The life force, also known as "spirit," is the essence of being and the conscious and most important form of energy. Living energy is personal and within our conscious control, and by learning about it, we can use it to transform our life into vibrant and meaningful expressions of who we really are. Consciousness is purely energetic and therefore difficult to quantify in mechanistic terms. It is the characteristic of living energy and is the foundation of awareness. Consciousness is the thread running through all life. Living Energy is an introduction to the process of mystic spirituality. The reader is encouraged to attain a deep and meaningful connection to the divine with expanded awareness. The principles given in this book are equally relevant to the novice and the advanced practitioner. Robert explains how we may reveal our hidden potential by shifting our perception away from what is customary and comfortable to open the doors to greater spiritual awareness.

"Now I am become Death, destroyer of worlds." Dr. Grace Llewellyn quotes Oppenheimer as her creation takes its first breath. Moments later, a US military strike team hits her laboratory in suburban Maryland. Markus Stebbings is hiding terminal brain cancer, hoping to remain alive and a part of Delta long enough to die for something that matters. The mission to destroy a domestic terrorist cell in possession of a nuclear bomb sounds like the opportunity he is looking for, until he realizes that his targets are not terrorists, and that what they have is something infinitely more dangerous than a bomb. On the run with Grace and the device she calls Prometheus, Markus finds himself pitted against the full might of US intelligence and military forces as they mount the biggest manhunt ever conducted on American soil. He quickly learns that Prometheus represents a technological advancement so profound that it can alter the course of history. What he doesn't know is that there is another such device already in play, and that he, Grace and Prometheus are all that stand between it and the end of human civilization as we know it.

Why are prominent doctors, quantum physicists, and researchers all over the world interested in the seemingly chance encounter that Dr. Eric Pearl had with one of his patients? What was it about that encounter that would not only radically accelerate the trajectory of his life, but ultimately affect the lives of millions . . . and will most likely profoundly affect your life as well? What is this phenomenon? In his international bestseller, *The Reconnection: Heal Others, Heal Yourself*, Dr. Pearl taught readers how to access and tap into a comprehensive spectrum of energy, light, and information previously inaccessible to anyone, anywhere. In doing so, he allowed us to entirely transcend complex energy-healing "techniques" and bring about dramatic, often instantaneous, lifelong healings and life transformations! Since then, the world has clamored for Eric's second book. His response? When I have something else to say. Today Dr. Pearl, in collaboration with Frederick Ponzlov, indeed has something else to say. You might have to reconsider everything you've read up until now about healing,

consciousness, and our four-dimensional existence here on Earth. As guided by the spirit of Solomon, an extradimensional intelligence that speaks through Frederick, experience firsthand the insights imparted during the evolution of this unique transmodality known today as Reconnective Healing. Now you can discover these insights and apply them to your life—insights that have revolutionized the healing world and given us the key to access the immense power that we each have within our lives. Solomon speaks. . . .

Who am I? This question has defied answer since time immemorial! World famous psychologists and scientists have tried to find an answer to this question without success. In fact, you know me very well. You meet me daily, live with me, work with me, work for me, supervise me, make me work for you; and my mistakes cause disasters, in which you and I perish! You meet me as a father, mother, brother, sister, husband, wife, friend, lover, employer, employee... the list is endless. No venture or activity can ever be accomplished without me. You need me. You cannot get anything done without me. It is I with whom you want a relationship; who creates the greatest love story or heartbreak; makes any undertaking a success or a failure; is the single largest cost item in any company's balance sheet; and matters the most in any activity. Yet, I am least understood and cared! Your inability to understand me leads to most of the organizational and interpersonal problems, even accidents and disasters, in the world today. Disasters, in relationships - between families, friends, colleagues and lovers; in work-place interactions leading to organizational conflicts; in development or implementation of policies, procedures or processes I cannot be relied upon to follow, leading to accidents; these result from your inability to understand me. I cannot be managed or controlled. I can only be led, motivated, mentored and developed. Love me, or hate me, you cannot live without me! You got me and the sooner you understand me, the better will it be for both of us! I am a human, and this... is my story. Ryan has a normal life until a stranger comes into his life and takes him onto a mysterious journey where his mission is to find pieces to build a machine and a weapon. But the only way to get these items is to time travel. His friends who accompany him on his journey are Diego, Ashley, and Richard. That's when they find out that there is something evil lurking around them.

Si tuvieras la oportunidad de sentarte en tu sala de estar con un ángel, ¿qué te gustaría saber? Although start-ups represent a major phenomenon in the USA, they also create skepticism and even suspicion, perhaps because of the excesses of the Internet bubble. Apple, Microsoft, Intel, Cisco, Yahoo and Google were all start-ups and these success stories show that the phenomenon is not mere speculation. The goal of this book is to show start-ups from a different angle. Start-ups are created by individuals who are passionate and who have dreams. Therefore this work should not only be read by specialists of innovation or by high tech entrepreneurs, but also by anyone interested in the history and economics of start-ups. The book is presented in two parts: it begins with a presentation of Silicon Valley start-ups, which ends with a description of

the ecosystem of this region. The second part is dedicated to Europe, where the start-up phenomenon has failed in comparison. The main message is that it is absolutely necessary to take more inspiration from Silicon Valley.

How does it feel to be here and there - at the same time? Maxwell Greyson refers to himself as a project manager but really only makes use of that title in an attempt to mask his ridiculousness, which is something that has plagued him all of his life. He unwittingly embarks on a quest to find what he's always sought. He finds it, or rather he finds something, but doesn't know exactly how to process it or what to do with it. What ensues is a journey that starts at zero and ends up near the edge of the multiverse. Or is it the other way around? The powers of magnetism are not as mystical as you might think. You can learn to switch your energy like flipping a switch on an electrical current, changing the very direction of your life. Every single day you can establish a new, consistently positive life force - one that will propel your intentions with focus, optimism, and personal power. Have you ever been on the receiving end of gross injustices, forced out of your home or country or endured life-threatening events because of misguided political or religious zeal? Ideen om akasha-arkivet går langt tilbage i teosofiske og esoteriske traditioner. Man kan beskrive det som en slags kosmisk vidensbank over alle begivenheder, tanker og følelser, der nogensinde har og vil finde sted - et levende skatkammer af energi og information om alting. Forfatteren Sandra Anne Taylor har skrevet en lettilgængelig indføring i fænomenet og guide til at få adgang til denne omfattende spirituelle informationskilde.

When we feel that we aren't enough, or that we aren't good enough, we also fear that we'll never have enough. Money. We love it. We hate it. If we don't have enough, we're struggling to get more. If we do have it, we're fighting to hold on to it. Why does money have to be such a source of anxiety? Is it possible to find a balance? Yes! According to integrative life coach Nancy Levin, the real key to creating financial freedom isn't changing what we do, it's changing how we feel—and that requires more than just learning how to invest. In *Worthy*, Nancy makes an essential, eye-opening connection: the state of our net worth is a direct reflection of our self-worth. Then she shows us how to get to the root of the problem and do the internal work that's needed

to replace feelings of unworthiness with a stronger sense of our own value. Filled with inspiring real-life stories and thought-provoking questions and answers, her 10-step plan helps us to:

- Get real about the money issues we face every day
- Examine the excuses we use to avoid creating the life we really want
- Be willing to see ourselves as worthy of abundance in all its forms
- Take back our financial power—and watch amazing things start to happen

Whether we're looking for financial ease or a new relationship with money and ourselves, Worthy will give us the tools to clear the path for wholeness, fulfillment, and richness in all areas of our lives, not just in our bank accounts.

Life can be viewed as a roller coaster, full of ups and downs, thrills and chills. How we handle our circumstances determines our success. Throughout my misfortunes I learned that it is not our mistakes, it is what we do after that mistake which matters the most. Even the Apostle Paul was once considered a bad and sinful person who persecuted people trying to spread the word of God; before he eventually saw the light. I have been in the darkness of neglect, abuse, and abandonment, which caused me to be violent, spiteful, and criminal minded. But through my trails and tribulations, I was able to overcome adversity. Similar to Apostle Paul, a school social worker was my Barnabas. Being confined was my Damascus. And constantly escaping death was my confirmation. Now I'm devoted to be the best Christian I can be. I'm looking forward to helping, encouraging, and guiding others, especially our youth. Some may say this is a sad story. Others may claim it's violent or dramatic. But best of all... this is a story of success.
