of an average internet user declined to only 8 seconds. 1.3 billion websites try to impress these people. In such an environment, you cannot achieve success by targeting wide audiences and using general marketing messages. To gain their attention, you have to divide your target audience and communicate each segment with the most relevant marketing message.

2. SEARCH ENGINE OPTIMIZATION (SEO) As the competition gets fierce, you have to work more than ever in 2019. This chapter provides detailed information regarding all 5 stages of SEO: Research, Strategy & Keyword Selection, On-site SEO, Infrastructure and Usability, Link Development, and Performance on Search Engine Results Page (SERP).

3. DIGITAL ADSThis chapter focuses on the strategies that will provide the highest conversion in Google Ads (formerly AdWords) and Facebook Ads. You will find detailed information on how to structure your digital ad campaigns and discover effective strategies to achieve success. The chapter provides various examples on text, display and social ad campaigns.

4. SOCIAL MEDIA This chapter focuses on achieving high ROI from social media. Platform-specific success strategies are presented based on Facebook, Instagram, Twitter, YouTube and LinkedIn.

5. EMAIL NEWSLETTERSIn addition to the format, content, timing and frequency of email newsletters, there is a specific section regarding performance analysis.

CHECKLISTS AND THE THINGS YOU NEED TO DOTo help you get results, you will find 30-item checklists at the end of each chapter. Using them, you will be able to review the topics that are covered in each chapter. You will also find a special section at the end of each chapter, focusing on the things you need to do to implement this knowledge in your campaigns after reading this book. This will eliminate the gap between reading the book and taking action, as is the case in many other books. Many brands have already implemented "Divide and Conquer" method and significantly

Get the book, make those sales!Chapter 1 Excerpt "Social Media Marketing 2020 : The Ultimate Guide to Boosting Your Business Through Social Media Marketing Efforts in 2020 "The Constantly Changing World of Social MediaJust a few years ago, running a successful business did not demand an online presence. With the rise of the internet, entrepreneurs began debating among themselves whether or not they should have an online presence. As a matter of fact, it was something optional. Whether you wanted to turn to the internet or merely run an ordinary business, it was up to you. Back in the halcyon days, business owners had the notion that running an online store was too expensive and that their target market would not bother searching them over the internet. Well, today, things have drastically changed. The public is more aware of the products and services that they need. They are more knowledgeable than ever before regarding what they need and what they don't. What's worse, they have fingertip information regarding the brands that they should go for. Customers are now even aware of existing brand competition in the market. Thanks to the internet, they can conveniently shop from their homes. Do you remember word of mouth marketing? Back in the golden days, local stores could depend on word of mouth marketing as a way of getting information about their products and services to their potential market. This

meant that they only needed to provide quality products accompanied by excellent customer care services. After this, they hoped that customers loved their products/services. Also, they were quite confident that through word of mouth, their customers would appreciate them in front of their neighbors. When customers were not happy, it was an unfortunate thing for these businesses. Nonetheless, they were lucky enough that the message was only contained within their local surroundings. In any case, the negativity was soon forgotten. After all, folks have short memories. Hundreds of thousands of Internet marketers are fully focused on getting passive income. It is by far the most tempting form of income since it lets you earn money on a regular basis even if you are not active with work. Because of the hype that this concept generates, many people come up with their own dream interpretations of it and unfortunately some are missing the mark. It is better to take a closer look at it as well as the things you should expect if you decide to pursue that goal. It is highly unlikely to achieve this passive income status overnight. Think of it like a rocket where you need to build a bunch of energy to launch it. But once it is in the air, you only have to do a

fraction of the effort to keep things going. Creating an actual pathway is actually the time-consuming bit. If it was really a simple thing to do, everyone would be getting involved rather than sticking with tedious ways in earning money. Unfortunately, it is not that simple and you can't just create wealth out of thin air. Your only other alternative involves buying a possible passive income channel.
