Shortlisted for the CWA Dagger for non-fiction 'A magnificent, meticulous and startling re-examination of a crime that haunts the world's imagination' Geoffrey Wansell, author of *An Evil Love: The Life of Frederick West* 'Eatwell writes brilliantly . . . [she] has finally offered [Elizabeth] Short a type of belated justice. Her book reads like a thriller' Sunday Times 'A compelling read, in both style and substance . . . A must-read for anyone with an interest in the Black Dahlia - or indeed any fan of the true-crime genre' Rod Reynolds, author of *The Dark Inside* 'Compulsively readable, impeccably researched and heart-rending at times . . . Superb' Sarah Lotz, author of *The Three and The White Road* ***** On 15th January 1947, the naked, dismembered body of a black-haired beauty, Elizabeth Short, was discovered lying next to a pavement in a Hollywood suburb. She was quickly nicknamed The Black Dahlia. The homicide inquiry that followed consumed Los Angeles for years and the authorities blew millions of dollars of resources on an investigation that threw up dozens of suspects. But it never was solved. Until now. In this ground-breaking book, Piu Eatwell reveals compelling forensic and eye witness evidence for the first time, which finally points to the identity of the murderer. The case was immortalised

in James Ellroy's famous novel based on the case, in Kenneth Anger's Hollywood Babylon and Brian de Palma's movie The Black Dahlia. This is a dark tale of sex, manipulation, obsession, psychopathy and one of the biggest police cover ups in history.

Obsession, Unrequited Love, Jealousy, Revenge, and Violence Collide in this Page-Turning Anthology Crimes of passion are both eerie and strangely tantalizing. How can someone you hold dear become someone you fear? This riveting anthology explores the question through some of the most compelling true crime accounts and stories of obsession and vengeance. Crimes fueled by emotions. Love, passion, obsession, jealousy, and betrayal. When it comes to the emotions, people can react in strange and unexpected ways. Whether it's a heart hurt by unrequited love, or a lover so passionate they'll stop at nothing to get their way—even the most mild-mannered soul can suddenly flip, becoming a vengeful spirit with dark intentions. From the ancient Greek myth of Jason and Medea to Shakespeare's Othello, themes dealing with deeply felt emotions have persisted. But unlike mythology or fiction, The Best New True Crime Stories: Crimes of Passion, Obsession & Revenge contains stories from real life. A special selection of stories written exclusively for this book. The Best New True Crime Stories: Crimes of Passion, Obsession & Revenge includes stories from around the world and from different times. As with all titles in the popular The Best New True Crime Stories series, this volume contains original nonfiction accounts penned by writers from across the literary spectrum. Dive into these

twisted true tales of passion and unrequited love turned violent. Examine why some have fully embraced their dark side, resorting to crime to achieve their own special brand of satisfaction and retribution. If you enjoyed Mitzi's last book in her series, *The Best New True Crime Stories: Well-Mannered Crooks, Rogues & Criminals*, and books like *You Love Me*, and *The Big Book of Serial Killers Volume 2*, then you'll love *The Best New True Crime Stories: Crimes of Passion, Obsession & Revenge*.

Real-life is stranger and more frightening than fiction, and this book serves to cement that principal even further. In this compilation, there are eleven cases of some of the most deplorable, unjust and violent crimes I've come across. From cannibals to rapists to the sickest, most twisted criminals you've not yet heard of, you'll read about them all in this book. I'll tell you the story of Rurik Jutting, a British banker living in Hong Kong who held two women hostage, tortured them and raped them over a number of days. You'll learn about Issei Sagawa, a Japanese cannibal who killed and ate a woman - but walks free on the streets today. Then there's the vile three-week torture of an Australian woman who, when she was eventually rescued, paramedics initially thought she was dead. You can also read about the 'Hello Kitty' murder, which is as bizarre as it sounds - and as equally haunting. But please be warned, the cases in this book are highly disturbing and include graphic and distressing descriptions. Please take this trigger warning seriously as this book depicts horrific crimes that involve sexual abuse, domestic abuse, child

10 Sickening True Crime Stories Of Serial Killers That Tortured, Hacked And Butchered Their Victims The act of killing itself, is taboo in society. People kill for many reasons though, some of them understandable, but others are totally unfathomable. However, more gruesome than killing by usual means like stabbing, shooting or poisoning, is the act of butchery after the murder. The motives for murder and serial killing, according to psychologists, ranges from thrill seeking and anger to attention seeking and financial gain. Although it might seem sickening, these killers and psychopaths exist in the past and the present time, and some of them still have their freedom and are lurking in different corners of the world. Mutilating, dismembering, slaughtering and, even worse, eating a fellow human is beyond reason; an act that is horrific and probably not the work of a sane individual. This book lists the most disgusting and disconcerting crimes in history: various stories of strange serial killers who chopped up, violated, cooked, and ate their victims. From real-life vampires and werewolves who drank blood and ate raw human

flesh, to butcher killers who mutilate, sexually abuse, chop and eat their victims for reasons of Satanism, sexual gratification and revenge upon society. This book is jam-packed with mystery, gore and unbelievable true stories of serial killers...

A quick word of warning. The true crime short stories within this book are unimaginably gruesome. Most news stories, television crime shows and true crime documentaries tend to leave out the most horrible details about murder cases simply because they are too extreme for the general public.

**** SOON TO BE A MAJOR NEW DOCUMENTARY SERIES FROM HBO AND SKY ** WINNER OF THE GOOD READS BEST NONFICTION BOOK OF THE YEAR AWARD 2018 THE NEW YORK TIMES #1 BESTSELLER SHORTLISTED FOR THE GORDON BURN PRIZE 2018** The masterful true crime account of the Golden State Killer - the serial rapist turned murderer who terrorised California for over a decade - from the late Michelle McNamara. *I'll Be Gone in the Dark* offers a unique snapshot of suburban West Coast America in the 1980s, and a chilling account of the wreckage left behind by a criminal mastermind. It is also a portrait of one woman's obsession and her unflinching pursuit of the truth, three decades later, in spite of the personal cost. Updated with material which takes in the extraordinary events that followed its initial publication, Michelle McNamara's first and last book is a contemporary classic - humane, haunting and heroic.

in Canada. A communist, strategist, and bibliophile, he led Métis and First Nations to rebel against government and church oppression. Brady's success made politicians and clergy fear him; he had enemies everywhere. In 1967, while prospecting in Saskatchewan with Cree Band Councillor and fellow activist, Absolom Halkett, both men vanished from their remote lakeside camp. For 50 years rumours swirled of secret mining interests, political intrigue, and murder. Cold Case North is the story of how a small team, with the help of the Indigenous community, exposed police failure in the original investigation, discovered new clues and testimony, and gathered the pieces of the North's most enduring missing persons puzzle. "Like too many cases involving missing and murdered Indigenous people, authorities failed to ensure that Brady and Halkett's deaths were properly investigated. This book helps get to the bottom of the fate of these two men, and demonstrates why investigators should never dismiss the knowledge of Indigenous peoples." --Darren Prefontaine, author of Gabriel Dumont

Spanning murder cases from the beginning of the twentieth century to today, this is a must-read for fans of true crime and will also be compelling to mystery and thriller readers. The contributors include Harold Schechter, Katherine Ramsland, Carol Anne Davis, Burl Barer, and other leading writers in this genre. In February 1975, nine-year-old Marcia Trimble left her house in Nashville to deliver Girl Scout cookies in the neighborhood. She never returned. After a massive but fruitless search, her body was discovered on Easter Sunday. Outrage and horror gripped the community of Nashville, but the murder investigation was frustrated at

every turn. The case went cold for three decades until it was finally solved. In January 1997, Herbert Blitzstein was found murdered in the living room of his Las Vegas townhouse. A notorious mob insider, "Fat Herbie" had pursued loan sharking and other rackets for decades. Now, Blitzstein had been dispatched gangland style—by three bullets to the back of the head—in what appeared to be a classic contract killing. But the details of who killed him and why turned out to be much more complicated, and the real motives and circumstances remain murky to this day. These are just two examples of the riveting stories assembled in this unparalleled collection of some of the top true-crime writers in the world. Each of the seventeen contributors draws on his or her own strengths, backgrounds, interests, and research skills to describe in a vivid narrative not only the facts of each notorious case but also the terrible emotions and macabre circumstances surrounding the crimes. It is no secret that true crime murder stories are not for the faint of heart. They can lead you to double-check your windows and doors at night, and question everything you thought or believed about human nature. Yet they are intriguing and fascinating at the same time. What is it that makes us different from those who take the lives of others? That is a question that many ask themselves, and these true crime stories help to identify the method and psychology behind some of the most terrifying killers in modern history. This set includes three true crime books, volumes 1-3, and each is filled with a variety of true crime murder cases, including spree killers and massacres, some of which are yet to be solved. You

are taken through the background of the story, the murders, and the criminal investigations that took place. Some pages will be difficult to read, due to the emotion behind them. Yet you will be unable to stop reading, turning page after page. Each true crime anthology in this collection will leave you to ponder whether the perpetrators of these crimes were really monsters. When you learn of the background of these killers, the age-old question of whether a serial killer is born to kill will be at the forefront of your mind. Explore the stories behind the murders in these True Crime volumes, the anger, the horror, and the sadism, inflicted by each killer. Feel for the victims, their families, and the investigators who had to deal with each case. And don't be surprised if you have to sleep with the light on.

IRISH CRIME: TRUE CRIME STORIES: True Crime Books Series - Book 2 Ireland is a land of poetry, art and culture, with roots spanning far beyond its shores. But bubbling under the surface, its history is filled with evil secrets and violent crime. From historic tales of serial murder to present day criminal psychopaths, Ireland has more than it's fair share of true crime stories. The True Crime Stories series looks at the most notable criminal events, the people behind them, and the horror of their crimes. A must-read for anyone with an interest in Ireland or true crime books, Irish Crime by Roger Harrington is a chilling, factual exploration of Ireland's murkiest secrets.

An Edgar Award nominee documents the killing spree of Joseph Vacher on the French countryside at the end of the 19th century, tracing the contributions of prosecutor

Toward a Theory of True Crime Narratives vivifies how nonfiction murder stories are told, what role they play in society, and in the form of true crime why they remain enduringly popular internationally on every platform. This book establishes for the first time the actual line—or dotted line—between mainstream journalism and the multimedia phenomena of true crime. Presenting a stable definition of what is—and what is not—true crime will either challenge or justify Truman Capote's claims regarding the creation of a "new journalism" with *In Cold Blood*, and accordingly expose the reluctance of the promoters of NPR's *Serial*, HBO's *The Jinx*, and Netflix's *Making a Murderer* to refer to their products as such. This research codifies true crime texts of various types on multiple platforms—radio, television, print, digital, and film—to reveal the defining characteristics of the genre.

Includes Lee Shelton's murder of Billy Lyons, the kidnapping of millionaire Robert Greenlease's son, and many more.

Small Town Charm With Deadly Consequences A collection of non-fiction accounts by international writers and experts on small town true crime shows readers that the real monsters aren't hiding in the woods, they're inside our towns. Small towns aren't always what they seem. We've been told nothing bad happens in small towns. You can leave your

doors unlocked, and your windows wide open. We picture peaceful hamlets with a strong sense of community, and everyone knows each other. But what if this wholesome idyllic image doesn't always square with reality? Small towns might look and feel safe, but statistics show this isn't really true. Tiny town, big crime. Whether in Truman Capote's detailed murder of the Clutter family or Ted Bundy's small-town charm, criminals have always roamed rural America and towns worldwide. Featuring murder stories, criminal case studies, and more, *The Best New True Crime Stories: Small Towns* contains all-new accounts from writers of true crime, crime journalism, and crime fiction. And these entries are not based on a true story?they are true stories. Edited by acclaimed author and anthologist Mitzi Szereto, the stories in this volume span the globe. Discover how unsolved murders, kidnapping, shooting sprees, violent robbery, and other bad things can and do happen in small towns all over the world. If you enjoyed Mitzi's last book in the series, *The Best New True Crime Stories: Serial Killers*, and true crime books like *In Cold Blood*, *Murder in the Bayou*, and *The Innocent Man*, then you'll love *The Best New True Crime Stories: Small Towns*. In this true crime anthology you'll learn about some of the most shocking true crime cases that have happened in the last forty years. You will find yourself thrust into a world that is often depraved but

always intriguing and fascinating, leaving you wanting to read more. These twelve cases, which span the globe, are a true testament to the idea that crime comes in all shapes and sizes. There are a number of themes in this volume, including missing persons, road trips gone wrong, and family annihilations. You will read about a case in New Zealand where two young people celebrating the New Year vanished without a trace never to be seen again, yet a man was still put on trial for their murders. The tragic case of Denise Pikka Thiem--a woman who went on a world trip to find spiritual meaning but ended up murdered--is also profiled in this book. The unfortunate phenomenon of mass murder, particularly family annihilation, is covered in two uniquely bizarre cases in this book. In one case, a man claimed a voodoo demon drove him to murder his family, while in another a man dressed as Santa Claus attempted to murder an entire family during the holiday season. Along with those cases are several others that highlight the strange and dangerous world of the modern criminal. After reading all of the murder mysteries in this volume you will be left wanting to read more. So sit back, relax, and open the pages of this engaging true crime book to learn the secrets of some of the worst criminals to walk the earth over the last forty years! Scotland is one of the most picturesque countries in the world. But scratch beneath the surface, and it's

history has secrets to hide. From centuries old tales of gruesome murder and bodysnatching to present day serial killers and psychopaths, Scotland has more than it's fair share of true crime stories. The True Crime Stories series looks at the most notable criminal events, the people behind them, and the horror of their crimes. A must-read for anyone with an interest in Scottish crime books, *Scottish Crime* by Roger Harrington is a chilling, factual exploration of Scotland's murkiest secrets.

The most famous true crime novel of all time, *In Cold Blood* is the bestseller that haunted its author long after he finished writing it. "Chills the blood and exercises the intelligence ... harrowing." —The New York Review of Books On November 15, 1959, in the small town of Holcomb, Kansas, four members of the Clutter family were savagely murdered by blasts from a shotgun held a few inches from their faces. There was no apparent motive for the crime, and there were almost no clues. In one of the first non-fiction novels ever written, Truman Capote reconstructs the murder and the investigation that led to the capture, trial, and execution of the killers, generating both mesmerizing suspense and astonishing empathy. *In Cold Blood* is a work that transcends its moment, yielding poignant insights into the nature of American violence.

In *STAY SEXY & DON'T GET MURDERED*, Karen Kilgariff and Georgia Hardstark, hosts of true crime comedy podcast 'My Favorite Murder,' open up about their lives more intimately than ever in their confessionally honest and hilarious debut book, titled after their podcast sign-off. Sharing never-before-heard stories ranging from their struggles with depression, eating disorders, and addiction, Karen and Georgia irreverently recount their biggest mistakes and deepest fears, reflecting on the formative life events that shaped them into two of the most followed voices in the podcasting world.

A “necessary and brilliant” (NPR) exploration of our cultural fascination with true crime told through four “enthraling” (The New York Times Book Review) narratives of obsession. In *Savage Appetites*, Rachel Monroe links four criminal roles—Detective, Victim, Defender, and Killer—to four true stories about women driven by obsession. From a frustrated and brilliant heiress crafting crime-scene dollhouses to a young woman who became part of a Manson victim’s family, from a landscape architect in love with a convicted murderer to a Columbine fangirl who planned her own mass shooting, these women are alternately mesmerizing, horrifying, and sympathetic. A revealing study of women’s complicated relationship with true crime and the fear and desire it can inspire, together these stories

provide a window into why many women are drawn to crime narratives—even as they also recoil from them. Monroe uses these four cases to trace the history of American crime through the growth of forensic science, the evolving role of victims, the Satanic Panic, the rise of online detectives, and the long shadow of the Columbine shooting. Combining personal narrative, reportage, and a sociological examination of violence and media in the 20th and 21st centuries, *Savage Appetites* is a “corrective to the genre it interrogates” (*The New Statesman*), scrupulously exploring empathy, justice, and the persistent appeal of crime.

The world can be a very strange place in general and when you open the pages of this true crime anthology you will quickly learn that the criminal world specifically can be as bizarre as it is dangerous. In the following book, you will be captivated by mysterious missing person cases that defy all logic and a couple cases of murderous mistaken identity. Follow along as detectives conduct criminal investigations in order to solve cases that were once believed to be unsolvable. Every one of the crime cases chronicled in the pages of this book are as strange and disturbing as the next. The twelve true crime stories in this book will keep you riveted as you turn the pages, but they will probably also leave you with more questions than answers. For instance, you will be left pondering how

two brothers from the same family could disappear with no trace in similar circumstances over ten years apart. You will also wonder how two women with the same first and last names, but with no personal connections, could be murdered within the same week in the same city. The examination of a number of true crime murder cases that went cold, but were later solved through scientific advances, will also keep you intrigued and reading. Open the pages of this book, if you dare, to read some of the most bizarre cases of disappearances, mistaken identity, and true murder. Some of the cases will disturb and anger you, but make no mistake, you will want to keep reading!

Provides an overview of the real-life crimes--the evidence, victims, suspects, trials, testimony, and aftermath--that took hold in the American imagination, including the O. J. Simpson murder trial, the Laci and Scott Peterson case, and the killing of child beauty queen JonBenet Ramsey.

Stories of True Crime in Tudor and Stuart England is an original collection of thirty stories of true crime during the period 1580-1700. Published in short books known as chapbooks, these stories proliferated in early modern popular literature. The chapbooks included in this collection describe serious, horrifying and often deeply personal stories of murder and attempted murder, infanticide, suicide, rape, arson, highway robbery, petty treason and witchcraft. These criminal cases reveal the fascinating complexities of early modern English society.

The vivid depictions of these stories were used by the English church and state to describe the proper boundaries of behaviour, and the dangers that could result from the sins of avarice, apathy, vice or violence. Readers will learn about the public interest and involvement in crime and punishment and the way the criminal justice system was used to correct and deter criminal activity and restore social boundaries such as rank, gender, family, religion, and physical boundaries of person and property. Perfect for the student reader, this collection provides guided access to these exciting sources. Each transcription is modernized and annotated and is preceded by a brief discussion of key historical context and themes. Including an introductory essay on the topic of the English criminal justice system in the early modern period, as well as a glossary of key terms in English criminal law, this is an ideal introduction for students of crime and criminal justice in England.

12 True Crime Stories of Murder & Mayhem
Seventh Book of the True Crime Case Histories Series (2021)
If you're familiar with the previous books in the True Crime Case Histories series, you already know that I start each book with a brief warning. Real true crime is not for everyone. The stories in this book represent humanity at its absolute worst. Pure evil. Television crime shows and news articles often skip the gruesome parts of true crime stories. The real details are just too grisly for the average viewer or reader. In my books, however, I do my best to include the details, regardless of how unsettling they may be. Each story requires hours of research. I search through old newspaper articles, court documents, police

reports, autopsy results, and first-hand descriptions.

Some of the specifics can be disconcerting. I choose to include the details not to shock, but to give the reader a deeper view into the mind of the killer. Although it's

unlikely any of us will understand the motives of a diabolical monster, the level of depravity will keep you turning pages. That being said, if you are overly squeamish about the details of true crime, this book may not be for you. If you're okay with it... then let's begin.

Volume 7 features: Longer stories, more photos, a bonus chapter, and an online appendix with additional photos, videos, and documents. Volume 7 of True Crime Case Histories features twelve new stories from the past fifty years. A sampling of the stories include: You'll read about a law enforcement officer that took advantage of the trust associated with his uniform. His brutal reign of terror lasted eight years. It took the bravery of two young women that escaped his grasp to bring him down.

There's the story of the recent law school graduate with a crush on his neighbor. Rather than asking her out on a date, he stalked and spied on his classmate, eventually taking her life. There's also the heartbreaking story of a single mom, drowning in debt, that did the unthinkable for insurance money. Seven of the stories in this book feature women killers, two of which took the time to meticulously dismember their victims-a task that can take great strength. Another woman manipulated her two teenage boys into killing for her. Yet another woman staged an elaborate hoax to get rid of her loving husband rather than go through the agony of a messy divorce.

You'll also read of a sadistic group of up to twelve killers

that took joy in abducting and torturing young men in Australia. Sadly, only one of the mysterious group has been brought to justice. Plus many more disturbing stories. The twelve stories in this volume are shocking and disturbing, but they're true. These things really happen in the world. We may never understand why killers do what they do, but at least we can be better informed. Night falls and the rivers of blood flow forth once more. For what are murderers if not creatures of the dark? Hiding in plain sight as the average neighbor, co-worker or even employer, just waiting for the moment to unleash their murderous urges. Whether they are sadistic in their methods or not does not change the common trait that they all share: the presence of evil. These crimes shock us to the core, leading us to wonder just what is going on in their minds that leads them to take lives without any feeling of remorse...yet deep down we're actually intrigued by their crimes. Fascinated, even. In truth, these killers bring forth a dark curiosity that keeps us reading chapter after chapter, book after book, and once we're done we begin to reflect on how interesting the psychology behind these characters can be. It is precisely because of this wondrous fascination that we have compiled a fresh set of three True Crime Stories books, following the success of our first collection, this time with the bestselling volumes 4-6. 36 tales of bloodshed and terror, police investigation and the background of each and every killer await you, with each subject varying from serial killer to mass murderer, ruthless monster to seemingly harmless member of the community. No two killers are the same and no two murders are committed for the same reason - this much you are about to find out. Reader, you are about to

chroniclers of crime working today. Michelle Dean's "Dee Dee Wanted Her Daughter To Be Sick" went viral when it first published and is the basis for the TV show *The Act* and Pamela Colloff's "The Reckoning," is the gold standard for forensic journalism. There are 13 pieces in all and as a collection, they showcase writing about true crime across the broadest possible spectrum, while also reflecting what makes crime stories so transfixing and irresistible to the modern reader.

Travel around the world and inside the minds of monsters in this true crime anthology featuring sixteen astonishing serial killer exposés. Serial killers: Ted Bundy, John Wayne Gacy, and Jeffrey Dahmer are often the first names that spring to mind. Many people assume serial killers are primarily an American phenomenon that came about in the latter part of the twentieth century—but such assumptions are far from the truth. Serial killers have been around for a long time and can be found in every corner of the globe—and they're not just limited to the male gender, either. Some of these predators have been caught and brought to justice whereas others have never been found, let alone identified. Serial killers can be anywhere. And scarier still, they can be anyone. Edited by acclaimed author and anthologist Mitzi Szereto, *The Best New True Crime Stories: Serial Killers* reveals all-new accounts of true-crime serial killers from the contemporary to the historic. The international list of contributors includes award-winning crime writers, true-crime podcasters, journalists, and experts in the dark crimes field such as Martin Edwards, Lee Mellor, Danuta Kot, Craig Pittman, Richard O. Jones, Marcie Rendon, Mike Browne, and Vicki Hendricks. This book will leave you wondering if it's ever really possible to know who's behind the mask you're allowed to see. Perfect for readers of true crime books such as *I'll Be Gone in the Dark*, *Mindhunter*, *The Devil in the White City*, or *Sons*

The Disturbing Inside Story of Women Who Are Driven to Kill. From Elizabeth Bathory, 'The Bloody Countess' whose vampire-like tendencies terrorized sixteenth-century Hungary, to the Moors Murderer Myra Hindley and the Florida Highway Killer Aileen Wuornos, these women transfix us with their extreme ability to commit savage acts of cruelty and depravity. In some cases their methods of disposing of the corpses fall nothing short of ingenious: meet Leonarda

Cianciulli, 'The Soap-Maker of Correggio', who used the fat from her victims' bodies to make soap and teacakes to sell to unsuspecting customers. These killers' backgrounds, methods and their crimes are described in forensic and gripping detail. Killer Women collects the most disturbing yet compelling of all criminals, representing the very darkest side of humanity and subverting the conventional view of women as the weaker sex. 50 terrifying cases of killer women are brought to life, including: Elizabeth Bathory 'The Bloody Countess' Amelia Dyer, The Reading Baby Farmer Jane Toppan, 'Jolly Jane' Juana Barraza, The Old Lady Killer Leonarda Cianciulli, 'The Soap-Maker of Correggio' Bonnie Parker, 'Bonnie & Clyde' Rosemary West Myra Hindley Aileen Wuornos

A deadly secret. A horrifying discovery. For over 20 years, Joanne Lee's mother kept the remains of not one, but three newborn babies hidden in a bin in her wardrobe. She had buried a fourth baby in newspaper and rags in St Helens Cemetery. For the first time since exposing her mother's crimes, Joanne breaks her silence over her family's horrific ordeal and her fight for justice for the siblings she never knew. Growing up in chaotic circumstances on Merseyside, Joanne suffered at the hands of a violent boyfriend and controlling relatives, as her mother lapsed into a downward spiral of drinking and casual sex following the break-up of her marriage. But the consequences of her mother's messy lifestyle turned out to be far worse than Joanne could ever have imagined. She already knew of the baby buried in a shallow makeshift grave next to the family plot. But when Joanne came across a red plastic bin in her mother's wardrobe in 2009, she realised that the family home held an even more sinister secret. In *Silent Sisters*, the daughter who was falsely accused of murdering her own baby sister will tell her full story for the first time, detailing her struggle to
