

## What Car Price Guide Used Cars

VMR Standard Used Car Prices is published quarterly by VMR International, Inc., providers of used and collector car price data to businesses and consumers for over 10 years. VMR Standard Used Car Prices' comprehensive and easy-to-use listings of standard equipment levels will help consumers avoid paying extra for standard equipment. There are no confusing look-up tables for car options and only one simple table for vans and trucks. A category exclusive is the listing of complete engine and horsepower data with every vehicle. Standard Used Car Prices also has low and high mileage tables and is the only guide that offers toll-free telephone support to assist readers in the car buying process.

For years, award-winning independent filmmaker Rick Schmidt has been teaching aspiring directors how to make "no-budget" films, both in workshops and in his classic guide *Feature Filmmaking at Used-Car Prices*. Now Schmidt shows them how it is easier—and cheaper—than ever to make an innovative, high quality work, thanks to digital video. Filled with the latest information on equipment and software, ideas for experimenting with new moviemaking techniques, and advice based on Schmidt's own experiences, *Extreme DV at Used-Car Prices* offers a step-by-step guided tour through the making of a feature-length movie using the newest and ever-changing DV technology. Schmidt shows how to:

- Take a DV project from idea to script (written or improvised), contract to pre-production and into the shoot
- Work with—and rally—the cast and crew
- Select affordable digital equipment to make a cutting-edge DV feature
- Edit a DV movie electronically with Final Cut Pro
- Promote one's work guerilla-style
- Live (and budget) creatively as a moviemaker

Look ahead to what's on the DV horizon Instructive and inspiring, this one-of-a-kind book is essential reading for filmmakers with lots of ideas but little money.
