

The Sevenfold Journey Reclaiming Mind Body And Spirit Through The Chakras

Feminine Empowerment Path of the Goddess: At the dawn of religion, God was a Woman. The Divine Feminine is known by innumerable names and symbol-rich manifestations across the world's cultures. Throughout the ages the Goddess has been honored and worshiped as the Virgin Mary, Isis, Inanna, Asherah, Diana, Kuan Yin, Kali, Oshun, Athena, Pele, Sarasvati, Demeter, and White Buffalo Calf Woman, to mention just a few. Many conceptions of the Goddess are mysterious and seemingly paradoxical. Yet at its source, the Divine Feminine is one. I Am (With) Her takes you on a fascinating and, at times, surprising journey into the enduring essence of the Divine Feminine. Inside this book you will learn:

- How the Goddess path offers an empowering message and inspiration
- The importance of re-establishing a healthy balance and integration of both the "masculine" and the "feminine" archetypes
- That the notion of God as archetypal "Sky-Father" is fairly recent in Western culture
- Why the wisdom of the Goddess/Sacred Feminine has been ignored, distorted, and oppressed for centuries
- How archetypes, mythic narratives, and qualities of Goddesses are alive within you and how they reveal intimate truths about yourself and others
- How Goddesses can serve as empowering guides in your personal and professional life
- Why especially black Goddesses/dark-skinned Mothers (e.g., Kali or Black Madonna) are a powerful symbol and catalyst for change in our times, both individually and collectively
- And much, much more!

It only took eight years in the making, but I have finally completed my book on a variety of rapid recovery and healing techniques that I use in my counselling practice and with athletes. Many workshop attendees had asked that I put these techniques in an easy-to-follow format, with an explanation as to why certain things work the way they do. I believe I have now achieved that goal. These methods are helpful for maximising mind/body maintenance by clearing fears, phobias, addictions, obsessions, compulsions, traumas and all forms of self-sabotage. They can help optimize all aspects of our lives and open us to the fullness of life's possibilities.

The clock is relentlessly ticking! Our world teeters on a knife-edge between a peaceful and prosperous future for all, and a dark winter of death and destruction that threatens to smother the light of civilization. Within 30 years, in the 2030 decade, six powerful 'drivers' will converge with unprecedented force in a statistical spike that could tear humanity apart and plunge the world into a new Dark Age. Depleted fuel supplies, massive population growth, poverty, global climate change, famine, growing water shortages and international lawlessness are on a crash course with potentially catastrophic consequences. In the face of both doomsaying and denial over the state of our world, Colin Mason cuts through the rhetoric and reams of conflicting data to muster the evidence to illustrate a broad picture of the world as it is, and our possible futures. Ultimately

his message is clear; we must act decisively, collectively and immediately to alter the trajectory of humanity away from catastrophe. Offering over 100 priorities for immediate action, *The 2030 Spike* serves as a guidebook for humanity through the treacherous minefields and wastelands ahead to a bright, peaceful and prosperous future in which all humans have the opportunity to thrive and build a better civilization. This book is powerful and essential reading for all people concerned with the future of humanity and planet earth.

Finally making these long-awaited, transformational classes available to all, *Awakening Spirit* combines a deeply empowering, personalized experience with a formal curriculum that is balanced, comprehensive and challenging.

Discover the transformative power of balancing your chakras in the original, complete guide to creating harmony between your physical body, mind, and spirit. The classic beginner's guide to understanding chakras, this brand-new edition of *The 7 Healing Chakras* by Dr. Brenda Davies is a practical and inspirational journey that shows people how to achieve their full physical and spiritual potential. Introducing the chakras, vortices of energy that connect the physical body with the spiritual, the book offers a clear path through the seven power centers, from the red-colored root chakra near the base of the spine to the white crown chakra at the top of the head. Readers are led through a series of meditations to unblock each energy channel and clear the psychological, emotional, and spiritual debris of the past. Including exercises combining crystals, essential oils, and other spiritual tools, the book offers many paths to total wellness and relief. Dr. Davies combines her training as a psychiatrist with ancient methods of healing to provide the strategies needed to take charge of mental and physical well-being.

As the architecture of the soul, the chakra system is the yoke of yoga—the means whereby mind and body, heaven and earth, and spirit and matter are joined together in the divine union that is the true meaning of yoga. In this long-awaited book by acclaimed chakra expert Anodea Judith, you will learn how to use yoga's principles and practices to awaken the subtle body of energy and connect with your highest source. Using seven vital keys to unlock your inner temple, you will be guided through practices that open and activate each chakra through postures, bioenergetic exercises, breathing practices, mantras, guided meditation, and yoga philosophy. With beautiful step-by-step photographs for each of the poses, along with guidelines for deeper alignment and activation of the energy body, this book is a valuable resource for teachers and students alike. Praise: "Anodea Judith's *Chakra Yoga* is a wonderful companion to her decades of books and teachings. Providing exploration through yogic methods for liberating, transforming, and balancing our energetic body and life, it is a gift to the world."—Shiva Rea, founder of Prana Vinyasa and author of *Tending the Heart Fire* "For decades, I have been waiting, wishing, longing for such a book as Anodea Judith's *Chakra Yoga*. As always with Anodea, the book is exquisitely presented, deep, practical, inspiring, easy to follow, contemporary. A **MUST HAVE**. Enjoy the ride!"—Margot Anand, author of *The Art of Everyday Ecstasy*

High in the Santa Monica Mountains near Los Angeles, grisly murders are taking place. On each of the victim's bodies a note is left for L.A. Sheriff's detective, Gabriel McRay. The killer's identity is locked in the suppressed memory of a horrifying trauma from Gabriel's own childhood. Teamed with his forensic pathologist girlfriend and his psychiatrist, Gabriel runs two parallel investigations. The first: a dark journey into the terrifying recollections of his past and the second, the hunt for a serial killer who seems to know more about Gabriel... than he knows himself.

On the Journey: *The Art of Living with Breast Cancer* is my personal experience of the

diagnosis and first phase of treatment of breast cancer. A mammogram confirmed a mass; the biopsy confirmed it was cancer. I was diagnosed with stage 3, breast cancer February 22nd, 2013. That was the beginning. I started this series of mandalas to help me get through the Journey on which I was embarking. What has helped me the most has been using art to process my feelings, creating a new mandala each day to move healthy healing energy into my body and process out the negative energy. I knew from the beginning, art was and is essential for my healing. Creating the mandalas and doing the writings On the Journey has supported me emotionally through this difficult time. Doing art, on a nearly daily basis, has kept me focused on the Now. Sharing the Journey has helped me. I have learned I am not alone. On January 2, 2014, I was upgraded to stage 4, breast cancer. The Journey continues with the loving support from my community, a sisterhood of survivors and thrivers, friends and loved ones. Hundreds of people have sent me angels, their prayers, their love and support. We all need to know we belong, that we are part of this glorious species: human kind. Enjoy and explore your own journey as well.

Considers not just what spiritual intelligence is, but how to develop it. This book integrates the spiritual dimension into our complex mental world. Demystifying spirituality, it explains the role of the soul in our everyday world.

In Anxiety, Modern Society, and the Critical Method Joel Michael Crombez accounts for the production of anxiety in modern societies and provides a method and theory for its diagnosis and treatment.

This is a handbook on how to perform sacred ceremonies in the tradition of Goddess spirituality in one's own home with ordinary household items. An annual cycle of celebrations is included, as is advice on how to set up an altar and use simple tools. The author, a practitioner of Wicca (witchcraft), expounds the life-affirming, eco-feminist values of that tradition. Suggestions for rituals and ideas for inventing one's own are given. Poetry and blessings blend in a title which supports celebration of the Goddess image in daily life. These rituals are personal, moving rites which celebrate love and peace, and which act as meditations for considering new rituals, old traditions, and the course of women's lives.

In this inspiring guide to self-discovery, spiritual medium and healer Carole J. Obley leads you in an enlightening journey of healing and empowerment through helping you connect with your intuitive awareness beyond your five physical senses. Early Acclaim for The Button Therapy Book Improve Your Quality of Life and Parenting Skills The Button Therapy Book has made an incredible difference in my attitude and my life. I am able to relax more and don't get as uptight or angry as I used to. I have always been a person who had my "Buttons pushed" fairly easily and now I understand how to identify my Buttons, address them in a calm and loving way and most importantly, get rid of them. I've also been able to take the information given in the book and pass it on to my children to help them overcome their "Buttons." Dr. Goodwin gives the reader all the tools they need to live happier, healthier lives, starting immediately! I highly recommend this book, it is a must for any person who is interested in improving his or her quality of life and getting rid of those buttons! Jodie Wilkerson from Greenville, NC Get Ready to Unbutton and Be Free! Button Therapy, a 'MUST HAVE' for any mental health professional and/or the lay person. I have found many insights in this book and I have recommended it to just about everyone I know. I think that Dr. Goodwin has hit the 'button on the head', and has loosened it's thread with his insightful, caring explanation of our 'Buttons' and how to deal with them. I find myself referring to it regularly in my business. Thanks Lloyd, I am happier, my clients are happier and we all understand others and ourselves better now that we have read your book. We will all be looking forward to your next work! Suzanne Osborne, Ph.D., Clinical Psychologist, Forensic Psychologist, Criminal Profiler, Counselor from North Myrtle Beach, SC A Model for Personal and Spiritual Growth The Button Therapy Book is a creative synthesis of Eastern and Western models for personal and spiritual growth. An incredible compilation and synthesis of psychological self-help techniques. You would have to read 10 books to get the information and number of self-help techniques presented in this book. I've personally benefited from applying this practical six-step self-help model to some of my Buttons. The chapter titled "30 Seeds for Your Mind's Garden" is worth the price of this book alone. The "30 Seeds" are guidelines that have been helpful in my journey of personal and spiritual growth. Planting these "life-enhancing seeds" into the gardens of our minds enables us to become more conscious. Use the power of life force to live your highest potential. We all know what it's like to have a "charge" about something. It's a feeling of excitement, fear, sexual arousal, or irritation. But what we don't currently know is how to use charge for the behaviors we want to create. Charge is a word for the basic life force running through us. This force is crucial if we are to meet the challenges of difficult situations, heal past wounds and traumas, and manage the stress of modern life. Even more, it is essential for understanding how to master your own life force and become all you can be. This book makes an important contribution to the growing field of Energy Medicine, by looking at charge as the interface between mind and body, and the missing ingredient in Mind-Body healing. It brings the reader into a deep intimacy with their own life force, as well

as an understanding of how charge runs their relationships, their children, their clients, and patients. It examines how we can become “overcharged” or “undercharged” and how to bring about balance through practices of charging and discharging. Each chapter gives simple exercises to put these principles into practice. World-renowned teacher, somatic therapist, best-selling author, and advanced yoga teacher, Anodea Judith, Ph.D., addresses all this and more in her groundbreaking book on mastering the life force. Taken from her decades of teaching on the subject and her doctoral work in Mind-Body medicine, this book contributes something entirely new to the literature on healing self and others.

The internationally renowned Jungian analyst Lopez-Pedraza diagnoses the psychological illness at the core of modern society--the loss of embodied soulfulness in people's lives. In this study of the Greek god Dionysus, he offers insight for a cure. This book may be worth several years in psychotherapy, if one takes its message to heart. Dismemberment and cannibalism, Prometheus and Titanic nature, mystical experience, the communal aspect of Dionysiac worship, jazz, flamenco, and bullfighting are among the many twists and turns taken in this essay that wends its way through issues of the body and emotion to open hidden doors for psychotherapy and to cast new light on post-modern humanity.

Revised edition of the groundbreaking New Age book that seamlessly merges Western psychology and science with spirituality, creating a compelling interpretation of the Eastern chakra system and its relevance for Westerners today. In *Eastern Body, Western Mind*, chakra authority Anodea Judith brought a fresh approach to the yoga-based Eastern chakra system, adapting it to the Western framework of Jungian psychology, somatic therapy, childhood developmental theory, and metaphysics and applying the chakra system to important modern social realities and issues such as addiction, codependence, family dynamics, sexuality, and personal empowerment. Arranged schematically, the book uses the inherent structure of the chakra system as a map upon which to chart our Western understanding of individual development. Each chapter focuses on a single chakra, starting with a description of its characteristics and then exploring its particular childhood developmental patterns, traumas and abuses, and how to heal and maintain balance.

As portals between the physical and spiritual planes, the chakras offer unparalleled opportunities for growth, healing, and transformation. Anodea Judith's classic introduction to the chakra system, which has sold over 200,000 copies, has been completely updated and expanded. It includes revised chapters on relationships, evolution, and healing, and a new section on raising children with healthy chakras. *Wheels of Life* takes you on a powerful journey through progressively transcendent levels of consciousness. View this ancient metaphysical system through the light of new metaphors, ranging from quantum physics to child development. Learn how to explore and balance your own chakras using poetic meditations and simple yoga movements—along with gaining spiritual wisdom, you'll experience better health, more energy, enhanced

creativity, and the ability to manifest your dreams. Praise: "Wheels of Life is the most significant and influential book on the chakras ever written."— John Friend, founder of Anusara Yoga

Techniques for healing, utilising the seven energy centres of ancient medicine. Bodies of Worship explores how the ecclesial, ritual, individual, and cultural bodies engaged in the Church's worship contribute to the theory and practice of both liturgical theology and pastoral ministry. The authors bring solid historical and theoretical scholarship to bear on the practice and experience of the liturgy and spirituality of the Church.

"Ecstasy is about waking up and finding that you are in love with life." Most people think of ecstasy in terms of sexual ecstasy, which Tantric sex expert Margot Anand wrote about in her bestselling *The Art of Sexual Ecstasy*. Now, in *The Art of Everyday Ecstasy*, Anand expands our definition of ecstasy and shows how we can harness its energy to help us live, work, and love more passionately, joyfully, and with true spiritual focus. Our modern, work-obsessed, stress-filled culture—what Anand calls the "anti-ecstatic conspiracy"—has dulled our spirits, thrown us off balance, and alienated us from meaningful everyday experiences. In this inspirational journey toward finding the healing nature of ecstasy, Anand explains how the two types of ecstatic experiences—the moments of epiphany called Ecstatic Awakenings, and Everyday Ecstasy, or the Ecstasy of Flow, a connection to our power and inner wisdom—can help us move beyond pain and doubt to reach our highest potential. Based on the spiritual path of Tantra, Anand shows how to use the natural energy system of our bodies--the seven chakras—as a map to ecstasy. As she guides us through the chakras, she explains how each one plays an important role in transforming energy into erotic passion, healing, empowerment, compassion, creativity, insight, and gratitude. Blocked chakras manifest themselves in surprising ways; wholeness can be achieved only when all of the chakras are open with energy flowing freely. By transforming negative behavioral patterns into positive ones and strengthening ourselves physically, emotionally, and spiritually, we can improve our health, sex life, career, relationships, and find profound meaning in everyday moments. With personal anecdotes, exercises, meditations, and rituals, *The Art of Everyday Ecstasy* shows us how to bring ecstatic energy into the body, mind, heart, and spirit—"to embrace every moment in our totality, to respond bodily, feel from the heart, perceive with clarity, and be fully present to others and to life."

Fusing ancient Western spirituality, energy work, and psychology, *The Great Work* is a practical guide to personal transformation season by season. Learn to be truly holistic by incorporating key physical, emotional, and energetic practices into your life at times when the natural tides are in harmony with your process. *The Great Work* captures the core essence of each festival with eight key themes that span the annual cycle—a cycle that reflects human development and experience. Praise: "Tiffany Lazic weaves together psychology, myth, meditation and keen observation of the natural world, creating an invaluable and original resource for healing work of all kinds. Inviting and accessible to all readers."—Elizabeth Cunningham, author of *The Maeve Chronicles* "The Great Work presents inspiring insights and practical exercises that help unlock the alchemical mysteries at the heart of the Eightfold Path, and which facilitate a deep connection with the cycles of nature as they reveal their transformational powers in all of us."—Jhenah Telyndru, author of *Avalon Within* Greenia, a massage therapist, explores subtle energy healing and balancing in the new millennium. By blending discoveries from quantum physics with concepts of the powerful energies of the heart center, this book emphasizes the importance of energy therapies. Fully returnable.

Provides solid principles and proven measures to promote optimal health and well-being using a holistic approach.

Positing that modern society is an adolescent culture, driven by greed and power and lying on the cusp of an era of spiritual growth and shifting values, this book explores mythic themes in various historical eras to explain the past, present, and future of the human experience. It suggests that the world is facing a rite of passage into adulthood and that a time of cooperation, stabilization, and sharing is approaching. With an original theory of history based on developmental psychology, including an analysis of masculine and feminine archetypes, this thoughtful guide weaves the narratives of human history and individuals' experiences into a path of enlightenment and a way to catalyze social change.

This book is alive. It senses your presence. It is meant to be like an apprenticeship with a wise teacher...the teacher being you. There is power on every page should you choose to open to receive it. In fact, this book is reading you just as you are reading it. It's in partnership with Life, and the three of you, whether you realize it or not, are colluding to give you exactly what you need. It will arrive, whether or not you follow through on the exercises. Your intent is enough to bring it to you. Will you be aware when it arrives or will the moment pass unrecognized?" A treasure trove of poetic activations and sound wisdom based on *The Unknown Mother: A Magical Walk with the Goddess of Sound*, **YOUR TRUE VOICE** is a stand-alone or companion text offering detailed practices that encourage your enchanted journey through the 10 Gates of Sound...The Vocal Channel, Breath, Letters, Words, Storytelling, Listening, Vibration, Vocal Toning, True Voice, and Rainbow Light, and beyond. Included are quotes from the original text, explanations, anecdotes, journal prompts, and the all new Transformational Voicework processes...powerful tools to help you recover your authenticity, creativity, and truth for a fully-expressed Self!

The first modern, comprehensive resource on spiritual awakenings, this pragmatic, clear guide covers everything from the first step on a spiritual journey to enlightenment, and the different types of spiritual awakenings, from mild to dramatic, we may go

through. Using the concept of the twelve layers that cover an awakened state Mary Mueller Shutan addresses every step of the spiritual journey, starting with the Self and showing how family, ancestral, past lives, karmic, archetypal, and other larger layers such as societal, cultural, global, and cosmic energies condition us to sleep and obscure our realization of an awakened state. Instructions for how to navigate through each of these layers and how to recognize where we are in our spiritual journey are included each step of the way along with common physical, emotional, and spiritual symptoms that may be experienced. By addressing post-awakening states, oneness, dark nights of the soul, ego death, near-death and severe illness, psychic abilities, addictions, dietary changes, the God self, personal and collective shadow, and psychosis vs. awakening we understand the experiences we may go through while struggling with spiritual awakenings. This practical book opens new understandings of how to live in the world while going through an awakening process, and offers the revolutionary idea that we are meant to be humans, to have a physical body with physical, sensate experiences and emotions. We are meant to live in the world and be a part of it even as fully awakened individuals. This guide proposes a look at the possibility of leading a grounded, earth-bound life of work, family, friends, and other experiences in an awakened state.

You may have seen the movies and read the books about manifestation, but your power to create your dreams still seems to be missing the mark. Don't throw in the towel yet—there's a radically new approach that may reveal the missing piece of the puzzle. With *Creating on Purpose*, innovative teachers Anodea Judith and Lion Goodman present a comprehensive, systematic method for realizing your highest aspirations. Shared with thousands in their popular nationwide workshops, this unique, step-by-step approach guides us through a rich study of the inner self, the outer world, and how to connect the two to make your dreams come true. Manifestation is the process of bringing the spiritual and material together to create a better life for yourself, your family, and your community, explain Anodea and Lion. At the heart of this work are the energy centers known as the chakras, which offer us a profound formula for wholeness, a template for transformation, and a sacred map for manifestation. Learn how to make use of the top-down flow of energy between chakras—an ancient key to effective change, and a way of aligning our desires with our highest good, as you explore: Chakra Seven: Consciousness Creates—Receive guidance and grace, clarify ideas into intention, and clear limiting beliefs Chakra Six: Vision Vitalizes—Imagine possibilities, discover your purpose, and visualize your path to fulfillment Chakra Five: Conversation Catalyzes—Tell your story, refine your mission, and set goals to chart your course Chakra Four: Love Enlivens—Find the right relationships, establish your network, and co-create with beauty and love Chakra Three: Power Produces—Become proactive, strengthen your will, and handle distractions and obstacles Chakra Two: Pleasure Pleases—Ride the river of passion, balance masculine and feminine energies, and attract what you want and need Chakra One: Matter Matters—Honor your commitments,

Il sistema dei chakra è nato in India più di quattromila anni fa. Si parla dei chakra negli antichi testi dei Veda, nelle più tarde Upanishad, negli Yoga Sutra di Patanjali e più diffusamente nel XVI secolo da parte di uno yogi indiano in un testo divenuto poi celebre. Oggi i chakra sono un concetto diffuso. In Occidente, generalmente indicano delle entità in grado di unire il corpo e la mente, l'elemento fisico e quello psichico. I chakra, tuttavia, che alla lettera vogliono dire ruota o disco, e si riferiscono a una sfera rotante di pura energia spirituale, non sono per niente entità o oggetti fisici. Come vediamo il vento attraverso il movimento delle foglie e dei rami, così possiamo percepire la presenza dei chakra nella forma del nostro corpo fisico, negli schemi che si manifestano nella nostra vita, nei modi in cui pensiamo, sentiamo e affrontiamo le situazioni che l'esistenza presenta, ma mai direttamente. Con un linguaggio pacato e piacevole, Anodea Judith mostra in questo libro l'insieme delle azioni che i chakra esercitano sul corpo, sul pensiero e sul comportamento umani. L'opera merita a buon diritto il titolo Il libro dei chakra poiché, con l'aiuto delle moderne teorie psicoanalitiche e delle terapie corporee, è la più esaustiva e completa guida occidentale all'uso del sistema dei chakra come percorso di analisi e guarigione. Nella sua introduzione, Anodea Judith non esita a definire il contenuto di queste pagine come "un viaggio attraverso le molte dimensioni del sé", un viaggio che, attraverso il Ponte dell'Arcobaleno, com'è definito il sistema dei chakra, conduce il lettore "verso una trasformazione della coscienza collegando spirito e materia, cielo e terra, mente e corpo". «Un libro che illumina l'antico sistema dei chakra attraverso la psicologia occidentale.» The New York Times «Un libro unico e raro che sa mirabilmente unire psicologia, spiritualità e terapia corporea.» Publishers Weekly

More than 60 pagan leaders and teachers describe in their own words what they believe and what they practice. • Addresses how Pagans view parenting, organized religion, and politics. • Introduces the wide range of possibilities within the neo-Pagan movement. • By Ellen Evert Hopman, author of A Druid's Herbal for the Sacred Earth Year; Walking the World in Wonder: A Children's Herbal; and Tree Medicine, Tree Magic. Who are the pagans and what do they stand for? Why would some of the members of the best educated, most materially comfortable generation of Americans look back to mystical traditions many millennia old? During the last few decades, millions of people have embraced ancient philosophies that honor Earth and the spiritual power of each individual. Ways of worship from sources as diverse as the pre-Christian Celts, ancient Egypt, and Native American traditions are currently helping their followers find meaning in life while living in the Information Age. In this book Pagan leaders and teachers describe in their own words what they believe and what they practice. From Margot Adler, an NPR reporter and author of Drawing Down the Moon, to Isaac Bonewits, ArchDruid and founder of a modern neo-Druidic organization, those interviewed in this book express the rich diversity of modern Paganism. Hopman's insightful questions draw on her own experiences as a Pagan and Druid as well as on her extensive research. With coauthor Lawrence Bond, she examines how Pagans

address such issues as parenting, organized religion, and politics. The resulting dialogues illuminate the modern Pagan revival.

Deepen your connection to the natural world with this inspiring meditation, "a path to the place where science and spirit meet" (Robin Wall Kimmerer). In *Rooted*, cutting-edge science supports a truth that poets, artists, mystics, and earth-based cultures across the world have proclaimed over millennia: life on this planet is radically interconnected. Our bodies, thoughts, minds, and spirits are affected by the whole of nature, and they affect this whole in return. In this time of crisis, how can we best live upon our imperiled, beloved earth? Award-winning writer Lyanda Lynn Haupt's highly personal new book is a brilliant invitation to live with the earth in both simple and profound ways—from walking barefoot in the woods and reimagining our relationship with animals and trees, to examining the very language we use to describe and think about nature. She invokes rootedness as a way of being in concert with the wilderness—and wildness—that sustains humans and all of life. In the tradition of Rachel Carson, Elizabeth Kolbert, and Mary Oliver, Haupt writes with urgency and grace, reminding us that at the crossroads of science, nature, and spirit we find true hope. Each chapter provides tools for bringing our unique gifts to the fore and transforming our sense of belonging within the magic and wonder of the natural world.

An accessible, authoritative guide on balancing your energetic body to heal both body and mind. *Chakras Made Easy* is the ideal book for readers who are new to, or curious about, energy healing systems. Written by Anodea Judith, world-renowned energy healing expert, it offers a complete range of practical tools on using chakras to balance, heal and take charge of your wellbeing. In this book, the reader will learn: * the meaning, function, and purpose of each chakra * the childhood experiences that affect and programme each chakra * the role each chakra plays in our lives, including in our health, relationships, and decision-making * physical, emotional, and mental signs of chakra imbalances * simple yet powerful exercises to balance each chakra * using the chakras as a tool for liberation, manifestation, reception, and expression This book was previously published within the Hay House Basics series.

Marco Pasanella's behind-the-scenes memoir through the world of wine will captivate wine lovers with its story of one man who decided, at age 43, to change his life by opening a wine shop. As *Kitchen Confidential* and *Waiter Rant* explored the front and back of the house at restaurants, *Uncorked* offers a peek behind the curtain of the wine world. Pasanella takes the reader into the underbelly of his store and the industry, which is steeped in history yet fanatical about technology and brimming with larger-than-life personalities. Infused with rich details of his historic waterfront building in New York City and his sojourns to Tuscany, Pasanella's memoir is one of transformation through a project many fantasize about but few commit to. A colorful cast of characters rounds out this fascinating journey through the world of wine.
