Essential skills made easy! Written by Herb Schildt, the world's leading programming author, this step-by-step book is ideal for first-time programmers or those new to C++. The modular approach of this series, including sample projects and progress checks, makes it easy to learn to use C++ at your own pace.

We don't belong together. I should have never seen him again after our first night together. But I crave him. I'm addicted to him. He is my dark pleasure. Mr. Black is Aiden. Aiden is Mr. Black. Two sides of the same person. Aiden is kind and sweet. Mr. Black is demanding and rule-oriented. When he invites me back to his yacht, I can't say no. Another auction. Another bid. I'm supposed to be his. But then everything goes wrong.... Praise for Charlotte Byrd "This series thrilled me from the first page and had me completely engrossed. The pacing and plot was excellent. It had the perfect amount of twists and turns, luring me into the fantasy of this amazing book. The story was well-crafted, starting off with characters I fell in love with. I instantaneously bonded with the heroine and of course Mr. Black. YUM. It's sexy, it's sassy, it's steamy. It's everything. I loved every second of it and was so thrilled to have had such a treat." - Khardine Gray, bestselling romance author "Her words make me ache and yearn for more." - *Dancer in the Dark* "The story is dark and enticing, taking me deeper into a world from which I never want to emerge." - *Lover of Alpha* "Addictive and damaged, their love burns slowly but deeply." - *Heroes and Alphas* "Their chemistry sizzles right from the beginning. He's the gorgeous and dangerous stranger we all need in our life." - *Making Words Up* "Her words made me fall in love. It slayed me!" - *Sizzling Books* "Left my head spinning! I never wanted it to end!" - *Heartbreakers and Heroes*

The Fundamentals of Architecture, 2nd Edition is an introduction to the basic ideas that inform architecture. It is intended to unravel the complexity of architecture to explain its process and make it more accessible. It guides students through the rich history of the discipline, and introduces aspects of contemporary theory and practice. The book explores the process of architecture starting from the initial ideas and concepts, and how these ideas are informed by understanding site and context. It examines the impact of the physical environment and the historical ideas that have informed and influenced the architectural solution. The second edition has been redesigned and updated with new material, including six case studies, exercise sections and contemporary visuals from students and leading architects.
