

Timid Virgins Make Dull Company And Other Puzzles Pitfalls And Paradoxes

Although Amharic is the national language of Ethiopia and English its international language, until publication of this book in hardcover there was no concise Amharic-English, English-Amharic dictionary. Students of Amharic as well as visitors to Ethiopia and foreign workers will benefit from this concise dictionary with phonetic transcriptions that allow for its use by those unfamiliar with Amharic script.

An introduction to small boat navigation.

Every 3rd issue is a quarterly cumulation.

A serious philosophical statement, Heresy Magazine traces reality from before Creation, through Genesis and into the near future, and at the same time tells the coming-of-age story of Jackie Eighthstreet. The epic story is sprinkled with sections totalling almost 400 quotations, as well as poetry, song lyrics and pseudoscientific articles about questionable beginnings, predictions of the end, and family dynamics. There are also scientific, philosophical commentaries by a green cartoon monkey named Mickey.

Chess players at all levels will appreciate this accessible, enjoyable guide. Includes elementary tips for immediate practical use, attack and endgame studies, problems, and 60 complete games by Blackburne, Tartakower, Polgar, other immortals.

She rolls over and reaches for her instinctively: her baby. Her hand hits air and flaps redundantly. She stumbles out of bed and switches on the light. But this only confirms it. The baby is gone. Someone has taken her. Sixteen years ago, Lizzie Armitage woke to find her newborn baby gone. Just days later, Lizzie was dead. Her sister Paula swore she would do everything she could to find the child. If she hadn't promised to keep Lizzie's pregnancy secret, maybe the baby wouldn't have disappeared. And maybe Lizzie would still be alive. But, in nearly a decade, Paula's never found any trace. Until now... When Paula bumps into an old friend from the past, she realises she wasn't the only one who knew about her sister's child. Someone knows what happened that day. Someone knows where Lizzie's baby went. But can Paula find out the truth before another family is ripped apart? A twisty, unputdownable psychological thriller that will you hooked until the last page. Fans of Behind Closed Doors, Friend Request and The Girl on the Train will love Her Sister's Child. Why readers love Alison James: 'Wow what a read!... I was up all night reading this... An absolutely gripping psychological thriller that will keep you guessing until the last page... 'Absolutely one of the best books I have ever read... Exceptional' NetGalley Reviewer, ????? 'An absolutely amazing read... Totally captivating... This is a truly gripping, intense, exceptionally good novel... Full of suspense, intrigue and twists and turns. An unputdownable read in every single way... One of my favourite reads this year.' Goodreads Reviewer, ????? 'Make sure you have a ton of time on your hands when you finally sit down to read because this book will BLOW YOUR MIND!' Goodreads Reviewer, ????? 'Wow... grabs you from the first page and makes you ignore everything else... fantastic.' NetGalley Reviewer, ????? NEW BOOK SPECIFIC QUOTES TO ADD IN: 'Right, where do I start? This book was truly brilliant, I was totally hooked. A highly suspenseful family drama which has twists you just don't see coming. Such a fast-paced book, my heart was pounding reading the last two chapters!' Goodreads Reviewer, 5 stars 'I was captivated from the outset and devoured this in only two days.' NetGalley Reviewer 'Absolutely loved this thrilling psychological thriller! Couldn't wait to see what would happen next but didn't want it to end! Was totally enthralled from start to finish! Would totally recommend this book!' Goodreads Reviewer, 5 stars 'Psychological thriller at its peak. Ok I wasn't expecting it to end in that way... Alison just punched me to my face with that twist of hers for which her books are known for.' NetGalley Reviewer, 5 stars The Heroes of this book are the veterans and their families whose stories span 140+ years in protecting our country. Their stories are history, filled with the mundane events of service life, the fear of combat, the horror that front line infantrymen faced, the tension that air crews and pilots faced, the vastness of the Pacific that confronted sailors, the strain on the mind and bodies of Prisoners of War, and humor viewed through the eyes of the veterans. As you read their stories listen to the voices of these veterans and picture in your mind an aging color guard from a local veteran's post; visualize them marching into the mist, to the sound of distant drums and the muted bugle's call, along with the men and women who have gone before. There are no large marble memorials to these individual veterans; their monument is a free United States. I am left with one thought about the experience of speaking with these people; God bless the United States of America and all who serve her.

A treasury of thirty-seven years of flying and teaching experience in the world's most popular executive aircraft. Tom Clements' articles, stories, and operating tips all compiled into one reference book. This information will be invaluable for current or future pilots of King Air airplanes.

Lists memory aids for information in science, medicine, geography, aviation, religion, art, literature, language, history, the military, and business

A basic text for young and adult/adolescent literature courses. An exciting new young adult literature text...one that offers a holistic, inclusive approach to incorporating the popular books young adults like to read into a solid English language arts curriculum. A student-centered, whole language emphasis advocates a curriculum that encourages student response to literature and helps develop crucial critical thinking skills. The author suggests numerous approaches to using young adult literature, explores and demonstrates a variety of teaching methods, and discusses an array of literature appropriate for a wide range of students in a number of subject areas, including literature written specifically for children and young adults, popular adult literature, and the classics.

Explains how to prepare a boat for a long voyage, discusses practical aspects of the yacht delivery business, and covers navigation, weather, safety, and morale

Late Nineteenth Century, America's Gilded Age, a scandalous sequel to VIRGIN ENCOUNTER. Though this second story is a standalone title, reading the books in order adds to the romantic experience.

Stripped down, her body as naked as her need for carnality, a wealthy virgin lays herself open to a complete stranger. Without expectations, the woman - a nice lady by society's strict standards - recklessly offers herself anonymously to this man in the dark, no regard for her respectability, dignity, or possible ruination. And so continues the turbulent story of the oh-so prim and proper Miss Malone and the conman extraordinaire Malcolm Ignatius, each signpost on their journey chronicled, the roadmap to her loss of virtue... and his salvation...celebrated every step of the way. Proving a sensible woman of thirty-two years, on the very brink of spinsterhood, can still say to hell with it all and come of age...even blossom...in the arms of the right cad.

Gathers riddles, anagrams, scientific limericks, cryptograms, chess problems, acrostics, and puzzles
