

## Unexplained Mysteries Of Heaven And Earth

Self- Mastery is a series of lessons centered around the personal development of the young adult. We offer teaching in Yoga, Meditation and personal development. This is the combined volume of all four major sections of the SELF-MASTERY series of courses by the APOFS organization and the first to be published. It should be studied as a course in practical metaphysics ( YOGA).

Accompany the Fanthorpes on their intriguing investigations in Canada and worldwide, through years of research into the unexplained.

This fascinating work begins with a scientific appraisal of time and its relationship with 3D space. It explains in clear, understandable language, the complex theories of such famous men as Newton, Einstein, and Stephen Hawking. Is time infinite, or does it have a beginning and an end? Do Black Holes and White Vortices distort time, or penetrate it? The authors also analyse and evaluate puzzling, well documented reports of time travel and reincarnation, and strange cases of deja vu. Can time travel account for such anachronistic discoveries as a 20th century sparkplug found encased among fossils half a million years old? Finally, the authors bring all the unsolved time-related mysteries together in a unified field theory that suggests an awesome answer to the mysteries of time-travel and reincarnation.

Science is something that can change every day - or at least the way we view it. Sometimes, we look at the things all wrong. But through exploration, we can always learn more. And to do that, eight people will venture into a world unknown. After a brilliant scientist goes missing, a group of scientists, mercenaries, and explorers take it upon themselves to venture into a hidden jungle in the Yucatan Peninsula. But what they find is a world of adventure, a lost world where God has restored the ancient world to how he once envisioned it. As they slowly unravel a mystery or two, they may need to fight for their lives to not only complete their rescue, but to make it back home alive.

\*Includes pictures \*Profiles mysteries like the Lost Colony of Roanoke, ghosts like the Bell Witch of Tennessee, and more \*Includes online resources and a bibliography for further reading \*Includes a table of contents The American South has given birth to many of the nation's great stories and legends. From the earliest Colonial times, it's been a place of mystery, replete with disappearing colonies and strange apparitions in the woods, but the South's long and proud history has always had a darker, and stranger, side to it. One of America's most famous mysteries was its first. Despite the fact he had left over 100 colonists at the island of Roanoke in 1587, John White returned to literally nothing, with all traces of the settlement gone and no evidence of fighting or anything else that might have explained the disappearance of the inhabitants. White found the word "Croatoan" carved on a tree nearby, which he figured might mean the colonists moved to a nearby island, but he was unable to conduct a search expedition there. The Spanish also searched for the colony in hopes of wiping it out themselves, but none of the Europeans could find Roanoke's colonists or explain what happened to the "lost" colony. The fate of Roanoke has fascinated people for over 400 years, and there is no shortage of theories regarding the disappearance of the colony. In addition to the possibility that the settlers moved to Croatoan Island, most theories speculate that they were either wiped out by nearby Native Americans or assimilated among a tribe. Future settlements in the area would survive and start to flourish, and that would bring more mystery and unexplained phenomena. Tales of monsters and ghosts lurking in its woods and old houses, and strange monuments that may be from a forgotten civilization, puzzle local investigators. All the while, the early inhabitants themselves were always superstitious, whether in Florida, Georgia, Maryland, North Carolina, South Carolina, Virginia, West Virginia, Alabama, Kentucky, Mississippi, Tennessee, and eastern Louisiana. *Mysteries of the South: Ghosts, Legends, and Unexplained Phenomena in Dixie* profiles a sampling of strange, unexplained, and just plain odd stories of the South that have fascinated people in and around the region for centuries. Along with pictures of important people, places, and events, you will learn about the mysterious side of the South like never before, in no time at all.

Don't settle for ordinary. It's time to move into the miraculous life that comes with following God. It is easy to see that things in our world must change. Our nation, our communities and even our churches too often are heading in the wrong direction. Most importantly, we ourselves need to change if we want to have the kind of impact our world needs. But in spite of all the good it brings, change can be uncomfortable and even frightening. A God-Sized Future inspires you to embrace the life God desires for you. Sharing relevant stories from the Bible and his own personal experience, Ron Phillips challenges you to move out of your comfort zone and shows you how to: Determine the right time for change. Allow God to initiate change. Harness supernatural change through a Spirit-controlled mind. Pursue a life of radical obedience. The difference between an ordinary and an extraordinary life is the choice to obey God. Get ready for a change that brings transformational renewal. ELLICOTT'S COMMENTARY ON THE WHOLE BIBLE is a practical and ideal commentary for Sunday school teachers, Christian workers, Bible students, libraries, and ministers. Each of the durably bound volumes in this handsome set is designed with an eye to the convenience of the user. The large, double-column pages are distinctive and easy-to-read. The comments in every case are crisply written and wonderfully practical and up-to-date. You, the user, will not have to read pages of extraneous material to get the important information. If you ever need help for: Sunday sermons Prayer Meeting talks Messages for Young People's Groups, etc. Sunday school lessons Personal Bible study Messages for special occasions you will find it in ELLICOTT'S COMMENTARY ON THE WHOLE BIBLE.

"Excellent background research . . . on-site investigations of mysteries ranging from crop circles and lake monsters to spiritualist mediums and stigmata." —Booklist As a former

private investigator and forensic writer, Joe Nickell has spent much of his career identifying forged documents, working undercover to infiltrate theft rings, and investigating questioned deaths. Now he turns his considerable investigative skill toward the paranormal, researching the most well-known and mysterious phenomena all over the world—spontaneous human combustion, UFO visitations, auras, electronic poltergeists, and many, many more—with an eye toward solving these mysteries rather than promoting or dismissing them. *Real-Life X-Files: Investigating the Paranormal* examines the cases of over forty paranormal mysteries. Using a hands-on approach, Nickell visits the scene of the so-called unexplainable activity whenever possible and attempts to physically duplicate the miraculous. Whether he's inflicting stigmata on himself or recreating the liquefying blood of Saint Januarius, Nickell does whatever necessary to eliminate the probable before considering the supernatural. What is left is that much more fascinating. Nickell reports on familiar legends from American history such as the supernatural events surrounding Abraham Lincoln's death and the supposed crash landing of an alien spacecraft near Roswell, New Mexico. He closely examines claims of the miraculous, from rose petals bearing the likeness of Jesus to photographs of a "golden door" to heaven. Controversial mysteries such as clairvoyance and "spirit painting," haunted places, and freaks of nature are just a few of the many topics covered. Suspenseful, engrossing, funny, and grounded in scientific methodology, *Real-Life X-Files* provides real explanations for the "paranormal" activities that have intrigued human beings for centuries.

Two subjects continue to fascinate people the Old West and a good mystery. This book explores and examines twenty-one of the Old West's most baffling mysteries, which lure the curious and beg for investigation even though their solutions have eluded experts for decades. Many relate to the death or disappearance of some of the best-known lawmen and outlaws in history, such as Billy the Kid, Buckskin Frank Leslie, John Wilkes Booth, The Catalina Kid, and Butch Cassidy. Others involve mysterious tales and legends of lost mines and buried treasures that have not been recovered yet."

For those of us who have always been fascinated by the unexplained—or inadequately explained—secrets and mysteries of this world, Sylvia Browne now brings her great insight. Using a combination of information from her spirit guide Francine as well as her own incredible psychic powers, Sylvia augments current scientific research to provide us with detailed explanations about seeming inexplicable concepts. From the Great Pyramid to Stonehenge, Sylvia reveals amazing facts about some of the world's most mysterious sites. The truth behind sacred and controversial objects such as the Shroud of Turin and the Holy Grail are brought to light; and fascinating and mystifying topics such as crop circles, the Lost Continent of Atlantis, UFOs, Easter Island, and much more are examined and clarified. Sylvia tears away the obscure and timeworn explanations that hide the underlying truths about these fascinating subjects.

Tells how to develop one's spiritual core, and relates the stories of individuals who have found comfort in communications from their deceased loved ones

James Van Praagh teaches that death is not the end, nor is it something to be feared, and that there is indeed life beyond this physical world. He believes that everyone has psychic awareness but only a few have the knowledge and self-awareness to develop

The author of the New York Times bestsellers *The Harbinger*, *The Mystery of the Shemitah*, *The Book of Mysteries*, and *The Paradigm*, now opens up the jubilean prophecies and a mystery so big that it has determined everything from the rise and fall of world empires to two world wars, the current events of our day, the future, end-time prophecy, and much more.

Discover the truth behind the world's greatest mysteries We live in a beautiful world full of miracles. But so many people think that Christianity is simply a "fairy tale" religion complete with talking snakes and donkeys, magical fruit and paranormal healings, but it is simply not so. *Unexplained Mysteries of Heaven and Earth* investigates the physical evidence that speaks to the truth of Scripture, demonstrating that Christianity is a religion founded on fact. So join Ron Phillips as he combines his trademark theological balance with extensive historical research to travel through time to look at: · The Flood · Lost Atlantis · The Great Pyramid · The Antichrist · The Rapture · And other mysteries of God! Blessed with an extraordinary gift, James Van Praagh has the rare ability to bridge the gap between this world and the next. Based on nearly thirty years of spirit communication, this world-famous medium takes us on a powerful, emotional and ultimately inspiring journey to life on the other side. In *Growing Up In Heaven*, he provides solace and insight by offering us a remarkably detailed portrayal of a child's soul on its journey from this world to the next. Through true stories and messages from those who have passed on, we experience the unbreakable bond between parent and child while glimpsing an amazing vision of heaven. Opening our eyes and hearts to the reality that love transcends the physical and material planes of this world, *Growing Up In Heaven* has the ability to heal wounds by lifting our spirits with the knowledge that our departed ones will always be a part of our lives.

Journalist-educator David Yount offers clear explanations to common questions about Christianity. He looks to faith to understand a world that seems more complicated every day. This is a book for everyone who has ever felt that they had to endure--rather than enjoy--a church service, and who would like an understanding of personal faith that goes deeper than what Sunday School teaches.

The spiritual subject of past lives and reincarnation is highly controversial. Most religions don't believe it, and science cannot prove it yet. This book is an "energy healing communication" with a DNA surprise, assisting you to integrate and understand the deep-seated truths about who you are and where you came from. The information explains what is happening to us, the earth, and the universe, and what one needs to do to adapt to the new energies on the planet at this time and for the years to come. These pages contain a profound message with the new energy—a message that I have delivered many times over my many lifetimes. Who am I? and Where do I come from? are questions that have been on the minds of everyone since the beginning. These thoughts are imprinted in our basic DNA. When I became aware of who I was in the previous lifetime just before this one (less than five months between lives)—my newfound identity propelled me into the search for the answers to the questions gnawing at my soul. Each

answer provided new questions, leading me down the enlightened path to an encounter with the “Grand Divine Plan,” delivering a message of peace and preparation. We all have gifts and abilities unimaginable, ready for anyone who walks through the door. My search brought me into an awareness of knowing many of my past lives. It also revealed that my purpose of discovering was not about who I was, but that I would write about past lives and reincarnation at a time on the planet when this information would be so needed.

The Rough Guide to Unexplained Phenomena is an exploration of the zone that lies between the known and the unknown, a shadowy territory that's home to lake monsters, combusting people, teleporting frogs and man-eating trees. Taking a Fortean path between dogmatic scientists and credulous believers, the authors trace tales of wonder back to their sources, drawing from a huge archive of observations, opinions and discussions. As the third millennium begins, many things are not yet known or understood about our world -- as this Rough Guide shows, there are still many riddles to solve and wonders to experience.

Unexplained Mysteries of Heaven and Earth Surprising Insights about Our World and Beyond Charisma Media

If you are tired or bored with routine - or simply want to relax after busy work schedule, this book will prove the best companion. In fact, thrillers have always fascinated the young and old alike. There is no clear-cut demarcation line between myth and history, or between appearance and reality. Many mysteries have been solved but there are still many more which have remained unsolved and defied all rational explanations.

Everyone's Guide to Demons and Spiritual Warfare is a basic training manual for anyone who wants to understand spiritual warfare principles and know how to stand against satanic attacks. By incorporating demon-defying principles in our daily spiritual lives, we can learn to put the enemy to flight and move from bondage into freedom. The author also identifies several specific demonic spirits that attack God's people, and provides strategies for overcoming evil in our lives.

This memoir begins on the reservation of the White Mountain Apaches in Arizona when a tribal police officer is laid to rest after being assaulted and murdered by two suspected burglars. The book concludes with the author's interrogation of a routine suspect in the case of a five-year-old girl who has gone missing for a week. In between these events, the author describes his career journey as an FBI special agent, a journey that sometimes produces success and vindication for crime victims and, sadly, investigations ending in failure. The author, a rather sheltered son of religious parents, navigates a troubled world of darkness, crime and sin.

In these pages you will find never-before-seen biblical proof that you can be assured of blessing and favor in the last days.

Looks at ancient ruins, including Aztec temples, the Easter Island statues, Stonehenge, American Indian medicine wheels, the Nazca lines, and Great Zimbabwe

A woman has invited 25 women and 25 men to come and listen to her talk about her book and ask them whether or not to publish it. In a small square room, she finds 23 men have arrived. She stays outside the room and speaks to them telepathically about relationships, honouring the female principle and the meaning of life. What does the story of the Garden of Eden mean? Later she comes into the room and educates them about the role of women and raising the men's consciousness. She embodies light and takes them into another mental realm. She tests their ideas, surprises and shocks them to help them evolve. One of them finds that the book on the lectern is blank. In the end we realize she hasn't written a book, but lived it. Maghzi states: This book is one woman's vision which has been reduced to a readable form. This book is about a woman who raises her voice on behalf of those women who have suffered through the centuries! This book is about cutting selfish self's rough and uneven edges in order to become wiser and smarter to circle the wiser and smarter beloved!

From Jedediah Smith's final moments and persistent rumors of Bigfoot, to the rise of an unlikely uranium magnate and the mysterious end of Butch Cassidy, this selection of twelve stories from Utah's past explores some of the Beehive State's most compelling mysteries and debunks some of its most famous myths.

Take a chilling tour of spooky New England legends . . . Visit Vermont with this comprehensive collection of tales, legends, folklore, ghost stories, and strange-but-true facts—and enjoy supernatural side trips to the surrounding areas of New York, Massachusetts, New Hampshire, and Quebec—with this delightful guide to the region's haunted history. From Chittenden's Ghost Shop to the Hubbardton Horror to the Mystery of the Bennington Triangle, Green Mountain Ghosts is filled with local lore and characters more colorful than any fall foliage!

A medium recounts his experiences relaying messages from spirits in the afterlife, sharing the stories of the mourners he has served and showing readers how they can contact their departed loved ones

Heaven's Call By: Roger Dawson Heaven's Call sets out to prove the existence of the afterlife through actual paranormal events experienced by an entire family with voice recordings, while also explaining research completed by the CIA and US Army on paranormal science and includes photographic evidence of an Angel visitation. Documentations within this book also provide evidence of past lives through personal paranormal experiences.

We are currently living in an interesting, exciting, wonderful, and ominous time in the history of the world. Technology and the Informational Age make it possible to know instantly about world events—and some of these events appear to be extremely worrisome. In response to this situation, The Unsolved Mysteries of the Bible gathers topical treatments of the Bible's key messages, supplementing them with insights from the writings of the world's varied ancient traditions. Author Yohane has assembled this diverse array of sources into a sequence of thirty-eight chapters addressing questions about the Bible and God, moving through the accounts of creation and salvation, and turning, finally, to the mysteries of God's planned ending of the world. If you listen to the news and wonder what sense to make of a confusing world, if you ask yourself whether life has any purpose or worthy end, or if you have always intended to dig into the Bible to find out its witness to God and his design for the whole creation from beginning to end, then The Unsolved Mysteries of the Bible can serve as your guide to asking the hard questions, listening for the truthful answers, equipping yourself to live in this world, and knowing God's plans for the world to come.

Discover the truth behind the world's greatest mysteries of the Bible and more. Many people think that Christianity is simply a "fairy tale" religion complete with talking snakes, seer mystics, and paranormal healings. This book demonstrates that it is a religion founded on fact, investigating the physical evidence that speaks to the truth of Scripture. Combining his trademark theological balance with extensive historical research, Phillips provides readers with insights into life's most compelling mysteries. So join him as he travels back beyond time to look at: · The Flood · Lost Atlantis · The Great Pyramid · The Antichrist · The Rapture · And other mysteries!

Witness the trials and triumphs of the eternal warrior, John David Saxxon, in life and beyond death. "Perhaps Heaven" is an intimate blend of fact, fantasy, and fiction. It contains a raw dose of

sex and violence, a small town murder-mystery, and a tender coming-of-age love story. It is a journey of faith and desire that transcends time and distance. It is about the courage and indomitable spirit of John David Saxxon, who faces tremendous ordeals beyond your wildest imaginings. It is a thousand stories within a story, but most of all "Perhaps Heaven" is about the challenges that we face in life and how they transform us.

An amazing compendium of the weird and the wonderful. The range of entries is extraordinary, from the bizarre to the horrific, and from the spooky to the just plain confounding.

There are many mysteries in the New Testament that Biblical teachers either ignore or dogmatically change to support an ideal rather than the written words. This book tries to expand your awareness of The New Testament so that you can understand these nuances and build upon those truths without the blinders of generalization. Some of the facts to explore are the 2 types of Faith, 2 types of Baptism, and what the 300 verses on the Heart mean. Then we get into the more confusing statements about reincarnation, revitalization, Resurrection, demons, Heaven, hell, and death, along with many other elements to help you grow as a Christian. Some of the book will offend and other parts will uplift, but all will gain you better insight into the details of the New Testament.

From the battlefields of the American Civil War through World Wars I and II, from Korea and Vietnam to the front lines in Iraq and Afghanistan, soldiers of all faiths have struggled for understanding and called on a higher power when faced with the realities of combat. God in the Foxhole is a stunning collection of true personal accounts from generations of American soldiers whose faith, in the words of author Charles W. Sasser, "has been born, reborn, tested, sustained, verified, or transformed under fire." A renowned master of combat journalism and a former Green Beret, Sasser has gathered an immensely moving collection of war stories like no other -- stories of spirituality, conversion, and miracles from the battlefield. Be they Christian, Jewish, Muslim, or atheist, churched since childhood or touched by the divine for the first time, here are the riveting experiences of army privates, bomber pilots, navy lieutenants, marines, prisoners of war, medics, nurses, chaplains, and others who, under desperate circumstances and with every reason to fear for their lives, found unknown strength, courage, and heroism through their remarkable faith. These inspiring accounts transcend the explainable to become stunning portraits of survival and belief: the angelic vision that brought inner peace to an exhausted helicopter door gunner in Vietnam...the makeshift full-immersion baptisms of eleven soldiers on Palm Sunday in Iraq, 2004...two enemies -- a Nazi priest and an American G.I. -- who served Communion Mass in a Belgian sanctuary in 1944...the prescient letter from a Civil War army major to his beloved wife, one week before his death at Bull Run...the 21st-century toddler with a jaw-dropping spiritual connection to a war hero of Iwo Jima...and dozens more. A war chronicle like no other, God in the Foxhole affirms, for military buffs and readers from all walks of life, the power of faith in the face of adversity.
