

Used Cars Guide

Providing values for more than ten thousand makes and models of used cars, trucks, and vans, built between 1981 and 1995, this valuable manual furnishes information on list prices and retail values, optional factory features, acceptable mileage ranges, and other specifications. Original. 80,000 first printing. IP. "Essential for buyers and sellers [of used cars] alike" ("New York Daily News"), the consumer edition of the "Kelley Blue Book" is the recognized authority in used vehicle pricing.

Everyone has heard of the "Blue Book" value of a car, but until 1993 this invaluable resource was available only to auto dealers, financial institutions, and other businesses. The Consumer Edition of the Kelley Blue Book Used Car Guide, appearing twice a year, gives current private-party and trade-in values, along with retail value, vehicle identification number (VIN), original list price, and much more for thousands of used cars, trucks, and vans. It also contains easy-to-use equipment schedules with values for optional equipment and a table of acceptable mileage ranges by year. No other source on the market can claim Kelley's history (the first guide was published in 1926) or reliability, and no other source covers 15 years of values.
