Back when lightning-throwing gods and multiheaded monsters ruled a world in constant chaos, there was one man who stood on four hooves against it all. He was Chiron the Centaur, the wise(-cracking) teacher to amateur heroes. He turned cowardly boys into powerful warriors, helped them achieve greatness, and overcome their Daddy issues--seriously, how many kids back then were waiting for Zeus to come by and play catch? Now, thousands of years later, Chiron's textbook has been unearthed. And it's your chance to join the ranks of Ancient Greece's finest. Be forewarned: It's no simple task. You have a lot to learn. Inside lies the necessary knowledge to start a quest as epic as one of the great's--from the inner workings of Mt. Olympus to the ins-and-outs of the Underworld to the Achilles' heel of each brutal beast you'll battle along the way. This handbook is as important as the sword in your hand and the shield on your back.

Begin a new adventure: the second thrilling installment of Garth Nix's bestselling OLD KINGDOM fantasy series. Sabriel has spent most of her young life far away from the magical realm of the Old Kingdom, and the Dead that roam it. But all that changes when a creature from across the Wall arrives at her all-girls boarding school. The creature carries a message from her father, the Abhorsen - the magical protector of the realm whose task it is to bind and send back to Death those that won't stay Dead. Since the demise of the Royal Family the Dead have become stronger and more fearless, and now it seems their forces are threatening to overwhelm the Old Kingdom. Sabriel's father has been trapped in Death by a dangerous Free Magic creature. He urges her to return to her homeland, and to discover who or what is behind this uprising. Armed with her father's binding-bells and sword, she soon finds companions in Mogget, an ancient spirit bound into the body of a cat, and Touchstone, a young Charter Mage whom Sabriel frees from a long, magical imprisonment. As the three travel deep into the Old Kingdom, threats mount on all sides. And every step brings them closer to a battle that will pit them against the true forces of life and death - and bring Sabriel face-to-face with her own destiny. With over 1 million Old Kingdom books sold in the UK, this timeless fantasy series is perfect for readers of Philip Pullman.
