author has been on a journey with God that she prays will open other hearts to the power of God's blessings and His personal message. God has offered forgiveness and a purpose to all those that would humbly surrender to Him in faith.

Thuli Madonsela achieved in seven years as Public Protector what few accomplish in a lifetime; her legacy and contribution cannot be overstated. In her final days in office she compiled the explosive State of Capture report and, two years before that, Secure in Comfort, the report on President Jacob Zuma's Nkandla residence. Praised and vilified in equal measure, Madonsela frequently found herself on centre stage in the increasingly fractious South African political scene. Yet, despite the intense media scrutiny, Madonsela remains something of an enigma. Who is this soft-spoken woman who stood up to state corruption? Where did she develop her views and resolve? Desires and loyalties clash when a sensual assassin and an intriguing enemy agent must fight together in this exciting debut by Ada Harper. For Olivia Shaw, the danger of her assignments as a deadly Whisper agent is matched only by that of her hidden status: Liv is one of the caricae, extremely rare women capable of bearing children and therefore controlled by the Syndicate's government. Liv is drawn deep into political upheaval when her hostage is revealed to be the infamous Red Wolf, Galen De Corvus, brother of the Quillian Empress.
